#### Sales Tax

State Capitol who will tell you that the general sales tax will be elimi-nated from the next revenue bill. the general sales tax will be eliminated from the next revenue bill.

Plenty of the boys would like to see it wiped off the books but they can't figure how it can be done in the face of increasing demands for increases in teacher-pay, greater appropriations for the University and other State-supported colleges and Federal Relief Director Hopkins' demand for the State to ante-up on relief needs. Most of the speculation regarding the sales ties. of the speculation regarding the sales tax on Capitol Hill these days centers on changes in its application. There is more than a little opinion that the esent exemptions (or at least som them) will be stricken out and the as expanded to include more than ctail sales. Thus, the gravy would to farther just by adding water than nent and flour.
