

### Harold Francis Named President Of State F. F. A.

#### Local Boy Has Made Good Record In Club And Vocational Work

At the state convention of Future Farmers of America, held in Raleigh last week Harold Francis was elected president of the organization. In a field of five candidates Harold was chosen by considerable majority.

Young Francis is a member of the Smoky Mountains National Park chapter F. F. A. (Waynesville) and at the time of his election to state office he was serving as chairman of the executive committee of his local chapter, was secretary of the federated chapters of the mountain district and was state secretary of Future Farmers organization.

Harold has represented his chapter in public speaking contests, athletics, livestock judging teams, seed judging teams, has directed the organization and operation of a thrift bank, helped organize a chapter brass band and has taken an active part in all other chapter activities. He has not only carried an outstanding supervised practice program during his four years in high school, but his grades have been well above the average for the four years in the Waynesville high school.

The duties of state president will take him into every county in the state during the next year. He plans to visit every federated Future Farmer chapter in the state and as many local chapters as possible. In August he will go to the state camp at White Lake for a week to become better acquainted with the organization and its force. In October he will attend the National Congress of Future farmers of America which will be held in Kansas City.

The new elected president is seventeen years old and is the son of Mr. and Mrs. C. T. Francis, Francis Farms, Waynesville. Francis will register in September at the State College, Raleigh, as a freshman and will pursue the course leading to the degree of bachelor of Science in agricultural education or one leading to the degree of doctor of veterinary medicine.

Young Francis was one of the three members of the Smoky Mountains National Park chapter who were elected to the Carolina Farmer degree, the highest honor the state chapter can confer upon a member.

### Circuit Parade Planned July 23 In Crabtree Area

Saturday afternoon and evening, July 23, there will be a circuit parade, beginning at 5:30 o'clock at the Crabtree school building, for the benefit of the Methodist churches of the Iron Duff-Crabtree communities, including the following: Fincher, Davis, Crabtree and Mount Zion.

A tour will be made from the school building to Riverside Lodge and from there to Sunset Hill, where a picnic dinner will be served on the mountain side.

Many interesting speakers and musicians will be present. Rev. W. A. Rollins, is scheduled for the main address of the evening. There will be vocal numbers rendered by the Kirkpatrick and Ferguson families.

S. E. Connatser, Bob Francis and Hugh Ratcliff will entertain with stories. Jarvis Campbell, Mrs. Jennings McCrary and Miss Mary Davis with "stunts." Frank Davis, T. C. Davis and Bob Rogers with games.

One of the main attractions of the evening will be relay races sponsored by Jennings McCrary and Hugh Rogers. Jokes will be told by Grover Davis. An original playlet will be presented by Mrs. Glenn Palmer, Mrs. Daisy Ferguson, Mrs. John Rogers and Mrs. Reeves.

The occasion should be an enjoyable one to all.

Those on the program are giving their time and talent for your entertainment. Vast numbers from this county as well as others are expected to attend.

### SAFETY CRUSADER TO ADDRESS LOCAL ROTARIANS FRIDAY

Walter Y. Hosier, safety director of the Carolina Motor club, will be the speaker at a safety program to be carried out at the Rotary club Friday.

The talk will deal entirely with safety on streets and highways and each member of the club will be presented with a copy of Mr. Hosier's book, "Worse Than War."

The speaker has had wide experience in the safety field and since joining the Carolina Motor club several months ago has spoken to thousands of school children, members of civic clubs, and other citizens throughout the Carolinas.

### Penny Brothers To Auction Land In Belle Meade

J. C. Penny, one of the famous Penny Brothers, the world's original twin auctioneers, arrived here with his family last week to spend a short time. Soon after his arrival, his services in his well known fame were sought by a business man owning property in Belle Meade. A contract was secured by Mr. Penny to sell some business lots and residential lots located in the heart of Belle Meade, adjoining Waynesville's great Country Club and Golf Course.

The Waynesville Country Club is a rock structure overlooking an eighteen-hole golf course in perfect condition. The hills and scenery surrounding this golf course together with its high altitude and cool breezes makes it an ideal place for investors and home seekers to live. With the high altitude and gradual growth of Waynesville, together with its payroll and visitors, winding drives and natural surroundings, and its friendly atmosphere of the people that live in this city where nobody feels rich and nobody feels poor certainly makes it a location that should appeal to the most exacting," says Mr. Penny, the man who has sold land in every state of the United States. The above firm

has offices in Washington, D. C., Greensboro, High Point, Charlotte and Atlanta.

### Unit Test Group Discuss Records

#### Farmers Of Unit Test Demonstration Group In County Hear Management Specialist

A meeting of the Unit Test Demonstration Farmers for Haywood county was held at the Central Elementary school building, July 12, to hear a discussion of the farm record summaries as kept in 1937. Thirty farmers attended.

A. J. McCracken, president of the association of demonstration farmers, presided, and introduced J. F. Criswell, farm management specialist from State College, who went into a discussion of the individual farm summaries which were taken from the 1937 farm record books. Mr. Criswell pointed out that in some instances the record would not show as much net income for 1937 as for 1936 because of the general lower prices for farm commodities.

The summaries covered 61 active Unit Test Demonstration Farms in Haywood county. Each farm had a separate summary. On each separate summary were figures taken from the individual farm record. On this same summary were listed figures from the average of the 16 high farms, the average of the 16 low farms, and the average of 61 farms. Also the 1936 and 1937 figures for each farm. With these figures each person can compare his farm with the average and with the previous year. No name appeared on the sheets and each individual record is the property of the Unit Test Demonstration Farmer and is treated confidentially.

has offices in Washington, D. C., Greensboro, High Point, Charlotte and Atlanta.
