WAYNESVILLE, NORTH CAROLINA

THURSDAY, NOVEMBER 21, 1932

HEAVY DOCKET SCHEDULED FOR CRIMINAL TERM OF COURT WHICH BEGINS HERE ON NEXT MONDAY

Three Cases Of Importance Likely To Be Tried Before Judge Sink.

The November term of Haywood County Superior Court will convene here Monday morning, November 28, with the entire docket devoted to criminal cases, with Judge H. Hoyle Sink presiding and the State represented by John M. Queen, of this city, solicitor for this district.

This term of court will have one of the heaviest dockets that has come up in many months. Besides a great number of minor cases to be tried, in this term of court there will be three major cases that are expected to be tried in this term of court. It could not be learned here just what cases Solicitor Queen would call first, as he spent all this week in court at Franklin.

The three cases which will cause the greatest interest, will be perhaps the Charlie Rose case; John Coble, and the David Clark case. Just which one of these three will be called first, if any, could not be ascertained here this week.

It is thought that the case of Charlie Rose, 17-year-old negro, who is said to have shot and killed Will Ray, deputy sheriff, early in September, will be certain to be given a trial during this term. Rose was being sought by a posse of men and officers late in the afternoon of September 6th, charged with criminal assault on a 5-year-old white girl at a local summer hotel. It was said at the time of the shooting, that Rose was running from members of the posse when he came in contact with Ray. The deputy was shot between the eyes and lived only a few hours after being shot.

Rose was captured a few hours after the shooting by Tom Lee, Jr., and Horace Duckett, and brought to jail for safe keeping Tuesday night. On Wednesday afternoon Rose was carried to the Asheville jail in the rumble seat of the car of Kenneth Lowe, son of Sheriff J. A. Lowe.

David Clark, of Lake Junaluska, is charged with killing Bradley Brooms, 28, of Jackson county on the night of July 26. Brooms was said to be walking along the highway near Clyde when he was hit by a car driven by Clark. Brooms died Wednesday night following the accident.

John Coble, local man, is charged with killing his bride of 7 weeks, Moll Nichols, also of this city. This took place about the middle of October. At the hearing witnesses testified that Coble had been quarreling shortly before the fatal shooting. The shooting took place in a house across the street from where the Cobles were living. The scene of the tragedy was Smathers Street.

The jury drawn for this term of court is:

Beaverdam: R. R. Mease, G. C. Glance, Hubert Reno; Cecil: C. M. Moody; Clyde: A. H. Dotson, R. C. Jones; Crabtree: Gordon Kinsland; East Fork: R. L. Pless; White Oak: W. H. Williams; Fines Creek: W. B. Murray; Theodore Ledford, Cauley Rogers; Iron Duff: John Chambers; Ivy Hill: Rufus Butt, A. S. Bradley; Jonathan's Creek: Medford Leatherwood; Pigeon: J. T. Cathey, G. L. Erwin; Waynesville: W. Mack Holder, T. F. Edwards, G. W. Coble, K. E. Ferguson, Chauncey Palmer, L. Crymes.

SECOND WEEK

Beaverdam: W. M. Coman, Claude Holtzclaw, Cordell Russell, W. G. Rhymer, C. M. Bladock; Cecil: C. E. White; Clyde: John Palmer, C. E. Brown, H. H. Collins; Crabtree: W. C. Kirkpatrick; Fines Creek: Z. R. Sparks; Iron Duff: Erastus Medford; Ivy Hill: Jerry Howell, W. J. Jaynes; Jonathan's Creek: Ed Morrow, Charlie Owen; Pigeon: Thomas Michal, B. W. Terrell; Waynesville: C. R. Allison, Ben Walker, H. B. Atkins, Ed Underwood; White Oak: Sam Ledford, A. G. Baldwin.

Waynesville Downs Canton 14-6 On Mud Field Friday Before 800 Drenched Fans

Playing in a steady rain with the field ankle-deep in mud, the Mountaineers slid and splashed their way to a 14-6 victory over the Canton Black Bears here Friday afternoon before 800 drenched spectators who saw the once flashy players pull back-slides, forward stomach slides, and almost every other kind of playing that a slippery field would make.

The featured run of the game was made by Allen, Canton full back, who returned a kickoff 65 yards in the final quarter. The field was so slippery that the Waynesville man could not get a foot-hold to get out after Allen.

