FALL MERCHANDISE is rapidly being placed on our floor. In addition to ready-to-wear and shoes, this included sweaters, jackets, hats, etc.

Griffon Clothes Are Better—BROWN is much in evidence and clothes are sporty with tough fabrics being featured. Clothing promises to be more colorful this fall than ever before. The styles we are showing will intrigue you.

Griffon Clothes Are Better—FALL SHOES now being shown and are different. Rough leathers predominate and in women's shoes, the round toe is much in evidence. Different—you will find them interesting. Let us show you.

Griffon Clothes Are Better—COLLEGE CLOTHES will be bought by a great many students during the next few weeks. Having bought with their needs especially in mind we believe we can supply them with clothes of a college caliber.

Griffon Clothes Are Better—CLOTHING FOR Men and Boys such as Waynesville has never known before! Whatever you may have in mind, we can meet the need.

Griffon Clothes Are Better—GRIFFON CLOTHES have been selected as a feature line. Chosen after careful investigation we believe they present the best value of any line in the country. In both fabric and tailoring they are outstanding.

Griffon Clothes Are Better—TALON FASTENING is a feature of Griffon Clothes. They close the trousers neatly adding much to the appearance of the suit. Absolutely guaranteed by the manufacturer—you will like them.

Griffon Clothes Are Better—BOYS' CLOTHING often present a problem. For those hard to fit we now offer "made to measure" service by a house specializing in boys' clothing. This service will be especially interesting to those who are twins.

Griffon Clothes Are Better—STRAW HATS—soon must go. Many already have come the way of all flesh. Meeting your fall needs we have added Knox and Dunlap hats along with our Byron line. We believe our line-up unbeatable.

CANNON Sheets and Pillow Cases display the same unsurpassed fine qualities as the towels. We have them. You will like them. Made in North Carolina—let's patronize them.

CANNON BATH TOWELS—These towels are of generous size—strong and firm of heavy construction. White with striped borders in rose, blue, green orchid and gold. 25c and 39c.

Griffon Clothes Are Better—ADORABLE HANDMADE Nighties with a charm of youthfulness you don't often find in cotton lingerie. Lovely soft batiste—small patterns on pastel grounds—also in solid plain colors. Touches of pretty hand-embroidery and scallops. Size 15 to 20, 79c to \$1.19.

Griffon Clothes Are Better—BED AND BATH LINENS have been furnished to many hotels, boarding houses and camps this summer. We thank them for their business and advise that we can meet any last minute needs. Some new cannon items just received.

Griffon Clothes Are Better—BYRON FELT HATS for women. Smartly styled and reasonable, you should have one. Ask to see them.

Griffon Clothes Are Better—BE ONE OF THE FIRST to wear a new fall knit suit. Smart and just the thing for these cool mornings. A swanky hat to match.

Griffon Clothes Are Better—LITTLE SWEATERS for the child from 2 to 6 are being shown in the children's Department. These may be found in both coat and slipover styles. A splendid selection of colors.

Lady Says CARDUI Eased Pain In Side

Cardui helped an Oklahoma lady, as described below, and many others have benefited in a similar way. "I had a hurting in my side every few weeks," writes Mrs. Bill Stewart, of Dewar, Okla. "I had heard of Cardui and started taking it. It stopped my hurting and built up my strength. I took 11 bottles and I sure felt better."

Try Cardui for pains, cramps, nervousness due to a run-down condition. Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.

County Paid Over \$46,000 In Sales Taxes During Year

According to figures just received by this paper from A. J. Maxwell, commissioner of revenue, Haywood county has paid in sales tax collections since July, 1933 the total of \$46,496.99.

For the same period the state received over six million dollars.

Mecklenburg county, of which Charlotte is the county seat, led the state with a total of \$72,000.

Start Making '35 Auto License Tags

Raleigh.—The automobile license plant at state prison has started production of more than 100,000 sets of plates for use in 1935.

The first of the new tags was made out last week. The plates scheme is black background with aluminum letters. In a few days officials said, production will be up to 12,000 pairs daily.

Among the convicts at work on license tag plant is Col. Luke, former Tennessee banker, legislator and U. S. Senator.

Griffon Clothing

Selected as the outstanding Value Line

Twelve months ago we decided this fall to develop a Clothing Department from which Waynesville men could buy good clothes and at a better price than any other store or town could offer.

Practically any clothing line in America was available to us. We asked outstanding firms of North Carolina and elsewhere for their recommendations.

We visited clothing factories and studied many lines—always looking for the best.

We chose the nationally known line of Griffon Clothes—and have them in stock.

We chose Griffon Clothes as our top line because we consider them the outstanding value line of America.
