Fieldmice Destroy Many Thousands of Dollars Worth of Property

For a supply of green, leafy vegetables this fall and winter the vegetable gardener must make final plantings this month. "Collards and turnips are the most popular of these vegetables but for variety a few other crops such as kale, spinach, broccoli salad, and tendergreen should be added to the plantings," says E.B. Morrow, extension horticulturist at State College. "The last two mentioned are new additions to our list of green, but are proving popular with growers and consumers."

Plant At This Time For Greens In The Winter

With the damage by field mice and other rodents to orchards in North Carolina running into thousands of dollars annually, fruit growers should take steps at once to control these pests. "All orchards should be inspected at intervals during the fall and winter months to determine if these pests are present in destructive numbers," says A. E. Oman, rodent control specialist at State College. "This can readily be determined by looking for the openings determined which are the home of the mice. Since these pests feed at night or on very dark days it is impossible to see them unless the tunnels are plowed up and it is necessary to make close inspection of all orchards. According to Mr. Oman, there is very little damage from the pine...

Beauty and Health Depend on Minerals Science Discovers that Health, Beauty and Life Itself Depend on Proper Mineral Balance of the Body Beautiful Skin Sparkling Eyes Health and Beauty All Depend on Mineral Balance Lack of Sufficient Minerals and Vitamins Destroys Health and Brings on Untold Pain and Suffering. No man, woman or child can look their best, feel well and strong and enjoy life, as God intended, unless the Mineral content of the body is kept in proper balance. This fact has been proven conclusively. FOODS DEVITALIZED Modern methods of refining foods rob them of much of the Mineral content so necessary to health. Poor cooking and unbalanced diets are another source of trouble. The body is starved for the essential Minerals and Vitamins. Soon we suffer with indigestion, constipation, headaches, nervousness, pimply skin. We lose weight, feel tired and listless, fail to get enough sleep. Health deserts us and we wonder why. NATURAL WAY TO HEALTH After years of research, a new and remarkable formula has been perfected that supplies the body with the essential Minerals. This preparation is not a "patent" medicine but a scientific blending of Minerals and Vitamins that aids Nature in quickly balancing the mineral content of the body, clearing away intestinal poisons and building new strength and vitality. ARE YOU REDUCING? If so, you need Minerals to keep you strong and well. LEE'S MINERAL COMPOUND With Vitamins The Foundation of Health NOW YOU, TOO, CAN ENJOY Health, Strength and Vigor of Youth, Eat with a Keen, Hearty Appetite, Enjoy Sound Refreshing Sleep, and Feel Like Yourself Again.
