

Uncle Abe AS HE SEES THE HUMAN SIDE O' LIFE

Beautiful is fillin' up
the stake 'bout that. Not
the days we see on our
S. C. and Vir-
ginia. Look at
a jugful. Look at
the folks greet each other
with a "Hello!" Here's an Ohio k-yar park-
er. Here's an Allyn-an' here kums
from Tennessee! Then in a little
while we'll probably see Illinois, Ore-
gon, New York, Indiana, New Jersey,
and a doz. other states
represented.

As we hear the queschun uv
the celebrated Mame St. bein' discuss-
ed, it kums up ever Summer 'bout
the time an' like a man with
a wussler, he gits wusser ever spell
Summer.

We're just a-goin' t' haff t' opper-
ate. Folks, that's all thar is to it. . . .
operate by spinnin' up a street East
Mame an' sunnin' parallel to it.
Try all the traffic cops an' laws in
the shan kumt help matters much
at all. No, sir-ee!

SLIDE DOWN

On Fines Cr. I found Uncle Joe
Kirkpatrick on top uv the mountain.
I didn't kime all the way, eaze I
nearly petersed out by the time
I got in site o' Joe, way up thar on
the mountain.
"Kum an' meet me 'a way, Uncle
Joe," I hollard, "eaze I'm plum pet-
ered out."
"All rite," he replide, "jist go on
at t' the hour. . . I'll be down soon as
the out t' the cand."

From the looks uv Uncle Joe's road
don't think he kums out much. . . .
probably jist kums out on Leckshun

All Workers Must Have Social Security Numbers, Board Says

Haywood county employers hiring
workers, now, because of seasonal
business should learn the account
number of each new employee and
enter it in permanent records. New
workers without account numbers
should be referred by employers to
the Asheville Social Security board
office, where numbers will be as-
signed them. This reminder, which
comes from the Social Security board,
is directed especially toward employ-

ers who, during the summer months,
take on extra employees at hotels,
tourist homes, and camps, and all
lines of industry.
Employers who are opening their
businesses for the first time since the
Federal old-age insurance program
went into effect on January 1, 1937,
should make application at once for
an employer's identification number
at the nearest Social Security board
office.
The federal administrator of the
wage-hour law passed by the last
Congress will receive a salary of
\$10,000 a year.

PROGRESS

What has been done this year in Medical Science of which we
may be proud?

Much, we would say — but the work never lags. The scientist,
the research chemist, and the regular practicing Physician are
unceasingly working toward the elimination of human
suffering.

Cancer, asthma, hay fever, tuberculosis, the common cold,
neuritis — and all the other physical ills that have not been
fully conquered — are having millions of dollars, and untold
scientific energy expended on their eventual extermination.
From one end of the world to the other this progress in health
goes on, but no greater service is being accomplished than the
gradual awakening of men and women to the good sense of
PREVENTION of disease and ill-health.

Taking care of, and preserving good health, and building walls
of energy against invasion — much has been accomplished along
these lines of education this last year. Let's keep up the
good work.
