BRIEF NEWS ITEMS

WORLD'S FAIR CLOSED

Chicago—The World's Fair closed Sunday until next June when the gates will again be thrown open. A total of 23,300,000 visited the fair since it opened last May. Each visitor spent an average of \$1.15 inside the fair. A total estimated at \$400,000,000 was spent in Chicago by the visitors.

THREE DIE IN PLANE CRASH

New York—An early morning sky ride ended fatally for three men Sunday when their airplane lost a wing over Brooklyn and crashed into a tenement house. The fourth man in the plane was seriously injured.

TWO KILLED IN WRECK

Shelby—Two Statesville young people were instantly killed four miles north of Shelby when their car hit a concrete bridge. Two other occupants of the car escaped.

Camden, N. J.—Uncle Sam's fifteenth 10,000-ton cruiser was launched Wednesday at the New York Shipbuilding Co. The cruiser will cost about \$10,500,000. It will carry a crew of 55 officers and 800 men.

Raleigh—The fastest land plane in the world landed on the Raleigh airport Sunday for repairs. The plane was en route to Florida when the trouble developed. The plane, flown by Jimmy Wedell, owner, averaged a speed of 300 miles an hour.

Princeton, N. J.—The body of a 23-year-old youth was found in the stadium after the Princeton-Dartmouth football game. Police believe the youth was crushed to death against a concrete wall as an autopsy show both wrists broken, and internal injuries.

Los Angeles—Duke University still has a chance to be invited to play at Rose Bowl on New Year's.

New York—Thousands paid their last respect to Texas Guinan who was buried Sunday. After the last rites had been held hundreds of spectators fought for the flowers on her grave. Three girls were hurt in the mob.

Berlin—Ninety per cent of the votes cast in Sunday's election showed that the voters of Germany were solidly behind Chancellor Hitler's foreign policies.

Raleigh—A home-made airplane was demolished Saturday when the wooden propeller shattered, causing the plane to fall on the railroad tracks near the airport. The pilot escaped with a broken nose, several bruises, and cuts.

Raleigh—Mrs. Louise M. Bourne, of Asheville, state chairman for the Women's Organizations for National Prohibition Reform, recently reported to Secretary of State Stacey W. Wade that her group spent \$258.50 in its recent fight before last Tuesday's election. The national organization contributed \$1,158.50 and C. J. Harris of Hillsboro gave \$100.

Albany, N. Y.—The old-time saloon and its bar were ruled out in New York State under an experimental liquor control plan announced by the state's A. B. C. board recently. After repeal New Yorkers may buy their martinis only in bona fide hotels, restaurants, clubs, dining cars and ships. Only restaurants permitted to sell drinks are those which can prove that most of their receipts come from the sale of food.

Hendersonville—V. M. Parks, 56, service station operator, shot himself to death at his home at Mountain Home last Thursday about 12:30 o'clock. The body was discovered by Mr. Parks' step son, Coroner J. E. Brooks investigated the affair and reported that an inquest would not be held. Mr. Parks shot himself one time, the bullet piercing his head. No motive was assigned for the act.

Rutherfordton—James Pink Harrison, 8 year-old son of Lee Harrison, prominent farmer of the Sunshine section died at the Rutherfordton hospital last week from the effects of food or milk poisoning, while two other children of the same family are in the hospital critically ill. The parents are also indisposed. Physicians believe that the Harrison family was made ill by drinking poisoned milk caused by the family cow eating some thing poisonous, probably white root.

Asheville—Protests because of delay in letting the Soco Gap-Cherokee road contract by the state highway commission have been renewed by the Chamber of Commerce. The road is one of the major North Carolina entrances to the Great Smoky Mountains National Park. This road is 11 1/2 miles in length and has been surveyed. The preliminary estimate calls for an expenditure of \$122,000, already appropriated by the federal government.

COL. S. A. JONES PASSED AWAY LAST FRIDAY

Col. S. A. Jones, prominent citizen of this county, passed away at the Haywood County Hospital as a result of pneumonia on Thursday, November 15th. He was born in Shelby county, Kentucky, January 31, 1853. When a young man he went to Florida, became editor and owner of the Tampa Daily Times, and organized the first Board of Trade in that city. Colonel Jones was often called "The Prophet of Florida" as he predicted over 45 years ago the progress that Florida was destined to make. He also became interested in railroads and was known as the "Father" of the movement and original work to build a ship-going canal across Florida. While there Col. Jones's wife, Annie Louise Brown of Kentucky and on son died leaving a daughter. In 1883 he married Nannie E. Homaker of Abingdon, Virginia.

