

Go to Church Sunday

WAYNESVILLE PRESBYTERIAN CHURCH

Rev. R. P. Walker, Minister.

We are now beginning to announce that we are to have Evangelist John R. Williams for another meet beginning May 12th. You remember Bro. Williams was here two years ago and held a wonderfully good revival. We engaged him in December for this meeting but this is the first announcement in the paper. We hope that Waynesville will take as great an interest in this meeting as in the former meeting held by Bro. Williams and that his coming will bring a great blessing to our community.

We announce the following program for Sunday:

Bible School 9:45, Mr. L. M. Richeson, Superintendent.

Sermon topic 11 o'clock: "This shall be told as a memorial of her," Mark 14:9.

BISHOP GRIBBIN TO VISIT PARISH

Tonight, Thursday, February 7th, the Right Reverend R. E. Gribbin, Bishop of the Diocese, will meet the entire congregation in the Parish House at 7 p. m., and a buffet supper will be served prior to the meeting.

Each and every member is expected and urged to be present. Many changes in the Diocese have been made, and others are in prospect. In the rearrangement of pastoral charges in this western end of the Diocese, Grace Church, Waynesville, is vitally concerned. The Bishop comes for this friendly "interview" tonight in order that he may clearly explain the why and wherefore of these changes. No member of the Episcopal Church should be absent. We look for, and expect, a hundred per cent attendance.

The arrangements of our services for next Sunday will be announced at this meeting tonight.

At the close of the business, the ladies of the Parish Guild will serve refreshments.

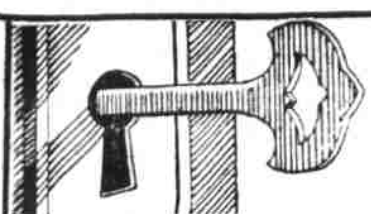

WAYNESVILLE METHODIST

Paul Haslin, Jr., pastor.

Sunday morning at the 11 o'clock service we are to have the pleasure of having as our special guests the Boy Scouts of Waynesville. The pastor will preach on the subject of "Loyalty," based on the life of Joseph. The church school assembles at 9:45 a. m. Mr. Hugh Sloan is the superintendent.

At the vesper service at 5 o'clock the pastor will discuss "Darkness." The young people meet at 6 o'clock. They are now divided into two teams, the Blues and Whites, and are having a spirited attendance contest.

We welcome you to all services at the Methodist church.

THROUGH STATE CAPITAL KEYHOLES

By: Bess Hinton Silver

DOUBT REMOVED

Former Lieutenant Governor R. T. Fountain, of Rocky Mount, has let it be publicly known that he is seriously considering running for Senator in opposition to Senator Josiah W. Bailey in the Democratic primaries next spring. Nevertheless, there are some rather astute political observers around this Capital City who say they believe Mr. Fountain's announcement is intended as a blow at the potential candidacy of Governor Ehringhaus, who beat him by a nose three years ago, more than as a thrust at Senator Bailey. The Governor doesn't appear worried.

PATROLMEN

It's entirely possible that you may soon catch sight of a State Highway patrolman in your county. Bills have been introduced in the General Assembly to transfer the patrol back from the revenue department to the highway department and to increase the number of patrolmen. Also, patrolmen would be relieved of duties of collecting gas and oil samples for inspection and required to do nothing except watch automobile drivers and attempt to reduce slaughter on the public roads.

HAND-OUTS

Various and sundry bills have been introduced in the Legislature to use State highway gasoline and license taxes for purposes other than building roads. Some of the measures would have gas tax money

reduce local government roads debts while others would reuire the highway commission to pave streets in cities. One Million dollars in highway money is already going into the general fund and the budget commission has endorsed this policy for the next two years. If you have any definite ideas on the subject of how gasoline and license taxes should be spent, the present might not be a bad time to make them known.

LIQUOR

Many legislative and political leaders believe that the Dey House bill to call a referendum on two wet and one bone-dry proposition should be "entitled an act to perpetuate the Turlington law in North Carolina." They figure that the two propositions for legalized liquor would split the wet vote and that the drys would stick together on proposal to retain present absolute prohibition. Another bill now circling around legislative halls would provide a referendum on a system of State sale of liquor. What will happen is, of course, in the future, but it is comparatively easy to strike out the section calling for a referendum. The drys realize that and are on their toes.

PUBLIC HEALTH

Senator Griffin, of Franklin, introduced a bill to require your child (if you have one) to be vaccinated against diphtheria between the age of six and 12 months but it ran into some rocks in the health committee. It developed that diphtheria anti-toxin sensitizes some patients against other vaccinations with "horse" serums. The committee couldn't agree on whether it was better to allow the child to be exposed to diphtheria or take chances on barring it from vaccination against certain other contagious diseases.

TOUGH BREAK

Parole Commissioner Edwin M. Gill spent much time preparing his brief for presentations before the appropriations committees of the General Assembly. He made detailed studies of the best methods of parole investigation and supervision and then when the money-spending committees met Commissioner Gill was confined to his bed with an attack of the mumps. As a result his brief had to stand alone for his cause.

NOT BEHIND

Lieutenant Governor A. H. Graham isn't letting any grass grow under his feet in the race for the gubernatorial nomination on the Democratic ticket next year, in the opinion of many political wisecrackers around Raleigh.

Clyde Basketball Teams Win Again

The Clyde basketball teams continued their winning streak last week by defeating the two teams from Webster in the tightest game of the season. The boys won by two points—24-26, while the girls led by only one point 18-17.

