

Miss Wyatt Given Honor At WCTC

Miss Lillian Wyatt, of Hazelwood, has been admitted to the Alpha Phi Sigma honorary fraternity at Western Carolina Teachers College. Membership in this fraternity is limited to students maintaining a high scholastic rating.

Miss Wyatt is a member of the sophomore class and is an active student on the campus. She is president of the B. S. U. council for next year, is editor of the Western Carolinian next year, and has been Y. W. A. president this year.

She is the daughter of Mr. and Mrs. H. L. Wyatt, of Hazelwood.

By actual test, handwriting in pencil requires nearly five times as much light to be legible as writing in ink.

By mid-October of 1936, British Columbia had packed 1,735,059 cases of salmon.

Campaign Against Syphilis Started By Medical Group

State Board Of Health Terms Act As A Forward Step For This State

Endorsement of North Carolina's syphilis control plan by organized medicine is interpreted by Dr. Carl V. Reynolds, State Health Officer, as a forward step that will aid materially in helping the fight against what he terms "the king of killers" to far-flung battle lines, reaching many outposts.

The plan was presented to the doctors in session in Winston-Salem, just prior to the conjoint meeting of the State Board of Health and the North Carolina Medical Society, as provided for by law. Dr. Reynolds expressed himself as being highly pleased at the reception given by the medical men and their endorsement, without a word of dissent, of what he conceives to be a plan of battle which, carried on vigorously, as it will be, is to play an important part in control work now being undertaken in North Carolina.

Dr. Reynolds referred to the success that followed war on such diseases as smallpox, typhoid fever, dysentery, hookworm, tuberculosis and other human ailments which formerly brought despair but are now intelligently controlled or prevented altogether by the use of scientific discoveries.

He said of syphilis, to which he referred also as "the exterminator," "the great imitator" and "the ventriloquist" that "it is controllable and is curable."

"It is, however, distinctly encouraging that the name 'syphilis' is no

Mrs. Laura Davis Passes After A Two-Month Illness

Mrs. Laura Rhea Davis, wife of the late Joseph S. Davis, passed away at the home of her son, the Rev. J. Y. Davis, of Crabtree, May 3, after an illness of ten months.

Mrs. Davis was born May 26, 1861, the daughter of John and Martha Wright Rhea. She was united in

marriage to the late Joseph S. Davis, Nov. 8, 1878, and surviving her are the following children: Mrs. Etta Crawford, of Iron Duff; Erastus, of Marion; Hardie, of Buffalo, S. C.; Matt, Vinson, Dewey, Mrs. Curtis Rogers, and Rev. J. Y. Davis, of Crabtree, and 30 grandchildren, 16 great grandchildren.

Grandsons acted as pallbearers, with granddaughters as flower girls. Interment was made in the Panther Creek cemetery, with Revs. R. P. McCracken, A. F. Phibbs and W. F. Ferguson officiating at the funeral service.

NEW CAR SALES SHOW INCREASE

R. R. McLaughlin, director of the motor vehicle bureau, reported that 6,115 new cars and 1,973 new trucks were sold in North Carolina during April.

In March 3,426 new cars and 1,105 trucks were sold and in April there were 4,846 cars and 1,523 trucks.

The April car sales were the highest for any month since last July, when 6,036 were sold.

Thus far this year 18,812 new cars and 5,255 new trucks have been sold, compared with 13,424 cars and 4,559

trucks in the similar period last year. There have been 499,690 licenses issued this year, as compared with 443,900 to this date a year ago.

Less Monthly Discomfort
Many women, who formerly suffered from a weak, run-down condition as a result of poor assimilation of food, say they benefited by taking CARDUL, a special medicine for women. They found it helped to increase the appetite and improve digestion, thereby bringing them more strength from their food.

Naturally there is less discomfort at monthly periods when the system has been strengthened and the various functions restored and regulated. CARDUL, praised by thousands of women, is well worth trying. Of course, if not benefited, consult a physician.
