**Shirley Gets Honor**

Shirley Temple

To Shirley Temple, screen juve-  
nile, goes the high honor of be-  
ing grand marshal of the Tourna-  
ment of Roses parade, Jan. 2  
1939, which precedes the annual  
Rose Bowl game. Shirley was  
presented with her official badge  
in an informal ceremony on the  
porch of her bungalow in Holly-  
wood! Shirley is the only child  
ever accorded this honor.

"I can tell ever siggyrette stub  
what's bin throd down by a woman,"  
sed my fren' Muze.

"How?" I axt.  
"Furst by the paint on it, an' seck-  
on', the stub is a leetle bit shorter  
than the men moas' generally smoke  
'em."

That is troo, fokes, caze ALL wim-  
men what smoke also paint, but all  
them what paint don't smoke.

Thar's 2 kinds uv shows what allus

ed 'thout the daddies bein' present . . .

"Beer is better now than it wuz at  
furst," sed the husban', "it's not so  
green."

"It's still green," replide his wife—  
"green at bowth ends."

"I notis that all the merchants air  
puttin' on sales now," observed the  
farmer's wife, "we git a sirkler  
neerly ever day; an' all the sales seem  
to be 'bout the same—"

"All the same 'cept the name,"  
interrupted the farmer—"they cood  
jist swap names on the sirklers an'  
not kno the difference.

I heer that S'ciety fokes in Ashe-

**Unauthorized Advertising Being Fraudently Sought**

Reliable information has been re-  
ceived from the commanding officer,  
district "C," CCC., Ft. Oglethorpe,  
Ga., that an individual is active in the  
Southern states in the solicitation of  
advertising for the C. C. C., thus per-  
petrating a fraud, who solicits adver-  
tising in the name of any part of the  
C. C. C. is entirely without authority.  
If anyone seeks such business it will  
be appreciated if the merchant will no-  
tify the commanding officer of the  
nearest CCC camp as well as the  
local civil authorities in order that  
the individual may be apprehended.

A person previously operating in  
the manner described was apprehend-  
ed and is now serving a sentence in a  
federal penitentiary.

**COMPLETE EXAMINATION**

**AT LEAST ONCE A YEAR**

There are few diseases not curable to a large extent, if taken  
in time. Early symptoms of Bright's disease are plain to the  
physician, but not to the layman.

Tuberculosis can be detected in the early stages, by a thorough  
physical examination. Anemia, with its attendant cause, is  
properly definable only from a thorough study. Cancer can  
be prevented and cured in many cases by the physician having  
a chance at it in time. Serious heart trouble can often be  
avoided, if the doctor is given an opportunity to treat condi-  
tions leading up to it.

It is unnecessary for a physician to make a complete exami-  
nation of every patient who consults him, but for your own  
protection, you should have a complete and reassuring physi-  
cal examination at least once a year.

Remember, the doctor can not know all about you and your  
condition, just because you tell him your name and address.  
Give him a real opportunity to keep you well.
