The Woman's Club held the initial meeting of the new club year on Tuesday, September 22, with Mrs. W. Bacon and Mrs. B. D. Bunn as the delightful hostesses. The Baptist parsonage was made the attractive with lovely fall flower which carried out a yellow and under color effect in decorations. The president, Mrs. C. F. Kirkpatrick, was able to welcome most of executive committee in attendance a most representative number of members and Mrs. Beville of Asheville, Florida and Mrs. J. W. Harrold as guests. Mrs. E. S. The club also went on record as cooperating with other charitable organizations of the city in the need for this fall—this being left in the hands of the department of welfare with Mrs. N. M. Ford, chairman. Mrs. Bunn outlined the work for the year of the Education Department. A prize, not to exceed \$5.00, voted by the club to be offered to the best all-round student in the high school. Mrs. Frank Ferguson made her report as chairman of the recent most successful Dahlia Show. The club was a rising vote of thanks for her untiring efforts in behalf of the club that were reflected in its splendor. Her work covered a period of twelve months of planning the culmination was only the result of magnificent cooperation with the most efficient leader. It was noted that every school child in the city could not see this display of educational value and equally the benefit. The district club meeting was held for Monday, October 10, at which Mrs. John Queen was elected to bring back the report of the club. The Smoky Mountains National Park which the club had voted in favor of several months ago, was urged upon the board of trustees, accepting the collection of other civic clubs. The matter of planting shrubbery on the court house grounds was also attended and a committee appointed to assist in any way. The club adjourned to meet on Friday, October 20, at the home of Mrs. C. H. McDowell. A delightful salad course was served during the social hour. Publicity Chairman.

NEEDLEWORK GUILD TO HAVE GATHERING OCTOBER 12

It was announced yesterday that the Waynesville Chapter of the Needlework Guild of America had selected Wednesday, October 12, as the date for the ingathering of garments for the needy. All members are asked to have their garments ready by Tuesday, the 11th, so that the directors can collect them for the display the next day. The only requirement for membership in this organization is the donation of two new garments for the needy. This year special stress is being laid on securing garments for children of school age and it is hoped that those making contributions will select warm clothing. The directors will begin immediately on their drive for members and each director is looking to her former members for help in the winter's work.
