Crabtree News

The farmers of this section are very busy getting their tobacco ready to the market before the Christmas holidays.

Let's do all we can to make this a Merry Christmas for each of the family. So many older people think that Christmas does not mean what it used to mean to them. There is much pleasure in helping the younger folk get ready for Christmas. The older folks and the younger folks can work together to make Christmas a real season of pleasure by working together which involves little on no cost.

Let's all pull together for a pleasant unity and remember that it is more the act to give than to receive. Mr. C. E. Williams has gone to Asheville to work in the tobacco warehouse.

Mr. and Mrs. M. H. Ferguson spent the past week visiting her parents.
