LONG'S CHAPEL METHODIST CHURCH, LAKE JUNALUSKA
F. O. Dryman, Pastor. We had a great congregation Sunday, pastors, presiding elders, superannuates, college professors, tourists, and local members of the congregation filled our little church. Its a real inspiration who does not get a poor preacher who does not get a real inspiration from such a gathering. Our music was superb. The Stenters are a congregation when it comes to singing. They'll sing for us again next Sunday when the pastor will try to develop the theme: "Large Living and Small Income." The opening meeting began most auspiciously. Large gatherings and perfect attention out under the stars. The Sunday school is preparing something extraordinary for the first Sunday in October. You will want to enter into this.

What a Man Thinks
"If you would really know what a man truly thinks," said H. H. Ho, the sage of Chinatown, "you must cease to flatter him and take the risk of making him angry."