Waynesville's first tally was made soon after the opening kick-off with Bridges carrying the ball. Reeves played a prominent part in getting the ball to scoring distance.

One of the outstanding feats of the game was the long punts gotten off by Eckenrod, Canton halfback. Time and time again this punter was called

Haywood To Receive Additional Federal Aid For Needy Soon

Plans Are Made At Meeting To Put Number Of Men To Work

At a special meeting here Tuesday afternoon of the county welfare board, the county school board, and W. A. Hyatt, recently elected chairman of the county commissioners, Miss Pearl Weaver, district supervisor of the government relief of the Western District, outlined projects and a program whereby Haywood county would continue to receive aid from the Federal government for relief of local needy.

A discussion was entered into whereby public works could be done with the Federal aid money and employ only those in the county that needed work and financial help at this time. It is not his purpose of the relief to give cash to those asking for help, but give them work on a project that needs attention at this time. However, it was pointed out that families needing help and not able to work will be helped, but not all such cases are given a thorough investigation.

Mr. Hyatt explained that the new board of commissioners thought it was best to have a committee in each community to report all cases where help was needed to the central welfare body at Waynesville and also make suggestions of projects to be worked on in each community. This plan met with the hearty approval of Miss Weaver and members of the two boards present.

One project that was mentioned was the building of a sidewalk at the West Canton school, as the present situation there was considered most dangerous as the 200 school children walk on the highway and are careless about looking out for cars.

Among the projects mentioned will include work on public roads, school grounds, and buildings, and public cemeteries. Reports of these projects will be made out within the next few days and sent to Raleigh. Several hundred men can be employed on the projects outlined at the meeting. The wage scale will be in keeping with the scale of labor it was pointed out.

Those attending the meeting were most enthusiastic over the prospects of obtaining more of the Federal relief fund, which will aid greatly in giving relief to the needy of this county this winter.

The question of obtaining Red Cross cloth was brought before Miss Weaver who said that it would be necessary to appoint a local committee of women to look after the distribution of this cloth before an order would be placed for this cloth. A committee of four women was named and met with Mrs. Weaver Tuesday night to complete arrangements for getting the cloth for this district.

BOY KILLS HIS FATHER IN MISTAKE FOR BURGLAR

Tyler, Texas.—Joe S. Alexander was shot and killed by his own son in the hallway of his own home when he mistook him for a burglar.

WIFE'S COOKING CAUSES DIVORCE

Oakland, Cal.—Two married daughters of Mrs. Michael L. Connolly defied their mother's cooking, but failed to convince the judge. He granted Connolly a divorce on grounds of "gastronomical indecency"—otherwise cruelty.

Election Cost This County Over \$1,000

The recent election cost Haywood county \$1,006.39, according to a statement issued from the office of the county auditor, W. H. Noland.

The distribution by precincts is as follows: Beaverdam, No. 1, \$64.53; Beaverdam, No. 2, \$59.45; Beaverdam, No. 3, \$71.42; Beaverdam, No. 4, \$62.98; Beaverdam, No. 5, \$70.67; Beaverdam, No. 6, \$73.54; Cecil, \$44.01; Clyde, \$48; Cataloochee, \$30.21; Big Creek, \$31; Crabtree, \$49.50; East Rock, \$43.80; Fines Creek, \$51; Ivy Hill, \$51; Iron Duff, \$36; Jonathan, \$54.45; Pigeon, \$57.03; North Waynesville, \$36.50; South Waynesville, \$63; and White Oak, \$41.30.

MARION ELEVEN PLAY HERE, 2:30 THANKSGIVING

Visitors Are Champions of Western Conference. Will Bring Good Team.

The Mountaineers are anxiously awaiting the final game of the season when they meet the Champions of the Western High School Conference, Marion eleven on the local field at 2:30 o'clock Thanksgiving afternoon.

News coming here from Marion shows that the visitors are bringing to Waynesville one of the best teams ever seen in this section. The Marion team has played 10 games this season, having won 8, tied 1 and lost 1. The only loss was to the Hickory eleven and then the score was only 6 to 0.

The average weight of the Marion team is about 165 pounds, the heaviest man weighing 172 pounds.

