By HILDA WAY GWYN

How you will sympathize with the... Mr. J. G. A. Davey... and world traveller... of Soco Gap... whom we... as a Haywood county... told about recently... he... Mrs. Davey were having break... in the Green Tree Tea Room... had given their order when a... one member a nice... woman who must have tipped... she studied the... and with the... ordered orange juice... in the meantime... Davey's order came... a pile of... with cascades of melting... two golden brown eggs... of country ham anchored... of fragrant gravy... she almost choked... after a time she... to take her eyes away... as the butter melt... so did the desires... the strength of... she could stand it no... she called the waiter... mentioning to Mr. Davey's table... in no uncertain tone... an order just like his."

OS. SCHLITZ BREWING CO. MILWAUKEE, WIS. The BEER That Made Milwaukee Famous

of privately owned places... comes the annual agitation of traffic on Main Street... I think sometimes we forget that Main Street is not our exclusive property... and that it is not only a state highway... but a national... and what is more we all want it to remain as such... for it would, indeed, be a sad blow to our civic pride to have traffic routed on some side street... and unless we are careful... I have been told by those who know... that such is likely to happen... we have all learned that highways do not stay "put" any longer... mountains may be removed and valleys filled in to make a new right of way...

Any business man stands in his own light... when he parks his car on Main Street... maybe it will be someone passing through town... who would like to make a small purchase... maybe some local resident... at any rate if the cars of the firm take up all the space... the prospective buyer... will often drive on... the business section of Waynesville occupies but a small area... in fact it is just a good healthy walk through our shopping district... we natives had better learn to keep our cars off Main Street... it must be kept open for the traffic for the passing visitors... maybe if they find a place to park... they won't be in such a hurry to pass... but will pause a bit...

It was in a group of strong Democrats... the older ones were discussing William Jennings Bryan... and the following story was told... Bryan was visiting in Japan... he was attending a banquet given in honor of the Admiral of the Japanese Navy... High Tribute was being paid the guest of honor... Glasses of champagne were lifted... with a gasp of consternation, it was noted that Bryan lifted his glass of water... someone touched his arm... and told him it would never do... it would be taken as an insult... but Bryan went ahead... and in a gracious manner, continued to hold his glass of water and said, "You won your victories on Water, Sir, and I drink to your good health in Water... when you win your victories in champagne... I shall drink to your health in champagne..." and the stroke of tact saved the day... and made quite a hit with the Japanese...

Briefs... Spring is here, with summer close at her heels... for Donald Dunham is back from St. Augustine... and getting his flowers planted... he brought some full grown tomato and pepper plants for his vegetable garden... which is encouraging... for he is just from Florida... and he must expect an early season... It's a bit unusual to comment upon a visitor's age... but Mrs. Emma Bissell who left here this week after a visit to Mrs. Mary Saunemig... should win all honors... for her pep and youngness at the age of 84... except that she claims it... you would never believe it... have you noticed how effective are the blue pitcher and glasses on the red and white nest of tables in the Aiken Gift Shop... Alexander's windows honoring the graduates catches the eye... if you haven't driven past the apple orchards... don't fail to this week...

**Ancient Snake Bite Cure**  
One of the superstitious remedies for curing snake bites in the pioneer days in Ohio was the application of the flesh of black cats. After the cats were killed and dressed, their flesh was applied to the spot on the human body that had been bitten.

## Three-Ring Animal Show Coming Sat.

On Saturday, May 1, just about the time most of the people of Waynesville are thinking of getting up, the long line of trucks of the Mighty Haag Shows will begin arriving here, and start work pitching their vast city of tents on the Show Grounds where they will give two complete performances.

The Haag Show this year will bring to Waynesville many wild animals, horses, ponies and trained dogs. This year the Haag Shows are featuring such well-known acts as the Tan Araki Japanese Troupe in a new act, Johnson Duo of Wire Walkers, Zelda Troupe of head balancers, Fisher Family of Acrobats and Haag's Herd of Performing Elephants, presented by Miss Helen Haag who takes her life in her own hands twice daily when she places her head in the mouth of one of the elephants.

Performances start at 2:00 P. M., and 8 P. M., but doors will open one hour earlier so as to give everyone ample time to visit Haag's zoo and be entertained by Haag's Gold Concert Band.

# I am a NURSE in the Mountains—

**The TRUE story of how Teresa Davis Strother of Glenville, W. Va., brings aid and comfort to isolated cabins...**

SEVERAL MONTHS AGO I STARTED TO DO COUNTY HEALTH WORK IN THE MOUNTAINS OF WEST VIRGINIA

IT WAS SLOW TRAVELING AND I BOUGHT A 1933 COUPE, NOT QUITE KNOWING HOW I WOULD MEET THE PAYMENTS

MY ROUTE TOOK ME OVER UNIMPROVED ROADS AND MOUNTAIN TRAILS...

TO ISOLATED LITTLE CABINS FAR FROM MAIN ROADS

BUT I SOON FOUND I COULD GET 20 MILES PER GALLON USING ESSOLENE AND THAT...

I WAS ALLOWED 5 CENTS A MILE FOR TRANSPORTATION

I COULD NOT ONLY PAY FOR THE GASOLINE... BUT TAKE CARE OF THE CAR PAYMENTS, AS WELL... OUT OF THE 5¢ A MILE ALLOWANCE!

**For Extra Mileage**

# Essolene MOTOR FUEL

PROTECTED BY U. S. PAT. NO. 2,066,234

YOU have the written testimony of thousands of motorists as your assurance of extra mileage with Essolene, the patented gasoline at regular price. Essolene gives more miles per gallon than even most premium priced gasolines and no gasoline at any price gives more.

Essolene is different... so different it's actually been granted a U. S. Patent. Different, patented, loaded with extra miles. Try one tankful and see why Happy Motoring Starts at the Esso Sign.
