Red Cross Drive Meeting With Success. \$400 Expected

Workers Are Making Canvass This Week In Effort To Raise Quota Of \$400

L. N. Davis, chairman of the annual Roll Call membership drive of the Red Cross, stated late Wednesday afternoon, that the workers were meeting with gratifying response, and that he felt confident that at least twenty-five per cent of the quota of \$400.00 set by National headquarters, would be raised on the first day.

On Monday night the officers, various chairmen and assistants and the ministers of the town held a supper meeting in the Welch Memorial building of the Baptist church, with the Rev. H. W. Baucom, chairman of the chapter, presiding.

Included on the program were talks by Dr. R. S. Truesdale, Dr. E. P. Walker, Chas. E. Ray, and William Medford. The officers and chairmen were introduced, several of whom made brief talks, as follows: Mrs. Jack Messer, chairman of the tubercular children, Bob Gibson, chairman of pellagra control, Homer Henry, chairman of disaster relief, and Mrs. Grover C. Davis, home hygiene and care of the sick.

The following workers appointed by Mr. Davis, who have in turn selected three or four assistant workers, are soliciting members in pledges: M. H. Bowles, Dr. S. P. Gay, Mrs. Grover C. Davis, Homer Henry, Bob Gibson, Miss Stephanie Moore, Mrs. Edna Shields, L. M. Richardson, Whitney Prevost, Ben Colkitt, Kenneth Steely, Swan Hendrix, Miss Elicon Fisher, Lawrence Leatherwood, W. L. McCracken, Jule Boyd, Fred L. Safford and Chas. F. Owen.

The drive which started yesterday will continue through Saturday, and during that time the plans include a canvass of all the territory in the Haywood Chapter.

Truck Forces Car Off The Highway

Oliver Clark, truck driver for Western Carolina Creamery, was painfully, but not seriously injured early Monday morning, when he was forced off the highway by a large interstate express truck.

Mr. Clark was en route to his work driving his personal car, when the accident happened. His car was ditched near the intersection of Ratcliff Cove road and Highway No. 19.

Jesse Noland, 79, Buried On Monday

Last rites were held on Monday afternoon at two o'clock at the Panther Creek Baptist church for Jesse Noland, seventy-nine, who died at six o'clock on Sunday morning at his home in the Iron Duff section. Rev. D. D. Russell, pastor of the church, conducted the services, and interment was in the cemetery nearby.

Surviving are five children, three daughters and two sons as follows: Mrs. Virgie Burgess, of Greenville, S. C.; Mrs. Elizabeth Messer, of Illinois; Miss Gussie Noland, of Iron Duff; John Noland, of Greenville, and Grover Noland, of Hazelwood.

Confederate Flags Will Be Sold Sat.

On Saturday the annual sale of miniature Confederate flags will be sponsored by the Haywood Chapter of the United Daughters of the Confederacy, with Mrs. C. F. Kirkpatrick, assisted by Mrs. O. R. Martin in charge of arrangements. They will direct a group of the young girls who will sell the flags on the streets.

The money derived from the sale will be divided between a cheer fund for the veterans of the War Between the States, residing in the county, and those living at the Old Soldiers Home in Raleigh.

Prisoner "Gone With The Wind"

Late Wednesday afternoon Slim Iman, 38, was still at large, after pulling one of the most realistic stunts ever heard of in order to get a chance to get out of jail for 2 months, charged with breaking into a store in Canton.

Saturday afternoon he became violently ill, complaining with a severe pain in his right side. Physicians were called in, and Iman was carried to the hospital. No guard accompanied the prisoner and the doctor, and upon arriving at the hospital the young man took advantage of the doctor's back being turned, and fled from the scene.

It is not uncommon for prisoners to cut soap, it was learned. The cutting of soap will usually bring on a temperature. It is not what young Iman might have eaten that officers are asking, but "where is he running to?"

City Being Cleaned Of Leaves By The Street Department

Garbage Truck Averaging 2,000 Loads of Trash A Year To New Incinerator

Every effort is being made by the street department of the city to rid the city of leaves, according to J. M. Palmer, superintendent of the department. The accumulation of leaves on the street causes considerable trouble in the fall in stopping up storm sewers, and making an untidy appearance.

