Only three commercial exhibits are being shown.

Lovers of live stock and fowls get a thrill out of the second tent exhibits.

One of the freaks is the half chicken and half turkey. A cross between a Rhode Island Red and a bronze turkey. This belongs to J. H. Beach.

There are more shows and riding devices with the carnival this year than last, and some new ones, with the two most interesting next to each other—the ponies for the kiddies and the "Loop-o-Plane" which really stands the riders on their heads.

Local Legionaires Plan To Stage Big Armistice Program

Tentative Plans Call For Football Game And Exercises At High School, With Dance In Evening

Plans for the American Legion's Armistice Day observance are gradually taking shape, it was announced by LeRoy Davis, chairman of the committee in charge, at the regular meeting of Haywood Post No. 47 Tuesday night.

The tentative program calls for a parade in the morning from some point down town to the high school building, where appropriate exercises will be held in the auditorium with the students participating. Efforts are being made to schedule a football game for the afternoon between two nearby CCC camps, and the day's events will end with a dance in the evening at the Masonic Temple hall, sponsored jointly by the Legion and the D. A. V.

Besides the regular routine business, a movement was inaugurated to organize a Legion drum and bugle corps, with Bob Gibson as director. Mr. Gibson has asked that all boys who are interested meet him at the Amory next Tuesday night at 7:30 o'clock. Several years ago Haywood Post No. 47 had a drum and bugle corps which was a credit to the town and county, and Mr. Gibson is seeking to re-organize it. He said the Legion owned a number of instruments which were distributed among the members of the old corps, and those who have not yet done so are requested to turn

them in to him, Commander Howell, or Adjutant Davis.

Fred Martin, chairman of the entertainment committee, asked that the committee be continued until the next meeting, as the committee decided since the Legion is sponsoring the Haywood County Fair, most of the members had probably planned to be on the fair grounds Tuesday night, and it was thought best to postpone the entertainment feature until some future meeting.

Commander J. H. Howell presided. The next meeting will be held Tuesday night, November 5th, one week earlier than the regular meeting, in order to complete arrangements for the Armistice Day celebration.
