A passage of scripture was read and prayer offered and all present stood in silence for a minute in respect to Mr. Ray.

Mr. W. B. Barrows, superintendent in charge of construction, halted the workmen at 3 o'clock for five minutes in respect to Mr. Ray.

Mr. Ray was born here, June 15, 1896, the son of Mr. and Mrs. Charles E. Ray. He was educated in the public schools of this city and later attended Trinity College. He left this school before graduating to enlist in the United States army during the World War.

Several years ago Mr. Ray with others bought the Royal Manufacturing Company, at Canton, manufacturer of Mountaineer Overalls and work shirts. He later sold his interest in this firm.

RESOLUTIONS OF RESPECT

Whereas, God in His infinite love and all-wise providence has removed from rich service here to richer service in the life abundant the Chairman of our Board Bonner Ray, our co-laborer, our brother, our friend.

And whereas, he has served the Board of Stewards of the Waynesville Methodist Episcopal Church, South, so efficiently, so sacrificially, and so faithfully.

Therefore be it resolved, that while we bow in humble submission to the will of God, we can but lament and deplore the irreparable loss suffered by our church and our community in the death of Bonner Ray. The whole church has lost one of its most beloved and useful members, whose life has been an inspiration and help to his fellow workers in the Kingdom of Christ, one whose example is worthy of emulation, and one whose fine consecration and loyalty to God and the church has made it easier for those who came in contact with him to live worthier lives; his family a most devoted husband and father, and the community a God-fearing and dependable citizen.

Be it further resolved, that while we thus mourn his loss, that we pray the Heavenly Father may cause his mantle to fall upon someone who will take up the task he loved so well and carry on.

Be it further resolved, that we extend to the bereaved family our Christian love and sympathy and pray that that Peace which passeth all understanding may abide with them.

Be it further resolved, that a copy of these resolutions be sent to the the parents, a copy to the wife and children, a copy recorded in the minutes, a copy to the local paper and a copy to the North Carolina Christian Advocate.

O. T. ALEXANDER, E. L. WITHERS, JAS. ATKINS, Jr., Committee of the Stewards.

SENATE GAVE W. R. FRANCIS' BEER REPORT TUESDAY BILL FAVORABLE

(Continued from Page 1)

of age be allowed to buy beer and prohibits anyone giving such a person beer.

3. A tax of \$2 per barrel of 31 gallons and two cents per bottle of 12 ounces.

4. No manufacturing of beer in the state.

5. A limit to the places in which beer may be sold so as to prohibit "back gardens."

FACING THREE MORE BARRIERS

Three additional barriers remain to be cleared if beer is to be legal in North Carolina. The bill must pass three readings in the senate, be referred to the house where, under normal legislative procedure it will go to a committee, and from that committee to the floor of the house.

To date, no liquor bill has received favorable report from a committee of the general assembly. A house judiciary committee at first reported favorably on a bill similar to the Francis measure, but reversed itself when the bill was re-referred.

The dry forces, led by Dr. W. L. Potent, president emeritus of Wake Forest college and long a dry leader, opened the debate before committee. Proponents were scheduled to have been heard first but Francis yielded the floor to Dr. Potent.

"It's just a question of whether North Carolina will sell her birthright for a mug of beer," Dr. Potent declared referring to the revenue proposed in the measure.

"I was followed by Dr. E. McNeill Peck, Raleigh pastor, who declared the bill would not realize \$1,500,000, yearly as has been estimated.

"Why that would entail the drinking of 149 glasses of beer per person per year," the Raleigh pastor said. "Who would drink that much?"

REFERENDUM URGED

"We'll drink it!" shouted someone from the gallery.

Dr. Powell Tucker, Raleigh minister, pleaded with the committee for a referendum. "Are you afraid to put it up at the polls?" he shouted.

