AMAZING LIFE-SAVER TREAD GIVES YOU SPLIT-SECOND STOPS ON WET, SLIPPERY ROADS

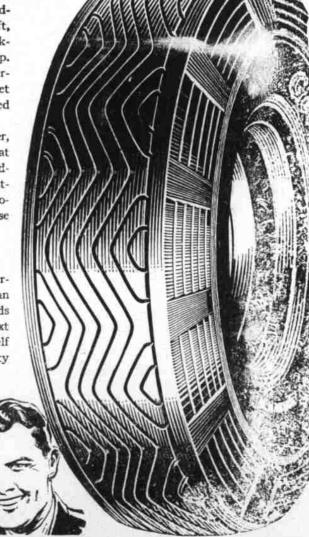

It's here to save your life! Just look at the row upon row of never-ending spiral bars in this new Life-Saver Tread. Then you'll understand why it acts like a battery of windshield wipers, sweeps the water right and left, forces it out through the deep grooves, making a DRY TRACK for the rubber to grip. That's why the new Goodrich Safety Silvertown will stop you quicker, safer-on a wet pavement-than any tire has ever stopped you before!

And, adding one safety feature to another, this new Silvertown is also the only tire that gives you the Golden Ply-the famous Goodrich invention that resists the terrific blowoutcausing heat generated inside all tires by today's high speeds - protects you against those high-speed blow-outs.

NO EXTRA COST

Remember, many tires cost more than Silvertowns; but no other tire-at any price-can give you this two-way protection against skids and blow-outs. Unless you make your next tires Silvertowns, you'll be cheating yourself and your family out of the greatest tire safety ever offered. See us before it's too late.

OUR SHIPMENT OF THESE NEW GOODRICH SILVERTOWNS HAS ARRIVED ... COME IN FOR A FREE DEMONSTRATION AND GET THE MOTORING THRILL OF A LIFETIME
