WE ALSO FEATURE ARCHER HOSE

IVEY'S of Asheville

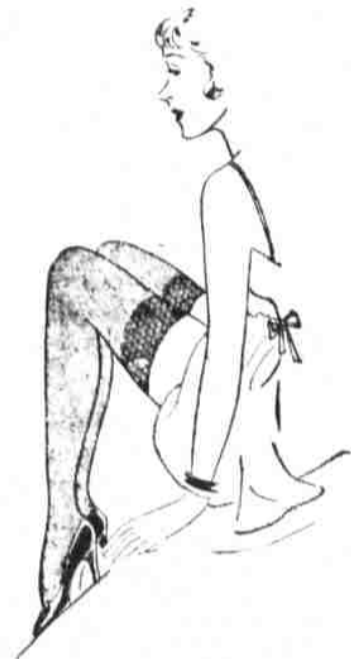

In Asheville Papers This Week Had This To Say OF ARCHER HOSE.

"We looked for three things to present to the women of Asheville in our feature stocking.

1.—Beauty that will create a desire in you for the stocking.

2.—Quality that will make you come back for the second pair—and then forever.

3.—Long wear that you have never believed possible in a stocking of gossamer sheerness.

"These three specifications we insisted upon and chose Archer Hose as qualifying. Try a pair. Get the Archer habit. It's an economy that never sacrifices smartness or beauty."
