

## Mountaineers Whip Tryon 18-0

### First Conference Game Of Season For Local Players

Game Played In Steady Rain.  
Improvements Noted In All  
Departments Of Team

The Waynesville Mountaineers, making their 1937 Blue Ridge Conference debut, whipped the Tryon-Saluda eleven here last Friday in the rain, 18-0. The Mountaineers piled up a total of 13 first downs, as compared to only 3 for the opposition, and outplayed the visitors in every department of play.

Tryon kicked off to waynesville to open the game, and John Reeves returned the ball to the 40-yard line, before Green, the man who kicked the ball, downed him. Then, on a series of line plays, the Mountaineers carried the pig-skin down the field to the 1-foot line, where Smith carried it over on an off-tackle slant. A pass, Smith to Bill Phillips, was completed, but a penalty robbed the Mountaineers of the extra point.

Truitt kicked off to Tryon on the next play, and the Tryon back was stopped on the 31-yard line. After two futile thrusts at the Waynesville line, Green punted for Tryon, and Smith returned the ball to his own 47-yard line, as the quarter ended.

#### LOCALS SCORE ON PASS

After two attempts at the line, Reeves dropped back and passed to Smith, who crossed the goal line standing up for Waynesville's second score. Reeves failed to pick up the necessary yardage for the extra point

### Mountaineers To Play Christ School

Tomorrow the Mountaineers travel to Christ School for their annual battle with Dick Fayssoux's Greenies. Last week the Greenies whipped the Brevard High eleven, 19-6, and a very close engagement is anticipated.

on a line buck.

Waynesville again kicked off to Tryon, and for the remainder of the second period the teams baffled on about even terms; then entire Waynesville second team was on the field when the whistle for the half sounded. Waynesville received the kick-off as the second half started, and for a quarter the Mountaineers threatened, but never scored. A beautiful 22-yard run by Smith, and a 15-yard thrust at the line by Reeves featured the play for the period.

The Mountaineers drove to Tryon's 20-yard line, where they were held for downs as the final quarter got underway. But on the first play that Tryon attempted to run, Parker fumbled, and Chafin recovered for Waynesville. Smith lost 4 yard on a reverse play, but a pass, Reeves to Smith, placed the ball on the 2-yard line. Bill Phillips carried the oval to within 6 inches of the last white line, and Reeves carried it over on a line play. A pass, Smith to Bill Phillips was completed for the extra point, but Herman ruled that Phillips stepped outside on the play.

#### TRYON THREATENED

Truitt again sent another long kick-off down the field on the next play, and after Tryon had opened a futile passing attack, the Mountaineers held for downs. Waynesville pass was picked off by Heatherly, of the Tryon team, and the visitors went as far as the Mountaineer's 7-yard line before being halted. Waynesville kicked out of danger to end the threat. A 55-yard run by Reeves was called back because of an off-sides during this final period.

Outstanding players for last week's game were: Smith, Reeves, Bill and James Phillips, Chafin, Truitt and H. Hancock on Waynesville team, and Green, Heatherly, and Foster on the Tryon-Saluda team.

### Mars Hill To Play Canton On Friday

Canton.—(Special to The Mountaineer.)—The Canton Black Bears face their first real test of the current grid season when they line up against the Mars Hill eleven here Friday night, with the game starting at 7:30 under the floodlights.

Boasting a 33-0 victory over Hendersonville last week the Mars Hill are rated on even terms with powerful Bear crew. They will present the first shifting type of offense to be seen here this season. Coach Jek's team rates along with Canton and Waynesville as the Big Three of the Blue Ridge conference.

Coach Poindexter has been sending his Bears through intensive drills the week stressing the fundamentals of the game, planning to rely on the same line-up and mode of attack used in preceding games.

The Bears' starting line-up will probably be Owen and Gragg, ends; Powell and Harris, tackles; Coeger and Robertson, guards; Clark, center; Price Sams, Schenck, and Flynn, backs.

