#### TWO GREAT SALES

Either of these sale events would be sufficient, but by combining the two—our opening in our new store, together with the annual clearance of summer merchandise, we have a sale that is a sale. Our "two sales in one" will be far ahead of any other sales event yet offered the people of this county.

We have a large, lighter store, and a much larger stock of high quality merchandise. Several new lines have been added. Spend your money at the BARGAIN CENTER OF HAYWOOD.
