until the last two years. Mr. Grahl lost 45 days last summer and Mr. Bramlett lost nine weeks once, but other than that was absent only on a wo-day sick leave.

At one time Mr. Bramlett was carrying pension checks from four different war-

It was interesting to hear the two veterans discuss different things that arose during the past thirty-two years. One of them told of how well he remembered when he first started carrying the mail that a certain little girl would meet him daily and now, she is married and has six children. Both former carriers have found

time to take active part in town, Shurch and community affairs. Mr. Bramlet, is an active member of the Methodist church, while Grah! is a member of the local Prebyterian church Bramlett is an active member of the Odd Fellows, K. of P. and Junior Order of United American Mechanics Grahl is a Muson and member of the Junior Order.

Both are natives of Haywood county, having descended from families who from early times had a large part to play in the progress and development of this section. Both are married and have families.

Mr. Grahl, who is now 63 recently bought a 426-acre farm near Dalton, Ga. and will devote a portion of his time supervising it although he does not plan to live there permanently. Mr. Bramlett does not have any definite plans at present. It is likely that he will soon take up farming, but for the time being he is going to take things easy.

Although both of them have completed over 32 years of active service and faithful service to the post office department, neither of them feels like he can retire from active life:

door. With a little cry of happiness she ran to open it. "Listen. Lola." said Space Hanlon.