Mars Hill will likely start Davis Hamlin, ends; P. Merrill and Robinson, tackles; H. Merrill and Phillips, guards; Sprinkle, center; Edwards, Ponder, Carter and Anderson, backs.

#### DAVIDSON-V. M. I.

The Davidson Wildcats journey to Lexington, Va., Saturday to meet V. M. I. . . Last year's score: Davidson, 38, V. M. I. 13.

#### W. C. T. C.—Tusculum

## SLANTS ON SPORTS

GORDON HENDRICKS

Pardon a bit of personal opinion, but the way this corner looks at it, the Blue Ridge Conference title lies between Waynesville and Canton this year. But Mars Hill looks rather tough . . . by the way, which of those two Canton-Waynesville games count in the standings, or do both?

Taking a peek at the statistics for the three games, we find that the Mountaineers have dominated every department of play so far . . . except the kicks . . . (most of Waynesville's kicks have been "quick-kicks.")

The boys received a taste last Friday of the type of weather that they can expect plenty of during an eleven game schedule . . . with three straight hard games coming up, the boys will receive a true test of their ability . . . so far they have gone from one extreme to the other.

"Breaks" figured prominently in the game last Friday . . . and the Mountaineers proved capable of taking advantage of them . . . incidentally, a Tryon player was heard to remark that he thought that the second team line was as good as the first . . . the starting line last week averaged 169 pounds.

Shifting scenery now, let's look in on the baseball situation . . . regard-

### Plans Being Made For Annual Deer Hunt In Pisgah Forest

Those Wanting To Participate  
In Annual Hunt Should  
Apply Now

Detailed plans for the fourth public big game hunt on the Pisgah National Game Preserve in Western North Carolina as announced by H. E. Ochsner, of Asheville, supervisor of the Pisgah National Forest, will create no little interest among deer hunters or would-be-deer hunters throughout the Southeast. Opening on November 1 and continuing through December 10, the hunt will be held over the entire 100,000-acre preserve with both buck and doe being hunted for the first time. Two thousand and five hundred sportsmen will be allowed to participate.

The announced hunt is the outcome of careful investigation by state and federal authorities which reveals that the preserve is heavily overstocked and the welfare of the herd demands continued reduction to prevent starvation and disease. The distinct "deer-line" is in evidence, and severe losses as well as irreparable damage to timber and watershed protection are already evident. The general public is therefore to be given an opportunity to benefit by this surplus supply.

The Pisgah National Game Preserve has been under the administration of the U. S. Forest Service for the past 23 years. The magnificent deer herd now on the areas is the result of diligent and careful management in accordance with the established policy of the U. S. Forest Service to manage the national forests, not only to produce timber and protect watersheds, but for other benefits to the public, such as hunting, fishing and recreation, which are developed under multiple use plans.

14,000 acres of wilderness forest will be open to sportsmen who really want to rough it. Here they will be allowed to hunt and camp on their own. Hunting under these conditions must necessarily be arduous and strenuous, and the Forest Service recommends that only persons in excellent physical condition make application for hunting in these wilderness areas.

The Forest Service anticipates applications from sportsmen to be well in excess of the allowable, 2,500 and early request for applications should be made. Formal application blanks and complete instructions regarding the hunt may be secured from the forest Supervisor, Pisgah National Forest, Arcade building, Asheville. Successful applicants will be required to possess either a resident or non-resident State of North Carolina license in addition to the special cooperative charge.

#### THE QUESTION IS:

DO SMOKERS APPRECIATE CAMEL'S  
COSTLIER TOBACCOS?

THE BEST ANSWER IS:  
CAMELS ARE THE LARGEST-  
SELLING CIGARETTE IN AMERICA!

IS it good business to spend millions more for costlier tobaccos? Well, the fact that Camels are the largest-selling cigarette shows that men and women do find something choice—something different—in Camels. Camels are a matchless blend of finer, MORE EXPENSIVE TOBACCOS—Turkish and Domestic.
