Recent News Events From Cove Creek

COVE CREEK.—(Special to The Mountaineer.)—Ed. Note.—The people of this community are requested to send all news items for publication to Mrs. James Harrell, as she has been named correspondent for Cove Creek in the absence of Miss Morrow, who efficiently did this work up until this week.)

The Sunday school and B. Y. P. U. are progressing very nicely at this place. Miss Maye Morrow and Miss Maye are have returned to Teachers College at Cullowhee to take up their school work.

Mr. and Mrs. Daisy Smathers, of Canton, spent the week-end with Mr. and Mrs. John Howell.

Roy Messer, of White Pine, Tenn., is visiting his father and sisters at this place.

Miss Maggie Chambers and Mrs. Thel Crawford, of Iron Duff, were guests of Mrs. Robert Davis Sunday.

Miss Elizabeth Harrell has returned home from Candler, where she has been working for quiet a while.

worse condition than the others. It is impossible for children to do their best when they are handicapped by some defect just as a horse will not do his best pulling when he has a sore shoulder. Of course the majority of parents will pay more attention to a sore shoulder on a horse than they will the same size sore on a child. Furthermore, it is impossible for all parents to have the physical defects of their child corrected. The expense is often too much. I believe it is the duty of the county through the county commissioners to aid such parents and unfortunate children. A few hundred dollars plus what the state would furnish would enable us to have a dentist for a year. I do hope that something like this will be done. It will aid in the building up of a strong people who will not need the Haywood County Hospital as much as their parents have needed it. Any time my school is in session I will be pleased to show any county official the conditions of the children in my school. Other progressive counties are doing what I have suggested. We will not be in the lead, but will only be following in the path of a good movement. Here is the report of a state nurse who did her best under the conditions. Certainly she missed some things. The body was not examined by a doctor. Nevertheless, you can get enough from the following to show that something should be done.

Out of 116 pupils examined 109 were defective. The vision of 13 was faulty and the child probably needed glasses. There were more than 40 who needed their tonsils removed. Eighteen had something wrong with their nose. MORE THAN 82 HAD DECAYED TEETH. There were other defects too numerous to mention. In this group 3 had had their tonsils removed. Twenty-six had been vaccinated against small pox. Twenty-eight had been vaccinated against typhoid vaccine. ONLY A FEW STUDENTS HAVE HAD WORK DONE ON THEIR TEETH. I often wonder, but not for long, whether more stock or more children have been vaccinated against disease in this county. A community is no stronger than its weakest child. Your community is no better than ours. What are we going to do about the health of the child?

Verdict Favoring Boone Returned In Unusual Trial Here

Suit Involved Tenth Of Acre Consumes About Four Days Of Civil Court

On last Friday afternoon the jury returned a verdict in favor of Gus Boone against Mrs. Belle Collins in a suit that involved about one-tenth of an acre of land in the Francis Boone community. The trial consumed the greater part of four days, and was termed as one of the most unusual ever tried. The value of the land involved was placed at various prices, ranging from \$10 to \$25.

The case was begun about a year ago and was won in the first hearing by the plaintiff, but on appeal to the supreme court by Mrs. Collins, a new hearing was granted, and the case came up for trial Tuesday of this week. Six lawyers, four engineers and about 25 other witnesses took part in the trial from Tuesday morning until Friday. For the plaintiff, G. C. Davis and Alley and Alley, and for the defendant Morgan, Ward and Stamey, Joseph E. Johnson and J. Bat Smathers, of Asheville contested every detail of the evidence.

Deeds dating back to 1807 and 1837 were brought into evidence and neighbors and friends of both sides were called upon to take part in the giving of the story of the case.

The lawyers, in their pleading before the jury, took about four hours in argument before the jury. Judge Walter E. Moore gave the case to the jury, which after deliberation of about forty minutes, rendered their verdict, giving the plaintiff the right to the one one-tenth of an acre in dispute.

Hazelwood News

Mr. and Mrs. George Bischoff spent Sunday at Whitsett visiting Mrs. Scott Ashe.

Mr. Everett spent the week-end with his family at Wayland, Tenn.

Mr. and Mrs. Grover Turner of Lenoir are here visiting relatives and friends. Mrs. Turner is visiting her mother, Mrs. Jim Davis, in Waynesville, who is very sick in the Haywood County Hospital.

Messrs. Vinson McElroy, Carroll Whitener, and Earl Rodgers spent Monday in Asheville.