Green, for the Clyde boys was the outstanding player. He got 20 points, shooting from all parts of the court, but seemed at his best from the center stripe.

The girls played a steady game throughout.

The Clyde teams will meet the strong Bethel aggregation at Clyde Friday, February 8, and on the 13th will play Webster.

WORLD COURT DEAD ISSUE

WASHINGTON, D. C.—A dramatic scene was enacted in the Senate when twenty Democrats deserted the leadership to vote against the World Court, and American adherence became a dead political issue. Every moment was charged with tense excitement mounting with suspense and finally breaking forth in a wave of applause that spread to the packed galleries when the final result was announced.

MAY RESIGN

A number of the head-boys on the NRA board are expected to resign if Congress extends the Recovery Act.

MARRIAGE LICENSES

Ottis Henderson of Clyde and Frances Bonham of Clyde.

AMERICANS MURDERED IN PAST TEN YEARS

MIAMI BEACH, Fla.—Scott M. Loftin, president of the American Bar Association, last week stated that more Americans were murdered in the last ten years than were killed on the battlefields in 157 years. During the last 10 years 120,000 persons have been murdered in the United States while in 157 years of the nation's existence 112,721 men have died defending the American flag. 12,000 are murdered annually in the United States.

Sports Here And There In Haywood

Fines Creek has been winning any games. The opponents cannot blame it on the court as Mark Ferguson-Harriet Boyd teams have one of the best places to play in Western North Carolina. The writer is glad that Fines Creek and Bethel teams have places in which to play. They developed some of our best teams on the old sand courts and certainly a nice place in which to play. In the near future all schools, both elementary and high, will have places in which to play when the weather is not too hot. Maybe then the players will know more about ball games when they reach the upper grades.

The Canton boys have a good combination with Boyd Owen, the class of the outfit. Robinson isn't so bad for the girls but it takes five more for a sextette.

RED RAMBLERS PLAY DOUBLE-HEADER TONIGHT

The Red Ramblers, boys and girls, meet Clyde All-Stars here tonight in what should prove to be one of the most interesting games of the season. Clyde will present many former players who have performed on the local court, and the Waynesville teams will have some of the high's greatest stars. Especially will the girl's team have outstanding players, May Crawford, Rebecca Reeves, Sybil Underwood, Grace Platt Campbell, Scott Edwards and others will be in the opening line-up.

The boys should begin training for the "Y" Boxing and Wrestling Tournament.

OSBORNE'S COW MAKES NEW OFFICIAL RECORD

Peterboro, N. H.—A Guernsey cow owned by H. Arthur Osborne of Canton has just finished a new official record for production which entitles her to entry in the Advance Register of the American Guernsey Cattle Club. This animal is four years old, Lady Gale of Garden Creek, with a production of 10270.9 pounds of milk and 480.8 pounds of fat in class C.

pan and cook slowly for 10 minutes. Add 1-3 of a clove of garlic, 3 cups canned tomatoes, 1 teaspoon sugar, 1 teaspoon salt and a little pepper. Cook slowly 25 minutes, thicken with 2 tablespoons flour mixed with a little cold water and stir into the rice. Mix lightly with a fork and turn out into a hot dish. Sprinkle with a thick layer of Parmesan cheese just before serving. Green beans and braised celery make a good combination for this dish.

Rice Croquettes

2 cups cooked rice
3-4 teaspoon salt
3 tablespoons milk
1 egg, beaten
2-3 cup grated cheese
Cayenne
1 egg
1 cup bread crumbs.

Sarah Ann's Cooking Class

In the South rice is served often few foods have as dainty a flavor. It has about the same food value as white flour, oatmeal or macaroni. Rice blends ideally with vegetables, meats, eggs, cheese, fruit and milk. The most important of all rice dishes is boiled rice as it is the basis of most rice recipes, therefore it is important that the cook knows how to properly cook rice before attempting any rice recipes.

Boiled Rice

Wash the rice in cold water several times. Have ready boiling water—8 times as much water as rice—adding one teaspoon salt to each quart of water. Add the rice to the water slowly, taking care not to let the water stop boiling. Let cook undisturbed for 25 minutes or until the rice is tender. When done empty the rice in a colander and pour hot water through it until the grains separate. Drain, place the colander in the saucepan. Cover with a clean towel and let stand on the back of the stove 5 to 10 minutes.

Chicken and Rice en Casserole

1 green pepper shredded
2 cups cooked rice
1-2 cups chopped cooked chicken
1-4 teaspoon salt—paprika
1 cup milk
1-3 cup bread crumbs

Saute green pepper in a little shortening until tender but not brown. Put a layer of cooked rice in bottom of greased casserole. Cover with a layer of chicken and green pepper. Repeat layers until all is used. Season with salt and paprika and pour milk over all. Cover top with crumbs and dot with butter. Bake in an oven 350 degrees for 15 minutes.

Creamed Eggs with Chili and Rice

To two cups of well seasoned medium white sauce, add 1 teaspoon chili powder and 6 hard boiled eggs cut in quarters. Meanwhile, cook one cup of rice, season it and arrange it in a border around a platter. Pour egg mixture in the center.

Creole Rice

Have hot 1 cup of cooked rice. Melt 4 tablespoons bacon fat, add 1-2 cup sliced onion, 1-2 cup dried celery and 1 green pepper shredded. Cover the
