

Manufacturers Win Opening Game, 15-11

Edward Tanners Defeated Tuesday In Exciting Game

Monteath, Manufacturer Hurler, Wins Nine Visiting Batters, Sayles Here Saturday

SLANTS ON SPORTS

GORDON HENDRICKS

Now that the Manufacturers of Hazelwood have broken into the winning column, they can begin to look for the crowds to witness their contests. Despite the cold weather last Tuesday, there was a fairly large gathering on hand to see the Tanners of Brevard fall 15-11.

Monteath, the local hurler, was in fine form against the Tanners, fanning nine, and keeping the hits he allowed well scattered.

Although the team did not wear the new uniforms in the opening game, they will be on hand Saturday when Sayles will visit the local park. We hope that the boys break the new suits in with a win.

With Monteath showing good form this early in the season, and Putnam slated to pitch next Saturday, the pitching matters of the club are well taken care of. If anything should hinder these two from performing, Byrd, right-hander, and A. Wyatt are always ready.

With a little encouragement, the outfield should round into shape soon. Last Tuesday, Truit, left field, and Scruggs, right fielder, shared hitting honors with G. Wyatt, short stop, with 3 hits in 5 trips to the plate. Andy Wyatt, center field, collected 2 hits in 5 trips up, and came through with a nice sacrifice hit in the fifth inning.

The work of the infield was a pleasing sight in the last game. Wyatt on short, and Captain Fisher on second base, have always been mainstays, and now that Inman is showing real form on the "hot corner" again, and with Ewing handling the first sack like a veteran, the "Mighty Four" appear headed for a great season.

Although the Manufacturers had a number of stolen bases, the Tanners found it rather difficult to steal over

Clark, local catcher. It has been said that all great catchers are lazy; then to a certain extent, Clark is indeed great.

Last week at Hendersonville the tennis tournament was rained out, but things looked mighty good for the locals. David Stentz was leading his opponent from Canton, and Mary Stentz was ahead of her Mars Hill opponent when the rain halted play.

It was only after much "weeding" that the school's representatives for the tennis tournament were chosen. In the final matches at home, Mary Stentz defeated Virginia Whitner 6-2, and Eula Mae Thrift turned in a 6-2 victory over Mary Potrat.

David Stentz and Joe Ramsey will pair up in the double matches to represent W.H.S., and Mary Stentz and Eula Mae Thrift will play in the girls' doubles.

Canton High School has been represented by a fine baseball team in games played so far this season. Last week they defeated the Asheville School "Blues" 15-1 in a five inning game.

Coach Weatherby was right there on the players' bench last Tuesday, and were he and Manager Shields co-operating? The answer is "Hazelwood 15-Brevard 11."

Ancient Proverb

The proverb, "Where there's a will there's a way," is very old and is found in Danish, Italian and Spanish literature of an early date. The origin is not definitely known.
