It Happened Here

By Tom Reeves

"And then the moon, like to a silver bow new-bent in heaven, shall behold the night..." but it was more like a golden bow as a blazing moon seemed to reach downward to touch the mountain tops over Fiberville... as a king in majestic glory it ruled over the glimmering Pigeon River and the quiet and almost completely sleeping village... everything appeared so wonderful... I was in the land of dreams... very happy dreams... but back to the land of reality I returned like a flash when pausing to see the heart of Canton, much larger than my own, send its fiery blood and breath toward the heavens...

Of the middle-aged group at dances I would expect to see Mr. and Mrs. R. L. Prevost, Mr. and Mrs. Jim Long, Mr. and Mrs. Harden Howell, and Dr. and Mrs. Reeves...

Bill Hart is the new clerk at Waynesville Pharmacy... Bob Caldwell and "Tony" Davis at Felix's... fellow operating pool room resembles Alney McHaffey... Roy Briggs should see his likeness... Herbert Gibson, Jr., of Sylva... Walter Crawford and Joe Tate bring out the straw hats... I believe Frank Ferguson, Jr., has the only green shoes for men within the territory of "It Happened Here"... E. B. Moore is back from Florida... I remember him from the trip he, Joe Welch, Annie Louise Wilson and I took to the Vanderbilt dance some few years ago... Joe Davis has the best car in Hazelwood... yes, in my estimation...

Heard at the ball game in which we lost 12-11: "Ed's high's coon"... He's one of the best catchers Hazelwood's every had... "Nothing like plenty of sleep, Dutch"... "Nice going Wyatt"... "If a man had a woman like that he ought to take her home and kill her"... "Putnam was safe because he was tagged behind the plate..."

By the Grove Park to Greenville... New Orleans... to Houston... Plan to return following summer... Susie sure has changed plenty in the last few weeks... and the town talks on about the wedding while I wish good luck to the newly married Trammells as they leave us for Texas...

LeRoy Davis will be leaving our group soon... it's o. k... best of luck... I've heard as many good things said about Kitty Stubbs as about any person... we at the lake sure like her... that trip by Charleston and the Clyde Line to New York is splendid... on to Lansing for a new car... and congratulations to you, LeRoy...

Waiting in a strange post-office I have a feeling of being watched... which would show better judgment, leaving a finger nail dirty or cleaning it in public... anxious to see Hazelwood's new post-office... I think Ernest Hyatt is building a new home... I hope a bride is never placed over that first crossing of Allen's Creek... it is enjoyable to visit the Sordley and Pack libraries in Asheville... try it some time... a long time since I have visited so beautiful a place as Shadowlawn, the home of Henry MacFayden, who is a brother of Mrs. J. T. Bailey... their mother lives near the Haywood County Hospital... At Canton to spend the night in the beautiful home of Helen Leatherwood... her married name... I told you there were some words I wouldn't even attempt to spell... Clarence Medford, formerly of Hazelwood, gets one of my votes in the commissioner's race...

Homer Cagle says that a certain constable in his township has come to the definite conclusion, after thoroughly studying the case, that Bruno

HAZELWOOD PRESBYTERIAN CHURCH

Sunday will be children's day in our Sunday school. Following the class period a short pantomime, "Spring in the Brown Meadow," will be given by the children of the primary department. A special invitation is given the parents to accompany the children Sunday morning.

A surprise was given the people last Sunday when the church service preceded the Sunday school. Only the pastor and church officers and choir leader knew of the plans. When all were assembled the service began. All co-operated splendidly and saw how the church attendance would be if all stayed for church.

Sunday, May 31 will be "home coming day." It is hoped that every member of church and Sunday school will be present. The day marks the end of the seventh year of the present pastorate. There will be interesting special features on the program for the day.

Announcement was made last Sunday that there will be a Vacation Bible School again this year. A Miss Garrette will be in charge, being a special worker in Asheville Presbytery this summer. The date of the school will be held July 13-25.
