## Soon All Right

"I had regular shaking spells from nervousness," writes Mrs. Cora San-ders, of Paragould, Ark. "I was all run-down and cramped at my time until I would have to go to bed. After my first bottle of Cardui, I was better. I kept taking Cardui and soon I was all right. The shaking quit and I did not cramp. I felt worlds Thousands of women testify Cardui bene-fited thom. If it does not benefit WOU, consult a physician.

If they are vigorous and in good vitality they muy be used, but the number of females should be reduced to each male. It must also be re-membered that if these birds are mated hack on their progency, inbreeding is taking place and this should be carried out only on a carefully planned basis. In either case the birds should have been separated from the females after the last breed. ing season and, if this practice was not followed it would be well to select new males for breeding.
