

**Letters to Santa Claus**

Dear Santa Claus: Please do not forget me this Christmas as I want some things very badly. The things that I want are, a basketball, a wrist watch, a great big doll and worse than all a Chinese checker board. Tell Mrs. Santa Claus to help you to remember

all little girls and boys because I know they all want something just as bad as I do. I will hang my stockings by the fire-place and if you can't get some of the things in it, I'll have a Christmas tree sitting in the corner, and you can put them under it. Remember me and all little boys and

girls this Christmas and every other Christmas. And especially remember to leave some candy for all.

Love to Santa Claus,
