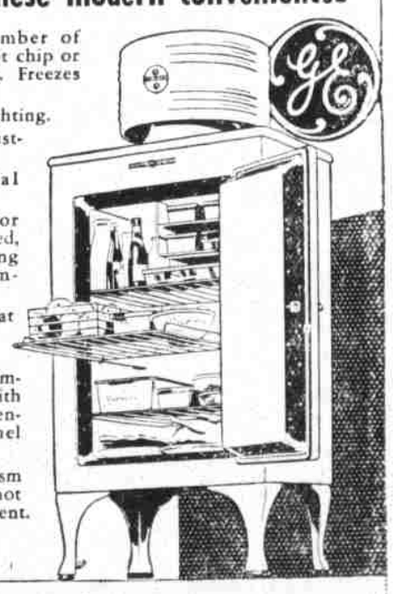
This New
GENERAL ELECTRIC REFRIGERATOR
gives you ALL these modern conveniences



- Quick Freezing Chamber of stainless steel that cannot chip or rust. Large and roomy. Freezes more ice cubes faster.
- Automatic Interior Lighting.
- Sliding Shelves. Adjustable in height.
- Auxiliary Foot-pedal Door Opener.
- Temperature dial for fast freezing when desired, and economical operating in cooler room temperatures.
- Vegetable Container that keeps vegetables crisp and fresh for days.
- All-Steel Cabinet. Gleaming porcelain interior with either porcelain or glistening Glyptal baked enamel exterior.
- Monitor Top mechanism requires no attention—not even oiling. Uses less current.

plus
5 YEARS PROTECTION
on sealed-in-steel mechanism for $5

● In addition to the standard 1 year warranty you are now given 4 more years protection against any possible failure of this famous G-E sealed-in-steel mechanism for only $5. With all its features, and its unparalleled performance the General Electric costs no more than any good refrigerator in similar sizes.

We are Exclusive Agents For Max Factor Society Make-Up

Come see the tire that's the talk of America!

Announced in April, it's going stronger than ever in August—this sensational new "G-3" Goodyear All-Weather. The word's out—spread by "G-3" users—that it's even better than we advertise. They say "43% more non-skid mileage" is too modest. They say its greater Center Traction grips so much better—stops cars so much quicker—there's no comparison with other tires. All of which is sweet music—and makes our sales zoom! Take a few minutes—come see what it's all about. You'll be well repaid!

WE'RE ON THE JOB

Alert to the needs of the troubled motorist—here it service you will want to know about and use. Instant attention for the car at any time. ...a phone call brings us running . . .modern equipment expert mechanics.
