... HOLLYWOOD — Lots of un- excitement up in the Warner loca- ...  
... the camera crew and ...  
... the morning's output ...  
... the dousing ...  
... technicians had to lay ...  
... the day.

George Brent

each day sipping an inexpensive drink at the Cinnabar cafe. She always sits just beneath the picture taken of herself at the peak of her career.  
Nothing like the Hollywood sense of humor. When Goldwyn's "Hurricane" company was in Catalina, one of the scenes was of Jon Hall, who plays the native hero, swimming out into the surf while three marksmen fired bullets just far enough away not to hit him. The men behind the guns, Captain C. E. Andrews, Pardon Jones and Duke Leo, make a business of trick shooting for the movies and never miss. But Director John Ford, who loves a rib, made Hall think they had been drunk for two days. The poor guy went through the scene expecting every shot to plug him in the back.

More about the Anne Shirley-John Howard Payne honeymoon. After leaving the Santa Barbara Biltmore, both donned blue jeans and shirts and are making the rest of the trip via auto camps and out-of-the-way hotels. A sort of a hobo honeymoon.

Chatter... Songwriter Mack Gordon dropped \$10,000 in a single hour at Calneva, they say... A Reno scout says that Jack Doyle is poison to the local press boys, who, nevertheless, are working very hard to get that marriage story... Hollywood rumors are wrong again about Paula Stone's romance cooling. Mrs. Will Rogers just gave a dinner for Paula and fiance George Mason.

Frank McHugh

... Jan Rubini is forgetting his marital troubles by fiddling in the Biltmore Bowl floor show... The Frank McHughs are shipping two motorcycles to Vancouver and will motor back to Hollywood that way. Both machines have special sidecars fixed up as beds.  
... Dorothy Lamour is happy to have Husband Herb Kay working as close as the Catalina Casino.  
... And Constance Bennett tells friends she signed so many autographs leaving New York that she had to have short wave treatments to ease the cramp in her hands.

... the next vacation. Dr. Dafoe ...

## Mountaineers All Set For Asheville

(Continued from page 8)

of line plays and passes. The locals held for downs however, at this point, again crossed the goal before the whistle for the quarters. Saunders led the parade down the field by a 27-yard punt off tackle. Smith carried the pig-skin over the line, and Clifton Shook added the point on a side line buck.

### REEVES SCORES

In the final quarter, Coach Weatherby sent in his entire second team, and part of the third, and the reserves played the Indians on just about equal footing. As the final whistle neared, the reserves found themselves in Indian territory, and set off a series of flank passes which carried the ball to the 29 yard line, where John Reeves, ripped the Cherokee line for steady gains on five straight plays for the final score, crossing the line from the 7 yard line.

The Mountaineers were penalized a total of 110 yards, as compared to 30 for the Indians, and averaged 31 yards on punts as compared to the 35 yard average compiled by Drayer, Redskin punter. A public address system kept the crowd informed as the down, persons figuring in plays, and substitutions.

### PLAY ASHEVILLE HIGH

Tomorrow the Mountaineers go up against Asheville High in Asheville, and a large following of Waynesville fans is expected to witness the game. Ed Davis, who started the season on first string, but was forced out of the first game except for a few moments, is back in harness now, and is expected to be in top shape for the tilt. The team, following hard workouts all week, is in fine condition, and hopes are high for a Waynesville victory.

Waynesville	Line-ups	Cherokee
Chafin	LE	Arneach
Truitt	LT	Bradley
B. Milner	LG	Sampson
Taylor	C	Arch
Collins	RG	Lelford
Hancock	RT	Blythe
Messer	RE	Thompson
J. Phillips	QB	Driver
Smith	LH	Crowe
Saunders	RH	Reed
B. Phillips	FB	Davis

Substitutions: Waynesville, H. Hancock, Stringfield, Davis, Plott, Franklin, Reeves, Shook, R. McCracken, Wm. McCracken, Moody, Fritz, Leatherwood, Mull, H. Phillips, J. Milner, Wright, and McElroy.  
Cherokee, R. Youngdeer, Calanhaskie, Trampler, F. Bradley, C. Jackson, Queen, Owl, and Taylor.  
Referee, Herman, Umpire, Stretcher, and Headlineman, Davis.

### MRS. H. W. BAUCOM TO BE HOSTESS TO YOUNG PEOPLE

The Royal Ambassadors, a group from the Baptist church will meet on Friday night with Mrs. H. W. Baucum at the parsonage. The members are asked to arrive at 7:30.

## Legionnaires Do The Unusual During Annual Convention

The veterans attending the national convention in New York City this week went to the great metropolis loaded with extra equipment that war time regulations would never have allowed. The Los Angeles delegation, campaigning for the next convention, brought with them 30,000 oranges, a police band, and a police motor cycle drill squad.

