HERE AND THERE IN SPORTS IN HAYWOOD COUNTY

By THOS. REEVES

The local teams will be at the W. C. T. U. tournament which begins Thursday. The girls meet Fletcher at 2 P. M. and the boys engage Robinsville at 5:20 the same afternoon. Very little is known here about some of the opponents, but I will select the Waynesville girls to meet Bethel in the final game which is to be played Saturday evening. Besides Fletcher the following are in the local bracket: Elizabethton, Bryson City, Glenville, Red Oak, Murphy and Sylva. I wish the boys' team the best of luck in their brief visit to the Cullowhee campus.

What will Belmont and Waynesville do if they meet in the final? You guess as good as mine but I at least favor a champion, especially if the team has won a 5th game of the season.

Assuming that the 1933-34 boys' basketball tournament was 23 of their 25 games. By also say they end the season with a successful cage drive in the history of the school. I guess they have the best team I have been acquainted with. They defeated all teams they have played Asheville being

The Black Bears will play in the state basketball at Roper in Rich Springs for the final match.

Among the local sports clubs and organizations are the W. C. T. U., the Waynesville Athletic Club, the Waynesville Golf and Country Club, the Waynesville Lawn Tennis Club, the Waynesville Tennis Club, the Waynesville Bowling Club, the Waynesville Chess Club, the Waynesville Bridge Club, the Waynesville Lawn Club, the Waynesville Garden Club, the Waynesville Horticultural Society, the Waynesville Music Club, the Waynesville Dramatic Society, the Waynesville Glee Club, the Waynesville Glee Club, the Waynesville Glee Club.

Believe it or not, it's here by the calendar. The birds — although suffering with a cold — are singing.

By their first music. Canton was placed in the class A ratings. Neither Canton team will enter the W. C. T. U. tournament.

Bethel has an excellent chance to win their fifth cup at the W. C. T. U. tournament. Bryson City, the boys' winner last year, will drop out in an early game. Clyde girls will enjoy the beautiful scenery of Dr. Hunter's campus after their boys told their tons for departure. I suggest that Haywood's coaches tell the boys to advise their tooth paste at home and advise the girls to take enough lip kist to last until Saturday.

Esquire Crawford gave more girls to more sport fans than any other club in North Carolina last year, according to votes of the fans who took a poll. Observer.

Junaluska P. T. A. Met Last Thursday

The members of the Junaluska Parent-Teachers' Association are most fortunate in having Mrs. J. Dal. Stentz to conduct a course in Parent Education. On Monday night the subject under discussion was the preschool child. Mrs. Stentz gave a very illuminating presentation of the several chapters in the text book, adding helpful experiences of her own concerning a family of children. Mrs. Stentz noted that if parents would face issues squarely as soon as they arise and teach the children confidence, truthfulness and honesty, once and for all many of the problems of parents, teachers, and courts would be eliminated.

The adjoining number of children among the youth of the county is a mass of need for such education for parents felt very keenly. It would be a fine thing if all parents of small children could have the opportunity of hearing Mrs. Stentz on this subject.

The Junaluska P. T. A. met to regular monthly session Thursday evening, March first, with Mrs. Boy in the chair. Twenty-one members were present. An opening piano number, Handel's "Largo," was played by M. Moore followed by a group singing of "My Old Kentucky Home." The year was closed by Mr. Williams, business of last meeting was read, and the treasurer reported a balance of \$22.88 on hand.

The committee on the play to be presented soon by the P. T. A. reported nothing new. Mrs. fourth a discussion of the matter. Mr. Palmer was then called into the hall for a part and made a special report. Monday night at the meeting of the Study Class.

Mrs. Toy presented the P. T. A. county general book for the Wayne County. Mrs. Toy said that she had received the book and was looking forward to reading it.

All members were asked to bring a copy of the book to the next meeting. Mrs. Toy also announced that she had received a copy of the book and was looking forward to reading it.

The committee on the play to be presented soon by the P. T. A. reported nothing new. Mrs. fourth a discussion of the matter. Mr. Palmer was then called into the hall for a part and made a special report. Monday night at the meeting of the Study Class.

Mrs. Queen further closed the worthy use of leisure time.

Mrs. Burgett emphasized the good children derive from supervised recreation in the summer.

Arthur Sutton, 40, Found Dead Sunday

A coroner's jury Monday morning returned a verdict that Arthur Sutton of Mt. Sterling, who was found dead on the platform of the Mt. Sterling depot Sunday afternoon, came to his death from heart failure.

Dr. Westwood and Sheriff Lowe went to the scene early Sunday night and made an investigation. Because of bad weather, it took them four hours to make the trip.

The jury said his sudden death probably resulted from liquor which the deceased is said to have drunk shortly before his death. He was a farmer.

Canton Club Hears W. G. Byers Speak

W. G. Byers, clerk of the superior court of Haywood county and judge of the juvenile court, was the speaker at the regular meeting of the Canton Y. M. C. Club last Friday evening.

Mr. Byers spoke most interestingly on the juvenile delinquency in Haywood county. He gave illustrations from his own observation of delinquent children among the youth of the county. He suggested the independent anthropologist showing how a mischievous attitude with parental guidance was more likely to become a juvenile delinquent than was the youth who had the influence of home and school.

Dr. V. H. Duckett, president of the club, presided. J. H. Allen, Jr., was program chairman and John Neal had charge of the music.

JUNIORS GIVE UNIQUE CHAPEL PROGRAM HERE

A rather unique chapel program was given last Friday at the school here by W. C. Allen's Home Room No. 19 which is composed of juniors from 1 to Z.

Edwin Poteat took the lead in arranging for the program which was a radio broadcast from the home room to the auditorium stage. A loud speaking outfit installed by Martin Electric Co. carried the program which consisted of musical numbers and short talks to a radio on the stage.

The call letters were WTHS. The program was not only unique, but impressive as well, it was said.
