The recreational facilities in the forest are taxed beyond expectations, he explained, and plans are underway for improving these conditions.

Work in the forest is going forward, and a number of the best scenic roads in the entire section are under construction, Mr. Ochsner explained.

LETTERS to the Editor

EDITOR'S NOTE: Letters to the editor, if free of personal abuse, are always welcomed. All letters must be signed and the opinions expressed by the writer are not necessarily the opinions of The Mountaineer.

Editor The Mountaineer:— I am 100 per cent behind the movement recently adopted by the merchants of this community in having a committee approve all advertising schemes before they are presented to the merchants. The average person has no idea of the number of things a merchant is called on to do, and in this connection, I am enclosing a letter clipped from a trade publication, which might interest your readers. I admit some parts of the letter are perhaps "stretched," yet, in substance, it is all true.

Thanking you, J. A. GALUSHA.

My Dear Sirs:—

In reply to your request to send a check, I wish to inform you that the present condition of my bank account makes it almost impossible. My shattered financial condition is due to Federal laws, State laws, County laws, City laws, Corporation laws, liquor and Mother-in-laws, Brother-in-laws, Sister-in-laws and Outlaws.

Through these laws I am compelled to pay a business tax, amusement tax, head tax, school tax, gas tax, light tax, sales tax, liquor tax, income tax, food tax, furniture tax and exercise tax. Even my brains are taxed. I am required to get a business license, car license, hunting and fishing license, truck license, not to mention a marriage license and dog license.

I am also required to contribute to every society and organization which the genius of man is capable of bringing to life; to women's relief, the unemployed relief, and the gold digger's relief. Also to every charitable institution in the city, including the Red Cross, the black cross, the purple cross and the double cross.

For my own safety I am required to carry life insurance, property insurance, liability insurance, burglar insurance, accident insurance, business insurance, earthquake insurance, tornado insurance, unemployment insurance, old age and fire insurance.

My business is so governed that it is no easy matter for me to find out who owns it. I am inspected, expected, suspected, disrespected, rejected, dejected, examined, reexamined, informed, required, summoned, fined, commanded, and compelled until I provide an inexhaustible supply of money for every known need of the human race. Simply because I refuse to donate to something or other I am boycotted, talked about, lied about, held up, held
