The day after MOTHER'S DAY is wash day
Sunday, May 14, is dedicated to Mother. On that day we render homage to her devotion, her courage, her self-sacrifice. And no tribute can be too great. But the next morning will find Mother in many homes going back to the same weary, dreary task of washing the family's clothes. She will not complain. But how she longs for relief from this heaviest of all household burdens and how easily it can be lifted out of her life, forever! Our modern method does the washing even better than Mother can do it for we use hundreds of gallons of pure, soft water on each family bundle. And clothes washed our way last longer in the long run cost no more than those done at home. Phone for our route-man now. Make your Mother's Day tribute last throughout the year!