The Mountaineers came through the Canton game in splendid condition with the exception of a few minor bruises. To date the local eleven has played 8 games, having 6 in the won column, 1 tied and one lost.

Coach Weatherly stated that he would use the same lineup in the Canton game that he used in the Canton game. If the field is dry Thursday, the Mountaineers will have the advantage of the Marion boys, but if the field is wet the heavy Marion team will have that advantage, although after the Canton game the Waynesville lads should know how to splash mud.

The game Thursday will doubtless bring out a larger crowd than the Canton-Waynesville game, since it will be played on a holiday and then too, it will bring together the two outstanding teams of their class west of the foothills.

A comparison of games played shows the following:

Marion 12	Biltmore 9
Marion 12	N. Wilkesboro 9
Marion 6	D. & D. 9
Marion 0	Crossroad 9
Marion 13	Glen Alpine 9
Marion 7	Lenoir 9
Marion 6	Rutherfordton 9
Marion 9	Hickory 9
Marion 19	Forest City 9
Marion 7	Chillicothe 9

Waynesville 10	Sylva 9
Waynesville 0	Asheville 13
Waynesville 13	Christ School 6
Waynesville 20	Hendersonville 6
Waynesville 58	Franklin 9
Waynesville 7	Black Mountain 7
Waynesville 52	Brevard 19
Waynesville 14	Canton 6

In the Waynesville-Marion game there will be plenty of Pattons. The Marion team has three brothers that play in the line bearing that name, while the flashy Waynesville end will be in there fighting for a berth on the All-Western North Carolina team.

Red Cross Flour Is Ordered For County

W. C. Allen, chairman of the Red Cross Chapter, announced this week that since the welfare officer had been appointed and gone to work in this county, that he had ordered a carload of the Red Cross flour for distribution to the needy this winter through the welfare officials.

The carload of flour ordered consists of 220 barrels, or 43,120 pounds. The flour is expected almost any day, Mr. Allen stated.

The Weather

The lowest official reading for Waynesville, according to S. H. Stevenson, weather observer, was 23 on last Sunday morning.

The official records for the past few days are:

Date	Max	Min	Rain
15	65	24	
16	58	46	.10
17	55	38	
18	50	33	.21
19	50	33	
20	53	23	

\$2,400 Is Received By County For The Relief Of Needy

According to W. H. Noland, county auditor, Haywood county has received to date \$2,400.00 dollars from the state federal poor fund appropriation and something like \$800.00 more is expected during the next few days, thus making a total for the county of \$3,200.00.

This \$3,200 is part of the \$850,000 received by the state from the federal government for helping the need of this state this year. Plans are under way whereby the county may obtain a similar amount after Christmas for the carrying on of this work.

CANTON GIRL IS KILLED IN AUTO WRECK SUNDAY

Two Automobiles Crash On Canton Main Street Early Sunday Morning

Helin Schenks, 22, employee of the Champion Fibre company, was almost instantly killed, her car, Earl Poes, 22, sustained serious injuries, and Dewey Stevenson, 19, in the Northburn hospital, in Asheville, with a fractured jaw bone, hip injury, and deep lacerations on the left side of what is known as a "road rash" on the left side of her face, were killed in the collision of two automobiles on the intersection of North Main and Newfound streets in Canton at 12:30 o'clock Sunday morning.

Immediately following the accident the injured parties were rushed to the office of Dr. W. C. Johnson where Miss Schenks died of internal injuries five minutes later. She never regained consciousness. Dr. V. Howard Duckett was called in to assist Dr. Johnson.

Poes, her companion who was driving the car suffered lacerations about the face and head, which resulted in the loss of much blood, according to physicians. He remained in the hospital rooms of Dr. Johnson's office Sunday gradually recovering, it was learned.

Dewey Stevenson, driver of the second car was unaccompanied at the time of the accident it was learned through Chief of Police A. G. Russell, who was conducting an investigation today, sustained a deep scalp laceration, an injured hip and a fractured jaw bone, physicians said. Fear that complications might develop from the injuries prompted Dr. Johnson to have him removed to Northburn hospital early Sunday morning. He was reported to have rested comfortably during the day Sunday.

According to police Poes, accompanied by Miss Schenks, was driving down North Main street, while Stevenson was driving on Newfound street. Traffic lights had been extinguished at midnight.