In 1898 Colonel Jones moved to Waynesville, North Carolina for his health and became interested in mining. He kept up his interests in railroads and canals also for the betterment of North Carolina and became known to North Carolinians for the interest he aroused in trying to procure an east and west railroad through the state, connecting the Atlantic ports of N. C. with markets of the West and Northwest. He was a source of information on the subjects of mining, transportation, freights rates, taxes, etc. as these things had always been of vital interest and study to him. His was the inspiration that resulted in the famous "Lost Provinces" bond issue scheme.

In 1909 he was appointed commissioner by the Legislature of Tennessee, North Carolina and Florida as well as 19 other states, to secure better mail and transportation between the South American Republics and the United States.

For many years Colonel Jones has operated and owned the Carolina Abrasive Manufacturing Company on Sugar Leaf Mountain, which abounds in many well known minerals found in Western Carolina. Many Governors and prominent men of the United States have been entertained and enjoyed his hospitality at home and at his mining camp, called Ruby City.

During his long residence in Haywood county Colonel Jones has acquired many friends and was known for his kindness and love of humanity. He was a colorful character filled to the brim with energy and daring in an ever more materialistic age to entertain limitless visions.

He was a member of the Methodist church, where services were conducted on Nov. 10 by the Rev. L. B. Hayes, presiding elder of the Waynesville district of the Western North Carolina conference, assisted by the Rev. Wade Johnson, pastor. Burial was in Green Hill cemetery.

Active pallbearers were: Harry Eldridge, Jr., and Ted Eldridge, grandsons of Franklin Ohio T. L. Council of Waynesville; Harry McPherson of Asheville; J. H. Wray and H. B. Atkins, of Waynesville. Honorary pallbearers were: Joseph T. Johnson, W. C. Allen, Dr. Thomas Strimling, T. L. Green, Dr. O. T. Alexander, Dr. C. H. McDowell, M. T. McCracken, R. G. Coffey, H. C. Lindsey, J. R. Morgan, J. W. Reed, J. H. Smathers, Dr. J. R. McCracken, all of Waynesville, Frank Barber of Asheville and W. H. Breece, of Brevard.

Surviving are his widow and the following children: Mrs. Harry Eldridge, Sr. of Franklin Ohio; Mrs. Frank Smathers of Miami, Fla.; Mrs. Delos Cray, of Birmingham, N. Y.; Misses Nannette and S. A. Jones, and one son, S. Armistead Jones, Jr., of Waynesville and eight grand children.

Lumber Company Is Awarded \$1,057,190 For Park Holdings

A jury Wednesday morning in Asheville awarded the Rayonford Lumber Company the sum of \$1,057,190 for the 33,700 acre tract which they hold in the boundaries of the Great Smoky Mountains National Park. Compromise of \$30,000 was made between the lumber company and the park officials on Monday, making the total for the lumber company's holding amount to \$1,157,190. The park commission was ordered by Judge G. V. Cowper to make bond for \$200,000 for destruction losses and maintenance of the property.

A previous jury had awarded the lumber company \$975,000 for the same property. Both parties appealed from this however. Estimates made by appraisers ranged anywhere from \$400,000 to \$1,600,000. It was said here yesterday by those who have been closely connected with the compromise and park commission. W. A. Bradley, former superintendent of the Sunnyside Lumber Company here, was seen with W. W. Davis and W. A. Lively at the hearing, which started October 30 in Asheville.

The Sunnyside Lumber Company sold their 32,500 acres in the park to the park commission for \$400,000. Of the sale price \$200,000 has been paid.

Red Cross Poster of 1933 Appeals for Help for Needy

Renewal Of Faith And Fresh Courage Would Solve Modern Problems, Rev. Albert New Told Congregation Sunday

W. M. NICHOLS, 72, Died Here Monday

William Nichols, 72, prominent Haywood county resident, died at his home, on the Fairview road Monday afternoon at 4 o'clock.

Funeral services were held at the home yesterday afternoon at 3 o'clock with Rev. R. A. Sentelle of Green Hill officiating. Interment was in Green Hill cemetery.

Active pallbearers were: E. C. Mosley, Jack Allison, O. H. Shelton, Harry Mosley, Frank Wayne, and Crews Mosley.

Honorary pallbearers were: W. T. Lee, J. R. Morgan, T. L. Green, C. E. Ray, C. H. Ray, R. Q. McCracken, W. T. Shelton, M. T. McCracken, Dr. Tom Stringfield, H. G. West, John Platt, W. A. Hyatt, R. E. Hyatt, J. P. Hyatt, J. M. Long, E. J. Hyatt, M. J. McCracken, Bill Smathers, D. A. Howell, C. A. Campbell, J. R. Boyd, J. H. Way, W. T. Denton, C. B. Atkinson, J. L. Stringfield, John C. Johnston, R. G. Coffey, W. H. Luther, T. W. Ferguson, R. L. Lee, W. R. Francis, Tom Blalock, A. T. McCracken, Joe Tate, and J. B. Higgs.