Mr. Joe Beach of Eastern Carolina spent the week-end at the home of Mrs. L.M. Cox, visiting his family.

Mrs. Fred Kizziah returned home Sunday after spending six weeks at Burlington and Concord.

Rev. Orle C. Landrum spent three days of last week visiting at Hepco.

Mr. and Mrs. Dewey Ross and children of Crabtree have been visiting Mrs. Ross' father, Mr. J. N. Knight, during the week. Their small son, J. D., 5 years, is reported as resting fairly well in the Haywood County Hospital after a serious accident Saturday when he shot himself.

Among those attending the Home Coming Day at Iron Duff were Mr. and Mrs. Fred Vaughn and small son, Frederick, Jr.

RECENT BRIDE AND GROOM HONORED

Mr. and Mrs. Verner Truett were the recipients of a lovely shower at the home of the groom's parents, Mr. and Mrs. G. W. Truett. The home was attractively decorated with late summer flowers, in a color scheme of pink and white.

Mrs. Truett was before her marriage of September 10, Miss Marjory Cochran of Hazelwood. The honoree received many nice and useful gifts. Punch and sandwiches were served throughout the evening. There were thirty-six guests present.

BALL GAME AT MCCORMICK FIELD RAINED OUT

The Hazelwood Ball Club journeyed to Asheville Saturday of last week to engage in combat with Black Mountain, winners of the pennant in the Smoky Mountain Baseball League. Hazelwood won the pennant in the W. N. C. Industrial League, and the two games scheduled to be played last Saturday at McCormick Field were to decide the champion club in Western North Carolina amateur baseball. After two and one-half innings the game was called in account of rain.

After winning the pennant in the Smoky Mountain League, it seems that the Black Mountain management either lost confidence in their winning club, or else desired to strengthen their team so that it could not possibly be beaten. Five of their players were new men and had nothing whatever to do with winning the pennant. Three of these men played with Beacon Mills the entire season. Their big gun was in the person of "Lefty" Melton, who was occupying the mound. Lefty was originally with the Asheville Tourists, but for the past season has been playing with Baltimore International Club. Melton allowed one hit to the seven men who faced him. This hit was gotten by Burrell, star pitcher for Hazelwood.

Burrell was in rare form and only allowed one hit to the nine men who faced him. Notwithstanding the opposition that faced the local boys, it is believed that they had a chance of winning at least one of the games.

If the weather permits, a double-header will be played at McCormick Field between these two clubs Saturday of this week. No admission will be charged at the gate, but in order to defray a part of the incidental expenses a collection will be taken during the game.

Walter Burch of Clay County has increased his corn yield during the past ten years from 10 to 40 bushels an acre. Red clover and peas get the credit and County Agent Bowditch says that other crops on the farm have been increased in the same ratio.

E. J. Robeson Is Named President Of Schoolmasters

Principals Of Schools Meet Here Friday And Organize Club.

Waynesville School Masters met at the LeFaine Hotel Friday evening for the initial meeting. The eligibilities for the club are superintendents, principals and building principals. Mr. E. J. Robeson, one of the most beloved and outstanding teachers in the county was elected president of the club for the year. B. D. Bunn, superintendent Waynesville Township Schools, was elected secretary.

The program Friday evening centered around the problem of transportation. The club is going to sponsor a bill to be presented to the legislature requiring a certain number of square feet per student in each truck. One of the greatest problems of the transportation system is the crowded condition on the truck. A committee was appointed consisting of Messrs. R.C. Cannon, Clyde, F. L. Safford, Fines Creek, and C. C. Henson, Bethel, to draw up resolutions for our representatives as a guide to work out the law for the 1933 assembly.

Phases of the law relating to transportation were discussed. The principal of each school is in direct charge of each bus driver operating under his plan. Each child on the school bus is in charge of the driver and is subject to rules of the principal and driver from the moment he leaves home. Conduct on the truck is governed same as in the classroom. Also the law specifically states that no one should ride the buses save the school children, to and from school and on other school and educational trips. Permission for these trips has to be secured from superintendent and school board.

The time of meeting will be third Tuesday evening of each school month. There will be at least six more meetings and it was suggested that four of these be held in Waynesville and two in Canton. This will be decided at next regular meeting. It was unanimously decided to serve luncheon or dinner plates at each meeting. The social repast around the dinner table was considered a most valuable feature.

Members will be notified about one week in advance of the next meeting and a date for the six meetings will be set. Please place these dates in your diary so that you will have no conflicts for the future meetings.
