SARGON SOFT MASS PILLS ARE DIFFERENT FROM ANY LAXATIVE I'VE EVER TAKEN. THEY DON'T SHOCK OR UPSET THE SYSTEM IN THE LEAST.

Sargon Soft Mass Pills are not like any laxative you have ever taken. They are so gentle and thorough in action that there is nothing about them to remind you that you have ever taken a medicine, and most remarkable of all, their directions call for a gradual reduction of the dose until the point is reached where you no longer require a laxative of any kind.

Officials reported little trouble from the crowd. Several "were feeling too good," one official said, but were sent out of the voting place.

Many cars bore signs "Democratic Car." Even several trucks had this sign on them.

Brevard To Invade Mountaineers Field Here Friday, 3:30

Mountaineers Tied Black Mountain In Hard Fought Game Last Friday, 7-7.

After dividing honors with the Black Mountain team last Friday on the Key City's field when the Mountaineers failed to overcome a 7-7 score, Coach Weatherby put his team through tough practice the first three days of this week in an effort to get the boys in condition to romp Brevard here Friday afternoon, the Armistice Day affray.

The Mountaineers second team failed to hold the Black Mountain team at a crucial moment last Friday. Coach Weatherby took his first stringers out in order that they could rest, as only two minutes remained in the quarter, sent in his second team, but they were stiff and cold and failed to hold, and Black Mountain made their only score of the game.

Good Health Depends On Mineral Balance

Lee's Mineral Compound With Vitamins Builds Bodily Strength and Vigor by Supplying Needed Minerals and Vitamins

In the light of recent scientific discoveries, leading Physicians and Health authorities agree that the human race could be practically free from most ailments, and could live to a ripe old age if the system could be regularly supplied with a sufficient quantity of the essential Minerals and Vitamins.

DEFICIENCY OF MINERALS The process of refining modern foods; bleaching of flour, rice, sugar, etc.; together with improper cooking takes out of our foods the very things that God intended we should have.

ACIDITY DESTROYS HEALTH As the Mineral content of the body is lowered, slowly but surely the acid content of the system is increased until it finally reaches the point where the organs of assimilation and elimination cannot perform their natural functions.

AMAZING NEW FORMULA Fortunately for humanity, science has found a way to prevent most of these conditions. After years of careful research and experimentation, a new and remarkable formula has been perfected. This preparation, known as LEE'S MINERAL COMPOUND is a scientific combination of the eleven most essential Mineral Elements of the human body combined with Vitamins. It is, in any sense, a patent medicine. It is more in the nature of a FOOD "TALIZER. By supplying the system with the necessary Minerals and Vitamins, it aids nature in quickly balancing the Mineral content of the body so that good health naturally follows.
