Community Urged To Prepare Now For The Future

(Continued from page 1)

may expect to have more 'boarders' the better business. They will force themseaves on us whether or not we are receptive. Waynesville Hazelbetter times without any particular effort on our part.

We should not be content, however, with being passive in our acceptance of 'what we are about to receive. We should drive forward to make this community, not only the 'Eastern Gateway, but the Eastern Capitol for the park territory. We should create lodging facilities which will create within visitors a desire to stay longer. We should create recreational will be all that will be facilities which will make them forget about going home. We should that they might want to buy while in neers.
this section. We should beautify the 11 is that they might want to be autify the this section. We should beautify the this section. We should beautify the this bepell by the connected community and our highways so that community and our highways so that people will not only be pleasantly in such will make the factor this also impressed, but will be imbued with the thora and the factor. impressed, but will be imisted with the field and the latter. This also our fields of building a summer home in our midst,

"Most important of all, we mountainers should do these things ourselves in order that our children may profit, and our children's children we wor and willis king naturalists before us. We should not be blind to the possibilities before us. We should we see. Should we as local people, leave the job undene we will see 'foreigners' oust us from our inheritance, and reap the profits. Too often this is the case.

"First of all, we should heed the call of our Chamber of Commerce for an assembly to review the work of the past year. After complimenting those responsible for the good work accomplished, we need to look forward however, rather than backward. We need to strengthen the organization, proportionate to the greater remaining the first of the past year. After complimenting those responsible for the good work accomplished, we need to look forward however, rather than backward. Long - Used Laxative

To be bought and used as needed for many, many years, speaks well for the reliability of Thedford's Black-Draught, purely veretable family laxative. Mr. C. E. Ratliff writes from Hinton, W. Va.: "My wife and I have used Thedford's Elack-Draught thirty-five years for constipation, - tired feeling and headache. I use it when I feel my system needs cleansing. After all these years, I haven't found any-thing better than Black-Draught."

Gold in 25-cent packages.
