Jersey Women Organize Against Senator Huey Long

MAPLEWOOD, N. J.—A women's committee of New Jersey, headed by Mrs. William Childs, of Barnardville, has rallied to the support of a Louisiana women's organization in a battle against the filibustering Huey Long.

The committee was formed recently specifically to exert pressure on the United States senate to reject election fraud charges against Senators Long and John Overton, Huey's Louisiana colleague. Petitions requesting such a hearing will be circulated this summer, Mrs. Childs said, and a group may go to Washington later to plead personally for such action.

"I am not going to conduct a money campaign. I can only submit my desire to my loyal friends throughout the state and to the new friends I am confident they will make for me."

DES MOINES.—Two boys almost unearthed a crime wave here. Beachless, Raymond Munday and James Hyslop dashed into a police station yesterday.

"We found a skeleton at the Grand Avenue Bridge," they exclaimed. Policeman Lieutenant Floyd Halter and Corporal William Carpenter hurried to the scene.

"They're right," shouted the coroner, "but it's only a cow."
