## One Half Of Tax-payers Have Paid 1932 County Taxes

It was learned at the tax collector's office this week that approximately one half of the 8,000 taxpayers of this county have paid their 1932 taxes. These 4,000 taxpayers have paid in practically 75 per cent of the \$350,000 tax assessment for the past year.

Since it was announced that property would be sold for taxes soon, there has been an increase in the receipts of the treasurer.

## Splendid Program Heard At District C. Of C. Meeting

Short Pointed Talks Were Made At Banquet Held In Masonic Temple

Tuesday night about 50 members of the Waynesville District Chamber of Commerce met for a supper-meeting in the Masonic Temple which was a "get-together" affair for the members of the organization and at which time a formal program which had been prepared by Mrs. Helen C. Matthews, secretary of the organization, was rendered.

Those attending were enthusiastic over the outlook for this community, and a spirit of optimism was shown throughout the entire meeting.

The program as carried out was as follows: Introduction of Mr. Stentz by President C. M. Dicus. Mr. Stentz led the members in singing and acted as toast master of the occasion.

The invocation was given by Rev. H. W. Baucum.

The official welcome given by President Dicus was followed by short talks on the following subjects: "A New Chamber of Commerce," by Harry M. Hall.

"A New Civic Ideal," Mrs. Matthews.

"A New Park," W. D. Smith.

"A New (Future) Waynesville," C. E. Ray, Jr.

"A New Bird," Mrs. Matthews.

One of the most enjoyable features of the evening was a debate by two of Waynesville's young lawyers, on the query: "Resolved that a wide awake District Chamber of Commerce is of greater benefit to this section than the Great Smoky Mountains National Park." William Medford spoke on the affirmative and Lee F. Davis on the negative.

Following the debate the audience, led by Mr. Stentz, sang several popular songs.

Dr. Linton of New College, made the closing address of the evening.

## Mountaineers To Play Andrews On Friday, Sept. 22

Team This Year Is Same Weight As Last Year. Tough Schedule Ahead

The Waynesville Mountaineers will open their football season here Friday afternoon, September 22nd with the strong and fast Andrews team, playing on the new field. The Andrews team only lost one game last season.

During the past ten days the Mountaineers under the direction of Coach Weatherly have been put under severe drilling and are beginning to show signs of a winning team, which is being built around five regulars from last year's team.

"This year's schedule is the toughest schedule that we have had since I have been here," Coach Weatherly said yesterday. The schedule includes Asheville High, Christ School, Asheville School for Boys, Hendersonville, Hayesville and Canton. Other games are pending.

The five regulars that are fighting hard for berths on this year's team include Patton, end; Garland, tackle; Bridges, halfback; Khume, halfback and Reeves, quarterback.

Other players that are showing up well in practice and will likely see action are: Atkins, Wagenfelt, Summerrow, Wyatt, Justice, Kuykendall, and Garrett Reeves.

The men in the line that are at present playing outstanding ball include: Limer and Francis at guard; Ross, Hill and Hyatt at end; Phillips and Ruff at tackle and Burgin and Mack Davis at center.

Coach Weatherly stated that the team would likely average 145 pounds. This is the same weight as last year's team.

## \$125,000 Allotted To Park Roads-Trails

The Federal emergency administration of public works announced last week that \$125,000 had been allotted for fire trails and roads in the Great Smoky Mountains National Park in this state and Tennessee.

## William A. Johnson, 73, Buried Tuesday

Funeral services for William A. Johnson, 73, who died Monday at his home in the Hyder Mountain section of Haywood county, were held Tuesday morning at 10 o'clock at the Hyder Mountain Methodist church, of which he was a faithful member.

Mr. Johnson is survived by his widow and the following children: Mrs. C. A. Greer, of Gastonia; Mrs. T. B. Henry, of Union, S. C.; Mrs. Ralph Haley, of Charlotte; W. P. Johnson, of Paw Creek; and one brother, B. M. Johnson, of Kanapolis, and several grandchildren.

## Clyde Chief Of Police Is Bound Over To Court Under \$1 000 Bond For Assault

George Rogers, chief of police of Clyde, was bound over to the November-December term of Superior Court under a \$1,000 bond charged with assaulting Wayne Medford on the streets of Clyde late in the afternoon of September 5th. Hugh Rogers, deputy policeman of Clyde, and son of the chief of police, was not held. He was charged with aiding and abetting the assault.

The hearing was held before Magistrate G. C. Ball at the court house here Monday morning. The hearing consumed over two hours and the magistrate's court room was practically filled to capacity with interested spectators.

From the evidence, it was shown that some young men of Clyde and vicinity have been in the habit of riding through the streets of Clyde and calling Chief Rogers names. It was said that the night before the alleged assault took place that a car of young men passed by Chief Rogers and called him the names he resented.

