Weight Reduced From 180 to 137

"Wonderful," She Says

There's today's story of a woman who knew she carried too much fat and decided the right way to get rid of it—just a few words that wise fat folks should heed—worth reading.

"I use Kruschen Salts to reduce. It's wonderful. Take it daily and eat what I want and still lose. I did weigh 180, now 137. Want to get down to 125." Mrs. Leonard Bass, Ft. Atkinson, Wis., Feb. 6, 1934.

When you take one half teaspoonful of Kruschen in a glass of hot water—you not only lose in weight but you put healthy activity into your whole body—you feel younger and look it—get it at Smith's Cut Rate Drug Store, or any drug store in the world.

More Shoe Mileage!

It's surprising the additional wear you can get from shoes that are regularly repaired. The slight cost of putting them in shape is more than repaid in the savings on new shoes.
