

IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL LESSON

Lesson for October 8 SAUL IN DAMASCUS

LESSON TEXT—Acts 9:1-31. GOLDEN TEXT—Therefore if any man be in Christ, he is a new creature...

1. Saul's Violent Hatred of the Lord's Disciples (vv. 1, 2). He knew full well that unless the movement set on foot by Jesus was stopped it would supersede Judaism...

2. A voice from heaven (v. 3). The time had now come for the Lord to intercede. Saul was stricken with blindness and fell to the earth.

3. Saul entering Damascus (vv. 7-9). The savage persecutor went quite humbly into Damascus, led by his attendants where for three days he remained blind and fasted.

4. Ananias Ministers to Saul (vv. 10-19). Ananias' vision (vv. 10-12). He was instructed to go to Saul, given the name of the street and Saul's host.

5. Saul Preaching in Damascus (vv. 20-25). What he preached (v. 20). He preached Christ, that he is the Son of God. This is the heart of the message of every minister and Sunday school teacher.

6. People amazed (v. 21). They knew that the very one who had been the leader in persecuting the Christians in Jerusalem and had come to Damascus for the express purpose of bringing them bound to the chief priest, was now passionately advocating that which he had vehemently sought to destroy.

7. Jews confounded (v. 22). Saul increased in spiritual strength and knowledge so that he confounded the Jews, proving that Jesus was not only the Son of God, but their Messiah.

8. The Jews sought to kill him (vv. 23-25). Being unable to meet his skillful use of the Scriptures, they took counsel how that they might destroy him. So intent were they upon killing him that they watched the gate of the city day and night that they might take him. He escaped their wrath, being let down at night in a basket by the wall.

9. Words of Wisdom. There are many men who have a dyspepsia of books. God sends us no trial, whether great or small, without first preparing us. Prayer and pains, through faith in Jesus Christ, will do anything.—John Elliott.

10. Nothing earthly will make me give up my work in despair.—David Livingston.

Use This Laxative made from plants

Theford's BLACK-DRAUGHT is made from plants that grow in the ground, like the garden vegetables you eat at every meal. NATURE has put into these plants an active medicine that stimulates the bowels to act—just as NATURE put the materials that sustain your body into the vegetable foods you eat.

In Black-Draught you have a natural laxative, free from synthetic drugs. Its use does not make you have to depend on cathartic chemical drugs to get the bowels to act daily.

Note you can get Black-Draught in the form of a SYRUP, for CHILDREN.

For Pain Relief In Minutes

Demand And Get

GENUINE BAYER ASPIRIN

Because of a unique process in manufacture, Genuine Bayer Aspirin Tablets are made to disintegrate—or dissolve—INSTANTLY you take them. Thus they start to work instantly. Start "taking hold" of even a severe headache; neuralgia, neuritis or rheumatic pain a few minutes after taking.

And they provide SAFE relief—for Genuine BAYER ASPIRIN

does not harm the heart. So if you want QUICK and SAFE relief see that you get the real Bayer article. Always look for the Bayer cross on every tablet as illustrated, above, and for the words GENUINE BAYER ASPIRIN on every bottle or package.

GENUINE BAYER ASPIRIN DOES NOT HARM THE HEART

VERY LIKELY "Do you have running water in your summer cottage?" "I shouldn't be surprised, I let my husband lock it up this year."

Why Hospitals Use a Liquid Laxative

Hospitals and doctors have always used liquid laxatives. And the public is fast returning to laxatives in liquid form. Do you know the reasons?

The dose of a liquid laxative can be measured. The action can be controlled. It forms no habit; you need not take a "double dose" a day or two later. Nor will a mild liquid laxative irritate the kidneys.

The right liquid laxative brings a perfect movement, and there is no discomfort at the time, or after.

The wrong cathartic may keep you constipated as long as you keep on using it! And the habitual use of irritating salts, or of powerful drugs in the highly concentrated form of pills and tablets may prove injurious.

A week with a properly prepared liquid laxative like Dr. Caldwell's Syrup Pepsin will tell you a lot. A few weeks' trial, and your bowels can be "as regular as clockwork." Dr. Caldwell's Syrup Pepsin is an approved liquid laxative which all druggists keep ready for use. It makes an ideal family laxative; effective for all ages, and may be given the youngest child.