Neither driver is believed to have seen the other as they approached the intersection which is blinded by a stone wall. In an effort to avoid a collision, Poes is thought to have swerved to the left, the Stevenson car striking his auto. The Poes car plunged into the brick front of a building throwing Miss Schenks clear of the machine. Both machines were damaged. Charlie Branson, first to reach the scene, removed Miss Schenks from the wreckage.

Surviving Miss Schenks are: her mother, Mrs. Ellen Schenks, and the following brothers and sisters: Mrs. E. C. Payne, of Canton, Mrs. Walter Evans, of Asheville, and Joe Sam, of the Oxford Orphanage, and Adron Schenks, Jr., of the Asheville Farm school.

Stevenson is the son of James Stevenson of Canton, and an employee of the Canton drug store, and an outstanding Canton high school football star.

Poes, whose home is in Georgia, is an employee of the Champion Fibre company and has one brother in Canton, Cathey Poes.

Nine Attend National Grange Conference From Haywood County Friday

A party of nine from this county attended the national Grange meeting in Winston-Salem last Friday. The party attended the conference and took the 7th degree work.

This is the first time in 40 years that the Grange convention has been held in the south. This year approximately 150 Grange organizations have been organized in the state.

The ritualism of the Grange is built around the facts and beauties of rural life, and tends to develop a fuller appreciation of its opportunities and advantages.

Those attending from here included Mr. and Mrs. W. D. Smith, Jas. L. Robinson, E. I. Pinner, Mr. Francis, Rufus Ratcliff, Frank Leonard, and Clem Leonard.

SCENIC LOOP TRIP THROUGH THE GREAT SMOKY MOUNTAIN NATIONAL PARK TO SEA TO BE ADVERTISED

Col. Robins Is Said To Have Been Here, No Traces Found

Rumors Of Famous Dry Leader's Visit Here Have Not Been Verified.

Colonel Raymond Robins, nationally known dry crusader, who disappeared from a New York hotel the evening before his scheduled conference with President Herbert Hoover, was found at Whittier, a few miles beyond Sylva, on last Friday morning after a nation-wide search had been made for the lost man.

Colonel Robins was found through the efforts of Carl Fisher, 13-year-old school boy, who saw Colonel Robins' picture in a newspaper and wrote the paper that he thought the sought-for dry leader was living at Whittier under the assumed name of "Rogers."

Saturday morning the Colonel was returned to Asheville and placed in a room there for observation. Up until Monday night he did not recognize anyone and could not remember any of the events of his past life. He did not recognize his wife Sarah Sunday night, but did rally and called her by name Monday afternoon at the hotel.

Physicians stated that the Colonel would be left alone in quiet for several days until he regains his memory of the past.

From the time he disappeared from New York until last Friday several service men were constantly on the trail of their man. It was feared for a time that he had been kidnaped by some of the forces whom he was working against in his crusade against whiskey.

During his stay at Whittier he often took long trips into the mountains and spent the day. He told no one his business, and seemed to have money but never displayed any great amount. He received very little mail during his stay in the mountains, only an occasional package from mail order houses which contained articles of clothing.

News dispatches from New York indicated that Carl Fisher will receive the reward for finding Colonel Robins. The amount was not revealed, but whatever the amount is, Carl says he will accept it.

Stores Here Will Be Closed All Day On Thanksgiving

As a result of a petition passed around the city Tuesday afternoon, 19 merchants and business houses signed up that they would close their stores and places of business all day Thursday in observance of Thanksgiving. It is understood that some business houses that did not sign the petition are scheduled to close for the day.

Those signing the petition were: Eagle 5, 10 and 25c Stores, Massie Dept. Store, McCracken Clothing Company, J. M. Mook, C. H. Ray, C. E. Ray's Sons, Massie Furniture Company, Waynesville Book Store, Ruth Ray Beauty Shop, J. C. Ross, Martin Electric Co., Blue Ridge Furniture Co., Sluder-Garrett Furniture Co., W. T. Denton, Ferguson Grocery, Waynesville Hardware Co., Burgin Brothers, Morris Grocery, G. C. Ferguson.

