WHEN YOU RIDE ON THE SOUTHERN RAILWAY

You are assured of a comfortable seat in a modern day coach.

You are not fatigued as a result of being jostled about in a lighter form of conveyance.

You are not exhausted as a result of a nervous strain from driving an automobile your foot on the brake (figurately) while conscious of the other fellows driving.

When you ride or ship your freight via Southern Railway System, a part of your money is returned to you through some channel of trade because of its large employment of labor, purchase of materials and supplies and generous contribution to taxes in various forms, all redounding to the benefit of those residing in the territory which it serves.