The Colorado delegation also seeking the 1938 convention, brought three cub bears, six mountain lions and as a present for Mayor Frank Hague, of Jersey City, a jackass that kicks at the name of "Miss Debukker."

From St. Paul, Minn., the veterans brought a post drum corps with \$5,000 worth of Mankato Indian costumes for the parade.

## Boy Scouts To Build Cabins In City Park

The city board of aldermen have granted the Boy Scouts of this community, the right to erect log cabins at the City Park, on East street, for their permanent quarters for the next ten years.

During the past few years the Scouts have been moved from place to place, and leaders of the boys put the matter before the board who promptly granted permission to use the park. There are three troops of Scouts in this community: One troop under the sponsorship of the Rotary Club, another under the American Legion and one troop at Hazelwood.

## Former Citizen Of Haywood Is Here

Dr. L. L. Justice, of Clermont, Fla., is visiting his brother, F. A. Justice, at his home on Crabtree.

Dr. Justice, a former citizen of this county, practiced medicine in Marion, N. C., several years before going to Florida.

Fourteen years ago he moved to Clermont and gave up his profession and since that time has been engaged in the growing of citrus fruits. Dr. Justice says that each summer he feels the call of the mountains, but when the fall sets in he always returns to Florida, and that "once a man gets sand in his shoes," he is lost in the mountains.

### IMPORTANT NOTICE TO JUNIORS

It is necessary that each and every member of the Waynesville Council No. 373 J. O. U. A. M. report to the Financial Secretary before September 28th, or attend the council meeting on that date. All members failing to report by the above date will have to be dropped from membership in the council. This is important.

Either see F. A. Burgin before Sept. 28, or attend the council meeting on next Tuesday.

Works Progress Administration employees total 1,482,707 persons, as compared with the 1,500,000 maximum limit stipulated in the new Relief Act. The total now is about 2,775,000 less than under the peak relief enrollment of the old Civil Works Administration in January, 1934.

## District Music Clubs To Meet In Waynsville Sat.

The eleventh annual meeting of the western district of the North Carolina Federation of Music clubs, will be held here on Saturday the 25th, at the First Baptist church, beginning the all day session at 10:00 o'clock.

A large delegation is expected to attend. The district is composed of the music clubs in the towns from Morganton and Forest City, to Murphy.

A program of unusual interest has been planned for the day, which will include an address by the state president, Mrs. J. S. Correll, of Raleigh.

The Waynesville Music Club and the Junior Club will be hostesses of the meeting. Mrs. Grover C. Wilkes, of Sylva, member of the local club, who is district director, will preside. Mrs. Robert Stretcher, president of the Waynesville club, will give the address of welcome.

The following members of the Junior Club will serve as pages for the meeting: Betty Burgin, Stacy Wilburn, Ruth Burgin, Leonora Mae Walker, and Marion Morgan.

At noon luncheon will be served in the banquet hall of the Welch Memorial Sunday school building. The public is invited to attend the meeting and luncheon, reservations for the latter must be made by calling 186.

ATTENTION  
Buy a fall hat, get free pie. Ratcliff Cove community house, Friday night, Sept. 24. Ice Cream, cake, bargain prices.

Published Every Thursday by  
**Watkins Chevrolet Company, Inc.**

Full months are travel months... how about a good used car, that will give you miles of satisfactory motoring?

Here's a few we have on hand right now—  
One 1935 Plymouth Coach, thoroughly reconditioned, and rebuilt. Looks and runs like new. Has new tires. We guarantee this car to anyone. Only—  
**\$450**  
One 1935 Chevrolet

master coach, this car has been thoroughly reconditioned. Was well cared for by former owner. Clean upholstery and original paint. Looks almost like new. Now only—  
**\$325**  
One 1933 Chevrolet master sport coupe, rumble seat and in A-1 condition throughout. Priced at only—  
**\$295**  
One 1931 Chevrolet coach. A good car with lots of service left. Priced at—  
**\$215**  
The old phrase, the higher the fewer, applies to horsepower when driv-

ing at high altitudes. A car that develops 100 horsepower at sea-level has only 82 horsepower at an altitude of 5,000 feet. This means a resultant loss in gasoline economy.  
However, hills don't make so much difference as you would imagine. The thing that eats up the gas is "Rolling friction," and that is dependent upon road surface rather than the steepness of the grade. "Rolling friction" can be reduced by keeping your tires properly inflated.  
Our new gauging machines enables us to put just the exact and correct amount of air in your tires. Come in for a check-up.  
When Dobbin shied and showed his teeth at the approach of a fire setting "Benzine buggy" thirty years ago, his conduct moved the Missouri Automobile Ass'n to offer this remarkable suggestion:  
"Drive to one side of the road, and if possible hide the machine behind a clump of trees; then emerge quietly, take the handles of the horse and lead him past the automobile. Then give the farmer a cherry shan on the back and a hearty 'jolly' that will send him on his way feeling that indeed the automobile is the prince of them all!"
