LESSON TEXT-Matt. 15:51-38-14:13. GOLDEN TEXT-Ask and it shall be given you seek and se shall find, knock and it shall be opened it to you -- Matt. 7.2

PRIMARY TOPIC-Jeen Hope & JUNIOR TOPIC-Wiese People Tauxi

Jesus. INTERMEDIATE AND SENIOR TOPIC-A Modder of Love and Figure VOUNT PROPER AND ADDLET SOP-C-Parts Tested and Transplant

I. The Unbelief of Jesus' Own Countrymen (135.158).

Jesus shared the common table of men, unacknowledged in his own comtry. Even his own brothers did not believe in him until actor his result. region (John 7.38; et. A-15 1314). Because of the undefiel only a limited work round by done more.

II. Jesus Responding to the Faith of the Multitude (M.): 11 12, 111.

1. He retired to the desert (v. 13). The news of the crite death of stehn the Baptist breather prior to the heart of Jesus and he willalness to a place of questions to commune with the he average further the sus accepted heart's death as two all or his each

Published by The people its, 13h The people were an greatly interested in him that they believed him on tool out of the cities.

3. Jesus Funning the sade (v. 14). Although the rulers had broken with him, he did not abanden his week. Though desperate and hopeless cases were brought to him, none was found two hard for films

of a Woman of Canaan (Matt. 15 3).

1. The mother's awful distress (vv. 21, 22). Her daughter was grievously. vexed with a devil. The daughter was the one who was afflicted, but it was the mother who carried the Eurden. No doubt this Gentlie woman finds heard of the tame of Jesus. His power Dr. Strekhouse, of laske Junaluska, to heal had come to her notice and doubtless many times she longed for him to come her way that her daughter might be healed. Now that he was in her neighborhood she came straightway to him.

2. The mother's fervent appeal for help (vv. 23-25). She humbly fell at his feet and pleaded for mercy. She besought him to cast the demon out. Her appeal may be considered as a

model prayer. n. It was sincere and carnest. From the depths of her heart she cried to the Lord for help.

b. It was brief and definite. In a Meeting each Thursday few well chosen words she besought the Lord in behalf of her daughter.

e. It was personal and humble. The Lord is pleased when we beseech him in behalf of personal friends as well as ourselves. She came humbly, for according to Mark's account she fell | at his feet (Mark 7:25).

d. It was believing and persistent, Though she was outside of the covenant people, she believed the Lord would hear a cry of need. All who accept Christ are his covenant people. She persistently begged help of the Lord. She would not accept a refusal. The Lord is pleased with the soul who will not let him go until the blessing Is granted (Luke 11:5-10, 18:1-8).

3. The woman's faith rewarded (vv.

a. Jesus' apparent refusal (v. 23). He answered her not a word. This seems strange that to her distressing cry he was irresponsive. Scarcely ever did anyone have to ask the second time. Frequently he did not wait to be asked. The reason for his silence was that a real difficulty lay in the way. He was sent to the lost sheep of the house of Israel. This woman was a stranger to the covenant people. Her appeal was on the wrong basis. She addressed him as the son of David. which only a child of the kingdom, an Israelite, had a right to do.

b. The woman's quick response (vv. 25-27). As soon as she perceived the difficulty she worshiped him as Lord and cried for help. While only the Israelite could approach him as the son of David, all can come to him and own him as Lord. She willingly took her place as a Gentile "dog." recognizing that salvation is of the Jews, The word for dog is a diminutive term used for the pet or household dog which had a right to the crumbs which fell from the table.

c. The glorious issue of her faith (v. 28). She received more than she asked. Her daughter was healed at once while the instructions she received were worth much to her. She goes down in history with the Savior's commendation of her faith
