Frequent appearances together in London and their recent return to United States aboard the same liner have lent credence to rumors that Libby Holman Reynolds, former Broadway torch singer and widow of the tobacco heir, was romantically inclined toward Jack Doyle, British fighter and ex-husband of Judith Allen, screen star.

SLANTS ON SPORTS
 GORDON HENDRICKS

Even if it had stopped raining in time for the game over at Brevard last Saturday, it would have been impossible to have played it... the curbs on the streets were young rivers.

Now that we have a little extra space, here are a few facts about Hazelwood's newly organized second team.

"Bug" Kuykendall, a former member of the Hazelwood Industrial League team, and one of the umpires this year, has been chosen to manage the team, and is arranging a schedule which will not conflict with that of the first team.

The team is composed of former members of the first team and of former members of the Hazelwood juniors.

To date, the team has won one and lost two. They split with Canton High school, and to Cherokee.

This Saturday the Cherokee Indians will come to Hazelwood to play the second team, while the first team is playing Sayles.

Switching back to the first team again; after Saturday's game at Sayles, the team will open a three weeks stand at home, meeting Enka, Canton (doubleheader) and Sayles.

Ewing, lanky first baseman, has moved upward in the league's batting average. He is now in second place with an average of .500... Glen Wyatt and Roger Monteath, with averages of .333 each, and Andy Wyatt,
