### Today's Live News For Fat Folks

3 Great Letters  
Read Them All

From all over the country—north—south—east—west come letters of praise for the world's safe and healthful enemy of fat—don't miss these 3 letters.

"I am using Kruschen Salts on advice of my Doctor. Have used three bottles and lost 15 lbs., and gladly recommend it to all my friends." Mrs. G. W. Bryant, Foxboro, Mass., 1934.

"I am using your Kruschen Salts for constipation and reducing. Have taken 3 jars and have lost about 20 lbs. I can recommend it to be great." Miss A. J. Barber, Pineville, Ky., 1934.

"I have taken 3 bottles of Kruschen. I weighed 256, I reduced 36 lbs., and felt better each day, have got my 4th bottle." Ed Jordan, Levee, Ariz., 1934.

If you are proud of your double chin and bulging abdomen don't take Kruschen Salts. Ed Jordan made up his mind to take off 50 or more pounds of fat—and he did—Ed was sick and tired of lugging it around with him—persistence won for Ed as it will for any fat man.

A half teaspoon in a glass of hot water before breakfast every morning—get Kruschen at SMITH'S CUT RATE DRUG STORE or any drugstore. (adv)
