

Manufacturers Drop 14 - 2 Game To Beacon

Socket Makers Get Cross 12 Runs In The Ninth Inning

Beacon Batters Go To In Last Of Ninth, After Leading By 2 Runs

GORDON HENDRICKS pitched the ninth inning with Beacon in favor of Beacon, it was the game might end that the Manufacturers came with almost exactly the same game that they played against weeks ago. While no one was to blame for the massacre, it was any player responsible who pitched the ninth. Fifteen Beacon batters came to the plate in the ninth, nine runs were scored, nine of them after Beacon already had taken the lead. Montearth, who pitched good ball until the eighth, blew up, dishing out a triple, 4 doubles, 4

and 1 walk. The nature was not so dark, as outside of the fate of the game was by far the best has been played on the field this year. Through the season the Manufacturers had been on their credit, but they were a few more. The game was more colorful than any work in both out-of-town making one of the best ever to be made. Andy Wyatt of the Manufacturers received frequent applause.

The game presented an all-time high to the Hazelwood boys, who have not been making much of the team. In the last game, the infield was made of Ewing, Fisher, Glen Wyatt and Sam Lane. Saturday's game was won by Sam Lane, Glen Wyatt and the infield filling the position.

Chip Off Old Block

Jimmy Collins, Jr.

Those who have observed Jimmy Collins, Jr., second baseman for Yale university, in action predict that he will follow in the footsteps of his noted father who is vice president and general manager of the Boston Red Sox and former famous second sacker.

League Standings

Team	W	L	Pct.
Tryon	4	1	.800
Enka	4	2	.667
Beacon	4	2	.667
Canton	3	3	.500
Brevard	2	3	.400
Green River	2	3	.400
Hazelwood	2	4	.333
Sayles	1	4	.250

Saturday's game was the best game that has been played on the local diamond, until the ninth inning after that it was just a good batting practice for the Beacon hitters.

The score was 2-0, in favor of Beacon, until the fateful ninth.

Every man on the Hazelwood team is capable of playing better ball than they have been putting out lately, with about three exceptions.

The infield behind Montearth last Saturday was almost entirely different from the one that started the season. Ewing, Fisher, Glen Wyatt and Inman started the season, the four positions were filled last Saturday by Glen Wyatt, Sam Lane, Glen Wyatt and Cressida.

Lane, one of the fastest men in the league last year, is back with the Manufacturers. His speed can be used to good advantage.

It would be very difficult for any team to win with the number of hits turned in by the Manufacturers Saturday.

Montearth, local hurler, really deserved a better break than the one he got. He pitched good ball until the ninth, but he weakened in the final frame, and gave up one home run, 1 triple, 4 doubles, and 4 singles. Why he was not taken from the game is a mystery.

Brown, basketball star at Carson-Newman College, is out for the team now, but it's too early to pass judgment on him yet. According to the only information available, he is a pretty fair hitter.

After having seen nearly every team in the league play, here are the outstanding players, in my opinion, in the circuit: Munday and H. Merrill of Enka; Westmoreland and Collins of Canton; H. Fox, Vallen-court, and Martin of Beacon; Brown of Sayles; V. Morton and Cunningham of Brevard; and Glen Wyatt, Clark, Putnam, and Blalock of the locals. As yet I have not seen Tryon and Green River play.

Harley Fox, lead-off man for Beacon, is a former Manufacturer, having played with Hazelwood in 1932 and '33. He led the league in '32 in batting. Plenty of his old friends were in the crowd.

B. Fox, the fellow who knocked the home-run for Beacon, also turned in the best fielding job of the day, making several extremely hard catches. Andy Wyatt of the locals also came through with a beauty in the fifth inning. The crowd applauded Fox for his catch, and cheered Andy for his hit.

J. Vallen-court, brother of Asheville High's football star, was in left field for Beacon Saturday. He seems to have plenty of speed and power, and good disposition too.

