WAYNESVILLE PRESBYTERIAN CHURCH

Dr. R. P. Walker, Minister.
The Southern Presbyterian church is nearing the close of the church year, viz: March 31st. The Woman's Auxiliary is going to meet all obligations and pay up in full. They are going at it that way. They made over twenty-five dollars on their supper Saturday night and they are planning to have another supper, Fine. For the church as a whole to meet all obligations. Will we do it? "The Lord has no plans. He is counting on us."
Wasn't Dan Crawford right when he said: "Hats off to the past but hats on to the future."
The different departments of the church are different members of the spiritual body of Christ. If any member of the body suffers, the whole body suffers, so it is with the departments of the church. Therefore, attend the department of Bible study 9:45, the department of worship 11 o'clock, the department of training for service 6:45, and the department of prayer Wednesday 7:30 as well as the other departments when they meet.

In line with the thought of Loyalty the pastor will speak Sunday morning on Rev. 2:10, "Be thou faithful unto death and I will give thee a crown of life."
Everybody is cordially invited to this church. We were so glad to have a number of friends from the Methodist church last Sunday.

Sports Here And There In Haywood

By W. Theos. Reeves.

As the basketball season comes to a close teams of Haywood will be thinking of the W. C. T. C. tournament. It is believed by the boys around Cullowhee that this year will find the strongest team in play. The Clyde boys and the Bethel girls will be on top from here, and the latter may win the cup another time. The Waynesville girls will see Bethel in the finals.

Canton, Clyde, and Fines Creek have been playing and winning some ball games. The Clyde girls, led by Warren, will give any of them a good fight. The Fines Creek boys should stay a while with Coach Poindexter. The Canton boys will leave on the same bus. The Fines Creek girls like tournament play better than Canton. And as for me I'll buy a ticket with James' boys of Clyde and watch the score grow, and will not need any glasses to see Stoney pill in points for the Bethel girls.

The Bethel girls defeated the Mountaineers 29-24, and the quintet from over Pigeon Gap won 33-23. The Bethel Shumolis was the class of the second game while M. Phillips was outstanding in the opening contest. Queen is the best high school guard in this county. The splendid guarding of J. Phillips will give the Mountaineers a chance in tournament play. The continued improvement of Milner will not hurt the cause.

The writer doubts if he has ever seen a better combination in the girls' game than Crawford, Murray and Reeves. Against the Lenoir-Rhyne college girls they looked as if they had played together before that night. Either could make any position on the college team.

The Red Rambler will enter the Canton tournament somewhat strengthened by the addition of "Whitey" Russell. Mark Ferguson, one of the best players in this county, will also be

They have had grand results and the boys who will enter and their declamations are as follows:

2. Lafayette We Have Come—James Leatherwood.
3. Unknown Speaker—Joe Davis.
4. I Am Innocent—Gerold Rathbone.
5. Free Columbia—Eugene Francis.
6. The Soul of the American Soldier—Frederick Nichols.
7. Patrick Henry's Speech—Lester Poteat.
8. The Uprising in 1776—Gordon Hendricks.

Gudger Awards Given

Six of our best outstanding scholars were awarded Dr. Gudger honors recently. Dr. Gudger usually gives these students a subscription to the local library. The library is closed now so it is not known just exactly what he will do for them. We feel proud of all these people.
These are the pupils and their grades: Patricia Brand, Junior, with thirty A's and no absences or tardies; Margaret Hall, Junior, twenty-four A's; Mary Ann Turner, Junior, with 29 A's and 1 B. The boys are: Richard Turpin, Sophomore 24 A's; Jimmy Toy, Sophomore 23 A's; John Henry Ruff, Junior 22 A's and 2 B's.

with the Waynesville team.

Through the splendid co-operation of Miss Mae Crawford and the coach of the Bethel All-Stars, the girls, team of Lenoir-Rhyne was entertained in town last week. Many changes were made in order to play this game. It was considered an accommodation to Mr. Ward and his team of college girls. In return they displayed the poorest form of sportsmanship the writer has seen in many days—failed to show-up for a scheduled game with Bethel the following night. They had no excuse and offered none.

Phillips, Stoney, Queen, Warren, Welch, Owen, Brown, Arrington, Shumolis, and others, will be hard to keep off the all-tournament team. Impossible to forget them all.

.. and they all concede that Aerotype ESSO outperforms all other fuels

MODELED AFTER U. S. ARMY COMBAT AVIATION FUEL

Aerotype ESSO was the first motor car fuel ever modeled directly after combat aviation gasoline—the most powerful motor fuel known. It is the closest approach to U. S. Army Fighting Grade Aviation Fuel practical for use in automobiles.

In addition, it is an established fact that Aerotype ESSO starts quicker and attains maximum efficiency in less time and with less "warm-up" than any other fuel on the market today.

When 1,529,639 users out of a total of 1,529,752 give a product their unqualified endorsement the product *must* be good. That's exactly what happened in the case of Aerotype ESSO.

We guaranteed that it would outperform any other motor car fuel made. We offered a cash refund to any user who was not completely satisfied.

Of the 1,529,752 motorists who purchased Aerotype ESSO while our introductory guarantee offer remained in force* only 113 asked for refunds... less than 1 out of every 10,000 who bought.

Nearly \$3,000,000 worth of Aerotype ESSO was sold during the above period... while refunds amounted to only \$31.20.

Here's proof of performance far more impressive and eloquent than all the extravagant claims and fancy phrases we could invent.

In the light of this conclusive evidence, we ask motorists to try Aerotype ESSO with the expectation that it will prove the finest motor fuel they have ever used. And this pledge of performance is backed by the world's leading petroleum organization.

Fill up with Aerotype ESSO. You'll find that the first tankful makes a noticeable difference in the way your car performs.

*Cash Refund Guarantee discontinued December 21, 1934, on uncontroverted ruling of Petroleum Administrative Board.