Mr. Palmer says that leaves are raked up and placed in piles in the street gutters, and that he is notified at phone 153, and the truck will call by and pick them up.

In checking over the year's work, it was found that approximately 2,000 loads of garbage had been hauled by the city trucks during the past year. The high peak is during June, July and August, when about 190 loads are hauled monthly. The remainder of the year averages about 150 loads monthly.

The present schedule is through the residential sections every Friday, and the business sections on Mondays and Wednesdays. There are four men on the crew, besides Mr. Palmer, superintendent. The same crew works on the streets, and one man is kept at the incinerator to dispose of all trash.

Next Week's Paper Will Be Published Tuesday Afternoon

As has been the custom for years, next week's issue of The Mountaineer will be published on Tuesday afternoon instead of Wednesday afternoon. This will be done in order that subscribers can get their paper on Wednesday before Thanksgiving, instead of on Friday.

There is no mail delivery in the city or on the rural routes on Thanksgiving Day.

All those having notices for next week's paper are urged to get them to the office not later than noon Tuesday. The paper will go to press about two o'clock Tuesday afternoon.

District Library Will Meet Here 24th

A district meeting, comprising the territory from Hickory to Murphy, of the Citizen's Library Movement, will be held here in the court house, on Tuesday, Nov. 24th, with the morning session convening at 10 o'clock and the afternoon at 2 o'clock. Mr. Marjorie Beal, director of the North Carolina Library Commission, will preside.

The meeting is an outgrowth of the realization on the part of the citizens of North Carolina, that there are more than a million and a half persons in the state, still without library service. Last summer a meeting was called at Chapel Hill and attended by those interested, and the conclusion was reached that material improvement of conditions could only be reached with state funds to stimulate the library development.

As a result meetings are being held this month in the following towns: Fayetteville, Oxford, High Point, Statesville, Wayneville, and Kinston. All interested citizens are invited to attend the meetings and take part in the discussions, as a means of promoting the idea of better library service for North Carolina. It is a distinct compliment for Wayneville to have been chosen as the meeting place for the western district, and all the citizens are urged to attend at least one or both of the sessions.

Sutton's Barber Shop Is In New Location

Ben F. Sutton, proprietor of Sutton's Barber Shop, moved his shop this week just across the street opposite his former stand. The new shop will afford more room and better accommodations. The shower baths are being installed this week. Mr. Sutton says he is well pleased with his new location and is now in position to give his customers better service than ever before.

Annual County Gridiron Game Set For Friday

Both Teams In Splendid Condition For Game Here Friday Afternoon

Waynesville county's major athletic contest will take place here Friday afternoon at 3:30 when the Canton Black Bears, lock horns with the Mountaineers in their annual gridiron classic.

Both teams have made impressive showings this year, and all indications are that this year's contest will be won by a close score and that it will be either team's game until the final whistle.

Not only will it be a game in which two outstanding teams will participate, but also one where coaches will be at their best. C. C. Poindexter, Canton coach, and a former Waynesville coach, will put everything he has in his team in order to win the game that the Canton Black Bears have failed to win in five years.

Coach Carleton Weatherby has sent a winning team against Canton every year since 1930, when the Mountaineers were nosed out by a 6-0 score.

Plans are being made to take care of several thousand fans at the new stadium on Friday afternoon. The stores here will be closed from 3 to 5 o'clock, it was announced by the merchant's division of the Chamber of Commerce.

The loudspeaking outfit will be used Friday in order to give the fans a detailed description of the game. This will be the first time the system has been used at a Canton-Waynesville game.

Both teams have played winning games this year, winning more games than they have lost.

The Mountaineers were defeated last Friday at Mars Hill by a score of 2 to 0. This same Mars Hill team was defeated by Marshall, and the week before that Canton took Marshall down for a bad licking.

It was announced yesterday that an admission price of 25 cents for children and 75 cents for adults would be charged. Officials are anxious to raise enough money to finish paying for the indebtedness on the stadium, which was completed this spring.