Union Service And Football Game To Be Main Attractions For Waynesville's Thanksgiving

Final preparations were being completed today by Waynesville and Haywood county to observe Thanksgiving Day today. There will be little diversion from the usual program of Thanksgiving Days. In the morning a union service will be held at the Presbyterian church at 8 o'clock, with Rev. L. B. Hayes delivering the address of the hour. Special music has been arranged for the service, and the usual large number of Thanksgiving worshippers are expected to be present.

At 2:30 in the afternoon the Waynesville high school football team will play the Marion team, champions of their section, on the local field.

Outside of the two events named above nothing has been planned for the public. The courthouse and city offices will be closed for the day. The postoffice will be closed all day, although mail will be placed in the boxes and in-morning and out-going mail dispatched, but there will be no deliveries.

Waynesville Will Be Included On Route From Charleston To Park.

A scenic loop motor trip between the Great Smokies and Charleston, S. C., has been proposed by the Hendersonville Chamber of Commerce which announced that the Grady Hunt Publications of Asheville, will compile and publish the booklet which will be self-supporting through the sale of advertising space.

Mr. Hunt, who recently published the first booklet ever issued descriptive of N. C. Highway 28, extending from the Virginia to the Tennessee line forming a link of the Eastern National Park-to-Park Highway, has agreed to compile the material for this booklet which embraces the Great Smokies, a number of South Carolina cities and the Atlantic Seaboard at Charleston.

The southern terminal of the loop trip, starting at Charleston, will include lateral and contiguous highways passing through Summerville, St. George, Bamberg, Greenwood, Greenville, Brevard, Pisgah National Forest, Waynesville, Bryson City, the Great Smoky Mountains National Park, Waynesville, Tenn., Newport, Knoxville and Marshall, N. C.

The central and northern section of the loop includes Asheville, Hot Springs, Greenville, Newberry, Columbia, Spartanburg, Orangeburg, and thence to Charleston, completing the surpassingly scenic and scenic tour.

The booklet, which is to have a beautiful drawing as its cover, printed on cream-colored paper throughout and liberally illustrated, is designed to attract more 25-cent motor tourists, encourage a co-operative and friendly attitude between the sections it will serve, and to stimulate an exchange of vehicles, maps, etc., made over excellent highways.

Mr. Noah Hollowell, secretary of the Hendersonville Chamber of Commerce, conceived the idea. He has received letters of endorsement to date from the Chambers of Commerce at Charleston, Orangeburg, Brevard, Waynesville, Spartanburg and Asheville.

"A minimum of 10,000 copies will be printed and the publication will be held up to a high standard," Mr. Hunt stated. "Each Chamber of Commerce will assist in the distribution of this literature to a selected group of interested people. Road logs, road maps and accurate highway information will be included in the contents. The publication of our recent booklet on the Eastern National Park-to-Park Highway convinced us that there is a definite demand for this type of information" he stated.

Thos. W. Spurlock Joins Sluder-Garrett Undertaking Company As Embalmer

N. W. Garrett, owner of Sluder-Garrett Furniture and Undertaking Company, announced yesterday that Thomas W. Spurlock, of Jacksonville, Fla., had joined the firm as embalmer and assistant funeral director.

Mr. Spurlock's home is in Atlanta, where he worked with some of the largest undertaking establishments in that city. Later he was employed in Macon and Jacksonville in other funeral homes. Mr. Spurlock came to this city highly recommended, and with 10 years experience in the undertaking business. His past connections have given a varied experience in the work.

Mr. and Mrs. Spurlock have moved into the Kirkpatrick Apartments, Mr. Spurlock being a graduate nurse and assistant to her husband will continue in that capacity when called upon, it was said.

Union Service And Football Game To Be Main Attractions For Waynesville's Thanksgiving

Sunday hours will be observed. Most of the stores and business houses of the city have signified their intention of closing for the greater part of the day and many will be closed the entire day.

Places of business that remain open on Sunday's are expected to observe Sunday hours throughout the day.

The housewife this year has found that the Thanksgiving dinner can be purchased more economically than at any time during the past number of years. A menu given on another page in this paper sets forth a bountiful meal including turkey and all "trimmings" which can be had for about 30 cents each.

The usual number of college students returned home to spend the holiday with their parents and friends. Students of the local school will have a two-day holiday, according to school authorities. The same holidays will be observed by Tuscola Academy, it was announced.
