Hazelwood Men Entertain Ladies At A Big Dinner

The spirit of cooperation and fellowship, which is most prevalent in Hazelwood, was wonderfully displayed at the "Good Night, Ladies!" given at the Hazelwood Protestant church last night.

The Hut was beautifully decorated with dogwood and lilacs, and all the women, especially the wives, were amazed at the results obtained by the men in the role of the housewife. A delicious dinner was prepared and served by the men alone, and no woman was allowed in the kitchen. After dinner, the tables were removed, and there was a short formal meeting of the club, the president, L. W. Davis, presiding, and Mr. T. G. Stamp, chairman of the program committee, called for papers read by Rufus Gaddis and Lawrence Davis. The next hour was spent in games, like fruit basket, ring on the string, and others, making everybody feel youthful.

Impromptu talks were made by L. M. Robinson, G. N. Allen, and Dr. R. S. Robinson, Hazelwood's resident physician. The latter said that he has never been in any town that showed a better get-together spirit, where formally an he had made and the people pulling together, than the town of Hazelwood. The chef for the occasion was Carl Bischoff, and he was assisted in the kitchen by Joe Shipley, K. McLean, George Bischoff, Bill Chambers, Lawson Summerow, and M. Downing. The following committees were: Program, T. G. Stamp, chairman, L. C. Davis, Rufus Gaddis, and O. C. Landrum; entertainment, L. C. Davis, chairman, Bill Chambers, and Rufus Gaddis. At the conclusion, all the men sang "Good Night, Ladies!"

Don't Prolong The Agony!

Next time you suffer from Gas on Stomach, Headache, Sour Stomach, a Cold, Muscular, Rheumatic, Sciatic or Periodic Pains: That Tired Feeling, That "Morning After" Feeling. Get a glass of water and drop in one or two tablets of

Alka-Seltzer
The New Pain-Relieving, Alkalizing, Effervescent Tablet Watch it bubble up, then drink it. You will be amazed at the almost instant relief.

It is called Alka-Seltzer because it makes a sparkling alkaline drink, and as it contains an analgesic (Acetyl-Salicylate) it first relieves the pain of everyday ailments and then by restoring the alkaline balance corrects the cause when due to excess acid.

After trying many brands of medicines—so-called relief for gas, and all of them a failure, I gave up hopes. By chance I tried Alka-Seltzer—I am more than satisfied. Geo. Bennett, New York, N. Y.

County Receives Publicity In A Trade Publication

In the May issue of the Farm Trade and Dealer, which is a trade publication and standard Oil Company, there appeared two articles that pertained to Haywood county. One regards the apple blossom here and the other the hazelwood plant.

The article on the hazelwood in Haywood county, North Carolina, mentions a beautiful grove of hazelwood in the hillsides of a farm in the north of the county. In early May the pinkish-white blossoms of the hazelwood are in full bloom, and the grove is a beautiful sight. The hazelwood is a native tree of the mountains, and its blossoms are very fragrant. The article also mentions that the hazelwood is a very hardy tree, and that it is very common in the mountains of North Carolina.