Ford Motor Co. Hits At Unions

The Ford Motor Company last week presented to each of its 150,000 employees a card entitled "Fordisms," containing six brief excerpts from the industrial philosophy of its founder and head Henry Ford. A typical Fordism:

"We have always made a better bargain for our own men than an outsider could. We never had to bargain against our own men and we don't expect to begin now."

The United Automobile Workers of America which in recent months has made collective bargains for its members with every other major automobile manufacturer, began last week its long-awaited drive to become bargaining agent for the employees of Ford.

Needlework Guild Doing Fine Work

Last week Mrs. Frances Folsom Preston, known to another generation as Mrs. Grover Cleveland, was elected to continue her work as head of the Needlework Guild of America. The guild collects garments made or bought by the members and distributes them among the poor or to charitable institutions. In 1936, 1,863,000 garments passed through the guild's hands, with 27,000 going to Labrador. It is many years since Frances Fol-

Manufacturers To Meet Green River

Hazelwood Manufacturers will take on Green River Saturday in an industrial loop engagement.

Green River is the new team in the league, and although the team hasn't been doing so well, the boys should make it interesting for the Manufacturers.

Putnam will probably be called on to pitch, since Montearth worked last Saturday.

President Gets Congress To See Bills His Way

While the president was fishing for tarpon in the Gulf of Mexico the first of the month, talk of revolt rang loudly in the capital—especially from the "economy bloc" to eliminate one-third of the \$1,500,000,000 relief recommendation which Mr. Roosevelt had left behind. But last week the president back at his desk in Washington, the time was changed, and the House slipped back into its four-year habit of doing the things the president desires. Defeating the economy bloc's proposal for a \$1,000,000,000 appropriation, and also defeating proposals from a "liberal" bloc to provide as much as \$4,000,000,000 for next year's relief, the House by 210 to 128 voted to fix the sum at exactly the figures the President had proposed.

zom, a girl of 21, became White House bride and won the hearts of the nation. She was a widow at 45 when Grover Cleveland died in 1908 and not quite five years later she married Thomas J. Preston, Jr., then professor at Wells College. The years since that time have been spent quietly working for various causes, and recently the guild has held first place. She opposed woman suffrage in the old days, and still has reservations about the presence of women at the polls. "I always vote," she once said, "but I feel that women are more effective in other lines of work."

ADMINISTRATOR'S NOTICE

NORTH CAROLINA, HAYWOOD COUNTY. Having qualified as Administrator of the estate of P. E. Hyatt, deceased, this is to notify all persons who have claims against said estate to present the same to the undersigned on or before May 25th, 1937, or this notice will be pleaded in bar of right to recover. All persons indebted to said estate are notified to pay same.

This May 25th, 1937.
E. J. HYATT,
Administrator of P. E. Hyatt, Deceased.
No. 597—May 27-June 3-10-17-24-July 1.

Hazelwood Boys To Play Canton

A group of Hazelwood boys will journey to Canton high today to meet the Black Bears in a baseball game. While it is not known exactly who will compose the Hazelwood team, interested fans may rest assured that Coach C. C. Poindexter's boys will have their hands full.

Many of the boys in the Hazelwood line-up are former members of the junior team, which two years ago, won 21 of the 22 games played.

Hamlet's Origin Traced

Hamlet was a mythical or semi-historic Danish prince and, the original source from which Shakespeare took the story had the name Hambleth.

Allens Creek Takes East Waynesville

Led by the batteries, P. Green and Collins, Allen's Creek came through with another win last Monday to make it three straight for the season. East Waynesville being the last victim.

Green, south-paw pitcher, barely missed a shut-out, the lone East Waynesville run came on an error. Even so, 3 hits were all that he allowed. Collins, who was on the receiving end of Green's slant, led in the hitting with 3 for 4.

Green was backed by excellent playing all around. The work of the infield being especially noticeable.
