

Two Games Played By Clyde High

The cage teams of the Clyde High school have met two opponents during the past week, both of them twin bills. On both occasions they split with the opposing teams. On Thursday night, Dec. 12, they played the team from Cullowhee High school. The girls dropped their half of the show to the visitors by a score of 21-9, the Clyde girls put a grand fight during the first half, but weakened in the second half to allow the Cullowhee team to run up a score with which they could not contend. Brown and Hooker were outstanding for the Clyde girls, while Stevens and Cope led the visitors to victory.

The Clyde boys did much better during their part of the evening show, and turned back the visiting boys with a score of 16-6. The Clyde boys are all inexperienced but they displayed a fighting spirit with which the Cullowhee boys could not cope. With the Leatherwood brothers, Long Tom at center and Earle at forward leading the Clyde charge and playing a bang-up game of basketball ably supported by the other members of the team, the Cullowhee boys were hopelessly outclassed. Harris, Clyde guard, played a fine brand of basketball, personally accounting for seven points of the sixteen total. His playing was handicapped due to the fact that he did not co-operate with the other members of the team. It takes five men playing together to consistently win games.

On Tuesday night the two teams met the cagers from Bethel, again splitting the show. The girls dropping their half of the evening's entertainment to the visitors by a score of 10-10. The boys again showed themselves to be tough and turned back the visitor by a close score of 18-16.

Club Organized by Clyde Group

A group of the Clyde Younger set have organized the winter Garden Club. They have planned to have dances monthly as entertainment and recreation for the younger people of the town. The first dance will be held at the Clyde Inn, Monday night, Dec. 23, in honor of the Clyde students who will be returning home from college for the Christmas holidays. The famous popular Asheville orchestra, has been engaged for the affair. Dancing will begin at 8:00 P. M. to 1 A. M. Refreshments will be served during the intermission by Mrs. Creighton Norris, manager of the Clyde Inn.

The expense of the dance will be borne by club members and no script will be charged. Admission will be by invitation. All guests are asked to register upon arrival.

The visitors were leading in the closing minutes of the game by 16-14. Harris fouled out and Gossett sub was sent in in his place, he immediately announced his presence in the game by flipping in a field goal which tied the score 16 all. The play then went into an extra period and just before it ended Clyde accounted for another field goal which ended the game. Both teams were evenly matched, neither having an advantage over the other. Carr and E. Leatherwood played stellar ball for the Clyde team.

This was Clyde's first county game, and with the first chalked up as a win to their credit, it looks as if they will be a threat for the county championship. We noticed that both the Waynesville and Canton coaches were scouting the game Tuesday night. So from the way the boys played they sure got an eye full.

Romantic Rumors Link Stars

Frequent appearances together recently of Joan Blondell and Dick Powell, Hollywood celebrities, have lent credence to rumors that the blond star will middle-aisle it with Powell as soon as her divorce decree is final.

How Calotabs Help Nature To Throw Off a Bad Cold

Millions have found in Calotabs a most valuable aid in the treatment of colds. They take one or two tablets the first night and repeat the third or fifth night if needed.

How do Calotabs help Nature throw off a cold? First, Calotabs is one of the most thorough and dependable of all intestinal eliminants, thus cleansing the intestinal tract of the germ-laden mucus and toxins.

Second, Calotabs are diuretic to the kidneys, promoting the elimination of cold poisons from the system. Thus Calotabs serve the double purpose of a purgative and diuretic, both of which are needed in the treatment of colds.

Calotabs are quite economical; only twenty-five cents for the family package, ten cents for the trial package. (Adv.)

William Smathers Out For Governor Of New Jersey

A political item in the Atlantic City News, of recent date says that William H. Smathers, son of Dr. and Mrs. B. F. Smathers, has a good chance to win the Democratic nomination for governor of New Jersey. He is a member of the New Jersey senate. Senator Smathers last year smashed the 40-year Republican rule on Atlantic county and became the first Democratic senator from the county in decades.

This victory seems to have given Senator Smathers much political prestige and as a result Mayor Frank Hague, Democratic chieftain, has about decided to swing his powerful organization behind him for the gubernatorial nomination.

TO GIVE PAGEANT

"The Bethlehem Inn," a pageant of the nativity in three scenes will be presented by the Clyde High school, Thursday evening, December 19, at 7:30 o'clock in the school auditorium.

The principle characters are: Evelyn Fincher, the prologue; Rickard Rogers, the Roman inn keeper; Geraldine Robinson, the blind beggar maid; Carlton Corzine, the Jewish stable boy; Adeline Rogers, as Mary; Sebe Bryson, as Joseph, and Alice Fincher, the postlude.

Other characters include seven shepherds, three wise men, two travelers, four Hebrew women, and the three kings of the Orient.

Between scenes children from the elementary grades will pantomime "O, Little Town of Bethlehem," and "Silent Night."

Question: What proportion of birds should I give my tenant who is raising poultry for me on shares?

Answer: Where all the baby chicks, equipment, and feed are furnished the tenant should receive about one-seventh of the birds or an equal amount of the sale price. From 14 to 18 per cent of the sales is a good range for labor payment. To make any profit from this arrangement.