The scores of past years between the two teams are as follows: 1929—Waynesville 6, Canton 7. 1930—Canton 6, Waynesville 0. 1931—Waynesville 19, Canton 0. 1932—Waynesville 12, Canton 0. 1933—Waynesville 12, Canton 0. 1934—Waynesville 30, Canton 12. 1935—Waynesville 13, Canton 6.

Mr. Zeb Rogers, formerly with the LeFaine Hotel, left during the week for Miami, Fla., where he will spend the winter.

L. A. Downs Thrown From Wagon And Killed Monday A.M.

Farmer Of Lake Junaluska Instantly Killed When His Wagon Is Hit By Car

Last rites were held Wednesday afternoon for L. A. Downs, 49, of Lake Junaluska, at the Davis Chapel in Iron Duff township.

Mr. Downs was instantly killed early Monday morning, when he was thrown from his wagon on Highway No. 19, about a mile east of Lake Junaluska, in front of his home. The wagon was hit from behind by a car driven by Melvin Reeves, 25, a Waynesville man who was en route to his work in a Canton drug store.

Mr. Reeves told officers that he was blinded by the sun as he made the curve, and ran into Mr. Downs' wagon. The deceased lived about four minutes. He suffered a broken neck and fractured skull, it was said. Mrs. Cash Yarborough, a daughter of Mr. Downs was an eye witness to the accident, and was the first to reach her father. She lives across the highway from her parents.

Mr. Reeves is under a \$5,500 bond. A hearing has been set for Monday afternoon before magistrate C. B. Atkinson.

Mr. Downs was a farmer, and was well known in this county. He married Miss Charley Morrow in December, 1910, and they had five children, Mrs. Cash Yarborough, Rufus, Lawrence, Pauline and Christine, all of Lake Junaluska. He is also survived by his mother, two brothers and four sisters.

He was a member of the Antioch Baptist church, having been a faithful member for over 25 years.

The funeral services were conducted by Rev. Frank Leatherwood, Rev. A. C. Arrington, Rev. R. P. McCracken, and Rev. J. P. Carper.

Mr. Downs was driving a two-horse wagon at the time. The wagon was demolished, but neither of the horses were hurt beyond a cut and a bruise.

F. W. McLean, 70, Buried Wednesday

Funeral services were held Wednesday afternoon at 1 o'clock from the residence on the Fairview Road, for F. W. McLean, 70, who died Tuesday afternoon at 1 o'clock at his home near Waynesville. Interment was in the family cemetery.

Mr. McLean was born March 18, 1866, in Alliance, Ohio, and had been residing in Waynesville since 1927. Surviving are his widow, Mrs. Clark McLean, four daughters, Mrs. Charles O. Gerber, of Alliance, Ohio, Mrs. Charles M. Smith, of Quantamony, Cuba; Mrs. A. H. Moore, of Cleveland, Penn.; and Mrs. May M. Smith, and several grandchildren.

Musical Service At Baptist Church Sunday Evening

The Waynesville Choral Club will furnish music for a union service to be held at the First Baptist church next Sunday evening, Nov. 22nd, at 7:30. All Protestant churches of Waynesville are participating in this service, each pastor performing a part of the service.

Though most of the music will be furnished by the entire choral club, a part of the service will be sung by a newly organized group of ladies chosen from the ranks of the choral club. This group will be known as The Ladies Choir of the Waynesville Choral Club. Because each member of the ladies choir is chosen for her particular quality of voice and the ability to read music, this group is attempting to sing the more classical and difficult church selections.

This is the first choral club service this fall. The next one will be held at the First Methodist church.

Winter Weather Hits Waynesville

The first touch of real winter weather, hit this community Sunday morning, when snow flurries flew for a short time. The official weather report shows that the temperature Sunday reached a low of 28, but on Monday reached a low of 17. Monday was the coldest day, with the highest reaching only 43.

Miss Emily Palmer, who is attending the Western Carolina Teachers' College, was the guest during the week-end of Miss Josephine Platt.
