"The growth of the Land O' The Sky Association has been phenominal, Mr. Barr said, "Sales have grown 150 per cent and would have grown 300 per cent, but for the drought. We hope to sell \$300,000 worth of packed goods

Much is spent in sending out information to the growers. The last of 1936, we mailed 13,000 letters consisting of 4 or 5 pages. All these dealt with the co-operative movement."