Rev. H. W. Baucom At State Convention

Rev. H. W. Baucom left Sunday afternoon for Winston-Salem to assist in the funeral of Miss Louise Burton, 15, daughter of Mr. and Mrs. R. G. Burton of Winston-Salem, who was killed early Sunday morning in an automobile wreck.

Mr. and Mrs. Burton were close friends of Rev. and Mrs. Baucom. Mr. Burton was a deacon in the church of which Rev. Mr. Baucom was a former pastor in Winston-Salem. The accident was caused by a tire blowing out making the car leave the road.

WOMAN'S CLUB MEETS TODAY

The Women's Club will meet this afternoon (Thursday) with Mrs. C. H. McDowell at her home on Depot street.

"A Renewal of Faith and Fresh courage will solve our modern problems and bring us out of the present spiritual depression," Rev. Albert New told an audience at the First Baptist church last Sunday night at which time he filled the pulpit for Rev. H. W. Baucom, who was called out of town.

Taking his text from the first verse of the 12th chapter of Hebrews, and reading the 11th chapter for the lesson, the speaker compared the heroes of the World War with those mentioned in the Bible. In both cases the majority of the names are unknown. Only 10 are commemorated by name in the Bible, but the speaker said time would tell him if he gave anything like a complete roll.

"The Epistle to the Hebrews is written as a message of encouragement at a time of depression, but faith and hope. The best cure for depression is an appeal to history, and we should realize that those who have gone before had just as great, if not greater difficulties to face than we in the present generation," the speaker continued.

"An unwavering faith, which is mentioned 24 times in the 11th chapter, is the keynote of their courage and ultimate victory. So it is today. A renewal of faith and fresh courage will solve our modern problems and bring us out of the present spiritual depression."

"As we look back we may well say 'Lord God of hosts' be with us yet let us not forget, let us forget."

The roll of honor as recorded in Hebrews contains 19 names. Eighteen of these and two, who only are said to be "The world is the fairest in the English language to say at the right moment. There are too many cowards and no women in the world today. We need a few who can say no at the right time. Moses said no at the right time.

"It is well to remember that your troubles are not the only ones in existence. If we were to look into the lives of those around us we would find they too, are burdened with troubles.

Again reading his text of the evening, which was as follows: "Seeing that we are compassed about with a cloud of witnesses, let us run the race set before us, with patience, looking unto Jesus." The speaker closed the services saying:

"As we look forward to the future, we may well pray. Grant that we who are weak and feeble Christians may never be ashamed to confess the faith of Christ Crucified, our martyr, under his banner fight against the world, the flesh and the devil, and continue to be Christ's faithful soldiers and servants until our life's end." Amen."

Boards Might Apply For Loan To Build Sewer Line Or A Disposal Plant Here

PARK-TO-PARK HIGHWAY IS ASSURED BY ICKES

"Whatever it takes" of U. S. Money to construct the 400-mile park to park highway, which is estimated will cost \$16,000,000 was assured by Secretary Ickes in Washington Thursday.

The proposed route will go from the southern end of the Shenandoah park to the Great Smoky Mountain National park.

Those who have studied the matter say that the new highway will traverse Haywood County.

Mountaineers To Meet Canton Black Bears On Friday

Mountaineers Win Over Hendersonville for Championship of W. N. C.

The Mountaineers will journey down to Canton Friday afternoon to meet the Black Bears and to make further claims to their recently acquired title of champions of Western North Carolina high school football teams since defeating the heretofore undefeated Hendersonville team here last Friday, 7 to 6 in one of the hardest fought and most spectacular games of the season in this section.

The Mountaineers went through a hard drill and exercises Monday, Tuesday and Wednesday were spent on the fundamental of football blocking, tackling and charging. The great team from Canton play against the Mountaineers. The "howling" made by the Mountaineers and their fans would be out through a loud practice again today in an effort to top the Canton play.

Coach Weatherly after coming just last season's season to the Canton play, said he would probably use the ground rules to score Friday as he had in defeating the Hendersonville team last week.

The line will probably be strengthened by the return of Robert and "Red" Ruff. There will be a lift in quarter-back work Wagenfeld alternating with the scoring line. Reeves, the remainder of the lineup will be as started in previous games.

