

CARD OF THANKS

want to express our sincere thanks for the kindness extended to us during the sickness and death of our father and grandfather, and to especially thank dear Dr. ...

FREE MAIL

Seven hundred million pieces of mail containing "free" bulletins, the speeches of Senators and Representatives and vast quantities of official correspondence were distributed last year by the administrative, legislative and executive branches of government.

HERE and THERE

By Hilda Way Gwy

This week we would like to join the people of this nation ... particularly the grateful citizens in the Mississippi Valley ... to honor General Harley B. Ferguson, native son of Haywood ...

writer of the message bought a pair of shoes ... from one of the stewards of the church—son-in-law of the neighbor ... did not notice that she used the same check ...

Briefs ... Lucy and Elsie Tate ... sisters ... look as if they were twins ... the former Mrs. Woodson Jones, and the latter Mrs. L. C. Rouser, of Asheville ...

It's rather astounding to know how many people seem to think the story of Tsalsi as told in the recent article in Colliers on the Great Smoky Mountains National Park was a bit of fiction. I have had several local persons to ask me if I had ever heard the story before ...

It's funny sometimes ... and tragic others ... how our remarks come home to roost ... sometimes we are not anxious to claim them as our own ...

Saturday morning ... I was amazed and a bit envious ... when I saw one of the columnist on this paper ... sit down and write his columns for four consecutive weeks ...

BASEBALL UNION

It has been the belief of Raymond J. Cannon, Wisconsin Congressman and Townsend plan advocate, that baseball players should be unionized. He has recently announced that he will soon introduce a bill to make such an organization possible.

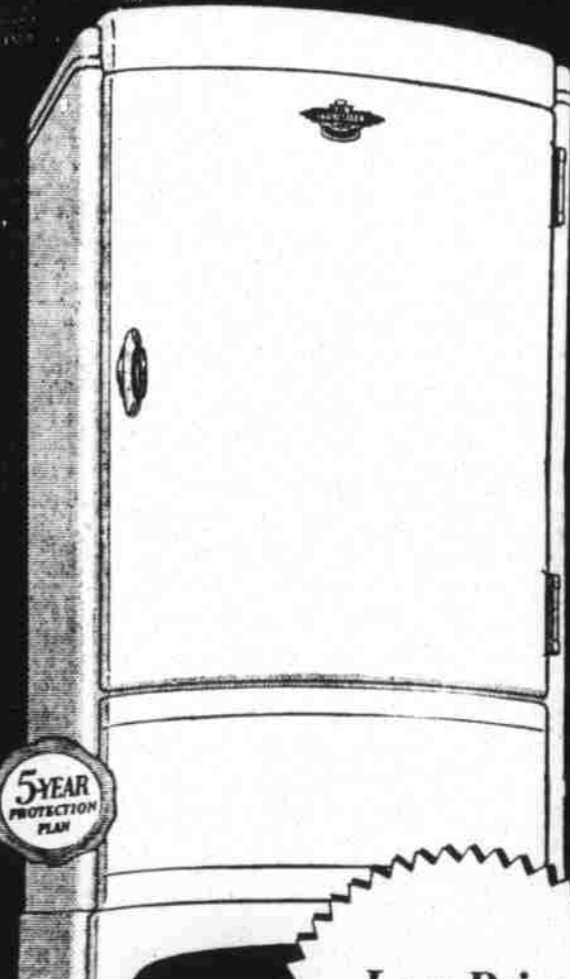

Less Monthly Discomfort
Many women, who formerly suffered from a weak, run-down condition as a result of poor assimilation of food, say they benefited by taking GARDOL, a special medicine for women. They found it helped to increase the appetite and improve digestion, thereby bringing them more strength from their food.
Naturally there is less discomfort at monthly periods when the system has been strengthened and the various functions restored and regulated. Gardol, praised by thousands of women, is well worth trying. Of course, if not benefited, consult a physician.