Others appearing in the dry cause were: Mrs. W. B. Lindsay of Charlotte, state president of W. C. T. U.; W. Kerr Scott, state master of the National Grange; W. H. B. Jones, secretary of the United North Carolina Dry Forces; Rev. T. D. Collins, of Durham; Rev. J. S. Farmer, of Raleigh; Mrs. W. T. Duckett and N. E. Edgerton, of Raleigh; and Dr. M. T. Plyer, editor of the Christian Advocate.

Clem Wright, of Greensboro, voiced the beer contingent's theme song when: "Oh rather have money paid into the coffers of North Carolina than to see it go to bootleggers."

Representative Basil Boyd of Mecklenburg, looking directly at Dr. Potent, declared "I'm a Baptist and a Wake Forest man, but I feel I would be derelict in my duty if I did not work for passage of this bill. The people of Charlotte have given me an undeniable mandate for change in the dry laws. We know, if we will stop kidding ourselves, that prohibition in North Carolina is a failure and a farce."

Charles T. Leviness, Greensboro attorney, presented a petition he said was signed by 1,000 Guilford county citizens.

Dr. L. B. McBraver, Southern Pines physician, told the committee that North Carolina's vote for Roosevelt amounted to a mandate for repeal of the state dry law.

Robert Lassiter of Charlotte, presented figures to show that arrests for public drunkenness in Charlotte had increased 400 per cent since institution of prohibition.

POISON in Your bowels!

Poisons absorbed into the system from souring waste in the bowels, cause that dull, headachy, sluggish, bilious condition; coat the tongue; foul the breath; sap energy, strength and nerve-force. A little of Dr. Caldwell's Syrup Pepsin will clear up trouble like that, gently, harmlessly, in a hurry. The difference it will make in your feelings over night will prove its merit to you. Dr. Caldwell studied constipation for over forty-seven years. This long experience enabled him to make his prescription just what men, women, old people and children need to make their bowels help themselves. Its natural, mild, thorough action and its pleasant taste commend it to everyone. That's why "Dr. Caldwell's Syrup Pepsin," as it is called, is the most popular laxative drugstore sell.

Discarded Silver And Gold Articles Being Collected

Baptist To Use Money In Carrying On Church Work In State.

Next Sunday morning, members of the First Baptist Church and others, have been asked to make besides their regular cash contribution, a gift of old discarded gold and silver articles usually found around any home. Such pieces as old rings, old watches and spoons will be contributed.

The old gold and silver will be sent to Raleigh and from there to a concern in Philadelphia which will buy the metals and send the money back to this state to be used in paying off some of the indebtedness and the carrying on of the church work in the state and the south.

It is expected that several hundred thousand dollars worth of the old metals will be sent in from this state. Hundreds of people throughout the state have signified their intention of parting with old gold and silver articles that will never be of any particular value other than for sake of sentiment.

Practically all Baptist churches in the state are cooperating in this movement.

Supt. A. J. Hutchins Addresses Parent-Teacher's Council

Superintendent A. J. Hutchins, of the Canton schools, delivered an interesting and timely address on the topic, "Safeguarding Youth," at the regular monthly Parent-Teacher Council Monday evening. He stressed the necessity of parents and teachers using all means available to train youth to face life's difficulties at this time. The importance of using the proper safeguards was pointed out.

Further plans for orientation day and clinics for pre-school children were discussed. The group decided to sponsor public initiation for the officers of the various Parent-Teacher units in the Waynesville Township schools. A committee composed of Mrs. Theo. McCracken, Mrs. M. H. Bowles, Mrs. John Bialock, Mrs. Dewey Noland, and Mrs. Frank Ferguson was appointed to formulate plans for the initiation service.

Mrs. Theo. McCracken, who was the first president of the Waynesville Parent-Teacher Council was appointed historian of the organization. All local units were urged to appoint historians for their respective Parent-Teacher work from its beginning in the Waynesville Township schools. If you know a bit of Parent-Teacher history report to the historian. It will be greatly appreciated.