The majority of the student body, together with a large delegation from here plan to attend the annual pep clinic of Haywood.

Waynesville has scored 153 points while their opponents have scored 31 points while their opponents have scored 43 points.

The teams played by both teams and the scores are as follows:

- Mountaineers 35
- Andrew 9
- Mountaineers 6
- Asheville 6
- Mountaineers 33
- Hayesville 6
- Mountaineers 7
- Christ School 13
- Mountaineers 20
- Aheville School 9
- Mountaineers 17
- Marshall 0
- Mountaineers 7
- Waynesville 6
- Mountaineers 7
- Hendersonville 9
- Canton 6
- Christ School 39
- Canton 0
- Asheville School 12
- Canton 0
- Asheville High 12
- Canton 30
- Candler 6
- Canton 39
- Sylva 9
- Canton 12
- Hayesville 9

In the Hendersonville game last Friday both teams failed in the last 100 minutes of the fourth quarter to score. The Bears scored after Edney caught a partially blocked punt from the toe of Reeves and ran 35 yards to score. A pass for extra point failed.

Waynesville then came right back to score. A punt was recovered by the home forces to midfield. Reeves chipped off 39 yards around end and then passed to Ross for the marker. Ross caught the aerial on the five yard line and stepped over the line without any trouble.

Two winning points were scored by Ross on a two point play.

Reeves was out of action for the game when Parks and McPherson were injured. The largest crowd of the year attended.

The city officials of Waynesville and Hazelwood are scheduled to meet tonight to discuss further plans for applying for a loan from the Public Works Department of the Federal Government for \$200,000 for the construction of a sewer line from the two communities down Richland Creek beyond the Lake Junaluska dam.

Both boards of the two towns have discussed the project, but no definite decision has been reached. It was indicated that probably after the meeting tonight that an engineer would be employed to gather data and a formal application made for the loan. The Federal Government will donate 30 per cent of the cost and the remainder will be carried at 4 1/2 per cent interest.

It has been proposed that a charge of 5 to 10 cents per 1,000 gallons of water consumed be made and let this fund pay the interest on the loan rather than increase the present tax rate. This proposal is being considered by both boards.

An application for the loan must be made before the end of the year, but some definite action will be made within the near future.

It will be remembered that there is still pending in the courts a lawsuit in which Lake Junaluska is trying to prevent Waynesville and Hazelwood from emptying sewerage into Richland Creek which flows into the lake. Some or later arrangements will have to be made to change this practice and since the government is loaning money for such projects, practically all members of the two boards favor applying for the loan.

The state health department is urging that the sewerage line or disposal plant be constructed, and are assisting in getting together data for the Public Works officials.

If the project is started it would furnish work for a number of men it was said. The minimum of 45 cents per hour would be paid for common labor under the NRA terms.

A trunk line large enough to accommodate the sewerage from Hazelwood and Waynesville for many years would be laid and a line or lines from the lake would be cut in at the lower end. The cost for the main trunk line would be about \$125,000 it was said.

Dr. Hayes Encouraged Over Conference Year in This District

Dr. J. B. Hays, presiding elder of the Waynesville district of Western North Carolina, before leaving for his home to attend the annual conference of the Methodist church, said that indications are that the present conference year's work is in much better shape than last year. Some of the work will show a much larger amount than at the time in 1932 he said.

Continuing Dr. Hays gave some very interesting details of the work in this district. He said the 340 Canton church is now for many as a year's work and apparently all financial obligations will be met in full. "For O. S. Clark the pastor" Dr. Hays said "is very popular with his congregation and the board of stewardship of the church is permitting the bishop to call him back to Canton."

"The only way you can prosper in the district the Rev. J. J. Jones, of Bryson City, is by having a fine unit of work in the church," Dr. Hays also spoke of the Rev. F. O. Dreyfus, pastor of the Junaluska church in a very complimentary way. "Rev. F. O. Dreyfus," Dr. Hays added "is finishing a five year term as pastor of the Junaluska church, he is one of the most successful pastors in the district and the congregation is booming. This is a credit both to the pastor and to the church."

Another notable accomplishment was the work of the Rev. J. G. Wilkinson, pastor of the Hazelwood church, who has just completed a building on the lot adjoining the church.

Dr. Hays is much encouraged over the work that has been done in the district this year.

MAY CRAWFORD CHUSEN COACH OF BASKET BALL

Miss May Crawford is one of the prominent girls at Saywell school of physical education who has been chosen as coach of the girls' basketball team in the district. She will be in charge of the team which will represent the school in the district.

Waynes county farmers report 13 inches of rain for the week ending Nov. 15. The most of them have been filled with rain for winter feeding.
