The Human Side O' Life

Incidents and Observations

By UNCLE ABE

I've married the Gentile and the Jew, his head (I proposed to do this for Lolored a pienty halt breeds too; I wanted him to be consistance we The tall and least, the short and stout ' started on our mission The well-to-do and the "down and Dist.

Two married file young, the old and tough,

The gay and pretty the ugly and rough;

Most of 'em had sense-some "thick as a chunk."

Nearly all were sober-two grooms were drunk-

I've married them in offices, in parlor and shacks

In groves, on the highways, by the railroad traca.

Some smilled-oh, so happy! or em-

raced with a snack! As somebody in the crowd let go h "wise crack,"

Maybe some were in trouble-had to say "I do," One pride fainted before the ceres

mony was through:

Some couples chewe | gum-one anuff on the stick-But all were in hasti for a constants -

I remember one minorig in later suple I married, back about 14 years dago (was a colored man and women-they were cooking at the did Kenmore Hotel, I think, and bad dramed to yet "matrice up," At the they were told to "Jon they right hands," up went the celored man's right hand a we at head ready to take the outle.

had been witnessed etc., its if wait, ing for something. When told it was "all over," and that they could go the as a quickly replied: "Well, mis-ter don't I git some kind or receipt?" He was told that his "receipt" was standing by his side-to take her and aro un

Now, I know 'Squite Acctraction a more of a veteran than I am but I wonder if his experience has been any more varied. And whit does the Good Indian and "Jadge" Frank have to saw? Now, I know 'Squite McCracken is

All I know is just what "they say." And this is especially true when it comes to tracing up family history. Some time ago Prof. Allen asked Wm, Medford and me to get up some can artist reproduced in full color more of our family history for his in the American Weekly, the maga-"Annals." Well, after "Slim" had zine distributed with next Sunday-assured me that he could get into BALTIMORE AMERICAN. Buy my old '26 model and that I would your copy from your favorite news-not have to cut a hole in the top for boy or newsdealer.

faited on our mission.

Anecdotes and Humor

My first interview, with Uncle-Attent Francis had not been very satisfactory. I asked hun if he had, over heard of a Medford stealing.

to get away after he had been given half a dozen chances to do so." You see I asked one question too many. W(A, W) intro. Hazelwood: C. L. Day's Waynesynley, R: 2; Sam Free-

See Tasked one question for many, Well, William and I went over on the Parcon side for an interview what what do you thatk. We man't islass may be arrival—by they say't islass what we hearing—by they say't islass islass. So, islass islass islass what we hearing—by they say't islass islass. So, islass islass we dream islass. We want they say islass islass islass. So, islass islass we dream islass. We want they say islass we dream islass. We want they say islass islass islass. We want they say islass we dream islass. We want they say islass islass islass. We want they we want to be islass we dream islass. We want to be islass we adream islass. We want to be we islass islass. The islass islass we adream islass. We want to be islass islass islass. It is a say islass we adream islass. We want to be islass islass. I we want to be we islass. I we want to be we we dream islass. It is a say islass we adream islass
