Use This Laxative made from plants

Theodor's BLACK-DRAUGHT is made from plants that grow in the ground, like the garden vegetables you eat at every meal. NATURE has put into these plants an active medicine that stimulates the bowels to act—just as Nature put the materials that sustain your body into the vegetable foods you eat.

WAKE UP YOUR LIVER BILE—WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rin' to Go

If you feel sour and sank and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two rounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels, can't blow up your stomach. You have a can't-breathe-up-your-breath feeling. Your skin often breaks out in pimples. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those rods, old FARTHER'S LITTLE LIVER PILLS, to get these points of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, an iron tonic to make the bile flow freely when it comes to making the bile flow freely.

Just don't take liver pills. Ask for Carter's Little Liver Pills. Look for the name, Carter's Little Liver Pills on the red label. Resist a substitute. 25c at all stores. © 1932, M. C. C.