The next afternoon, as Wayne Medford was leaving the store of Edwin Fincher and Company with groceries, going to his car in which his wife was waiting, Chief Rogers called to Mr. Medford to wait as he wanted to say something to him. Medford waited and Rogers accused him of calling him names. This was denied by Medford and then it was, witnesses testified, that Chief Rogers began hitting Medford with his fist and then his blackjack.

Mrs. Medford testified that she called to Chief Rogers not to hit her husband but to arrest him. Chief Rogers told her, according to her testimony, that "I don't want to arrest him. I have nothing to arrest him for. I want to kill him."

During the course of the fight, Chief Rogers is said to have hit Medford between 15 and 25 times with his blackjack. Medford used his fist freely during the affray, and Chief Rogers suffered several bruises and cuts in his face. The bruises could be clearly seen at the trial Monday morning.

Jeter Hawkins saw the men fighting and thought that the policeman was trying to arrest Medford until he heard Mrs. Medford call to the officer

## Truck Load Of Tomatoes Being Shipped Saturday

The first truck load of tomatoes to leave this county for the Florida market is scheduled to leave here Saturday night and reach Florida in time to unload early Monday morning. The shipment is being sponsored by the Vocational Department of the Township school under the direction of W. D. Smith.

The tomatoes will be shipped green. It is expected that several other truck loads will be shipped from here during the next few weeks.

Mr. Smith said yesterday that there is still room on the truck for a few more tomatoes, and all those who would like to get in on the shipment should get in touch with him at once.

Two cent per pound is being paid for the tomatoes at the truck.

Mr. and Mrs. M. B. Owen, of Atlanta, Georgia, who have spent the past week at the home of Mrs. S. T. Graves, returned to their home Thursday.

## REVIVAL STARTS A T METHODIST CHURCH SUNDAY

Dr. Luther B. Bridges, Outstanding Evangelist, To Conduct Services

Dr. Luther B. Bridges, evangelist, will be the preacher in a series of evangelistic meetings which begin Sunday morning, September 17, in the Methodist church. Services will be held twice daily. The morning service will be at ten o'clock and the evening service at seven-thirty o'clock.

Dr. Bridges is one of the foremost evangelists of the Southern Methodist church. He was the first man to be appointed general evangelist of the church. He has held successful revival meetings in every type of church in the connection. He is a man of wide and varied experience. Several years ago he was selected by the late Bishop Brancham to accompany him to Europe where he assisted the bishop in founding the Belgian, Czech-Slovak, and Polish missions.

The pastor of the Methodist church, the Rev. Wade Johnson, has assurance of the support and cooperation of the pastors of the city in this revival. An earnest invitation to the general public is extended to attend and help in this meeting.

It is the sincere desire of the board of stewards that as far as possible no business or social engagements will be made in conflict with these services.

"Let us get together and have a soul stirring, community sweeping, old-fashioned genuine revival meeting," Rev. Johnson said yesterday.

## 22,785 Teachers Allotted In State

Total of 206 Teachers Allotted For Haywood County For New Term

Allotment of 22,785 teachers to North Carolina's 100 counties and 69 city administrative units for the 1933-34 scholastic year was announced Saturday by the State School Commission.

The figure represented a slight decrease as compared with the 22,807 teachers allotted in 1932-33, but Leroy Martin, secretary of the school commission, said it was anticipated that other teachers would be added after the opening of schools as was done last year.

This will mean, he said, that the total number of teachers allotted this year "will in the end exceed last year."

Meanwhile, Attorney General Dennis G. Brummett issued a statement explaining his long vote in the State Board of Education for a ten per cent increase in the salary schedule for teachers, ranging from \$45 to \$90 a month for the eight months of the State-supported term.

The intent of the sale, tax law, the attorney general said, was that if receipts exceeded estimates, teachers' salaries should be increased, as they will be reduced if the levy fails to raise sufficient funds.

He quoted States Treasurer Chas. M. Johnson as saying any surplus collections would be paid on the State's debt. The revenue act, Brummett continued, justifies the view that the General Assembly intended that the teachers should at least share with the bondholders in anticipated excess collections. He pointed to Budget Bureau estimates of a \$4,000,000 surplus for the general fund and \$11,000,000 for the highway for this biennium.

Approximately \$12,500,000 of the State's \$16,000,000 school fund will be needed to pay the 22,785 teachers the salary scale adopted, which is one of the lowest in the history of the State.

Of the total number of teachers allotted 15,263 were for white schools and 7,522 for Negro schools. The white schools were allotted 7,869 high school teachers and 12,394 elementary teachers, while only 671 of the Negro teachers were high school and 5,824 for elementary schools.

Haywood county was allotted 134 white teachers, 4 colored, making a total of 138 exclusive of Beaverdam. In Beaverdam township, which has a charter of its own, there was allotted 66 white teachers, and 2 colored. The total in this county is 206.
